I, HARRY FEYN, MASTER (State whether Master, First, or Second Officer), of the S.S. INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language [or, if exemption is claimed, upon what ground]." In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race, country of which citizen or subject, country of last permanent residence, and country of birth. Manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, the term head of country does not mean "[illegible]" the head of race might prop[illegible] connection the

The term "[illegible]

"West Indian

"Spanish Ame[illegible] to the people of Central and South [illegible] of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether [illegible] of the West Indies, North or South America, Europe, or Africa. [illegible] the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was [illegible]d, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case [illegible]ividual or family) the exact amount of money shown. Money brought by the head of a family should [illegible]t be divided among the several members of the family.

Column 18 (*Whether ever before in the United States; and if so, when and where*).—The entries should [illegible]ow whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and [illegible]lace, as, 1894–1897, Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either [illegible]lative or friend; and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions [illegible] self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection [illegible]ors in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, DR. NEUBERT, Surgeon of the S.S. YORCK, SAILING THEREWITH (State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be) do solemnly, sincerely, and truly SWEAR that I have had 15 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of FREIBURG, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 30 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

NOTE.—Full text of question 24 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, or who disbelieves in or is opposed to organized government, or who advocates the assassination of public officials, or who advocates or teaches the unlawful destruction of property, or is a member of or affiliated with any organization entertaining and teaching disbelief in or opposition to organized government or which teaches the unlawful destruction of property, or who advocates or teaches the duty, necessity, or propriety of the unlawful assaulting or killing of any officer or officers, either of specific individuals or of officers generally, of the Government of the United States or of any other organized government because of his or their official character.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

HARRY FEYL, MATER of the S. YORCK from BREMEN, do solemnly, sincerely, and truly SWEAR that I have caused the [redacted] and the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

MASTER ~~Officer~~.

Sworn to before me this 18 day of [illegible], 19 [illegible]

or [illegible]

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language (or, if exemption is claimed, upon what ground)?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or South America, Europe, or Africa. Any alien with a mixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual and unbroken residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) an the United States before, and if so, the year (or period of years) and place, as, 1894, 1897, Philadelphia.

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, DR. NEUBERT, Surgeon of the S.S. YORCK, SAILING THEREWITH, do solemnly, sincerely, and truly SWEAR that I have had 15 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of FREIBURG, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 28 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Sworn to before me this 18 day of Oct, 19 22

at

(Signature and title of immigration or other officer authorized to administer oaths)

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

I, HARRY FEYN , MASTE R , *of the* S.S. INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arriving, as, for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other such to the designation.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and reentry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language (or, if exemption is claimed upon what ground)?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and reentry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence, regardless of length of actual residence there. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country or temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50 and if less, how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States; and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894, 1897, Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 34.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Number in family.* — Steamship lines should make no entries in this column. The space is for use of Government officers only.

Column 4. *Age.* — Entry for this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. *Sex.* — Insert word *Male* or *Female*, or abbreviation *M* or *F*, *female*.

Column 6. *Color and race.* — The answer should be *White*, *Negro*, *Yellow*, *Black*, *Mulatto*, *Brown*, *Red*, or *Blue*.

Column 7. *Condition.* — The entry should describe the person correctly as possible, the question being one of fact or observation. If such person appears to be a cripple, or is deaf, dumb, blind, or otherwise defective, mental or physical, or is a polygamist, or is an anarchist, or is coming to engage in any form of prostitution, or is a contract laborer, or is a stowaway, or has been deported within one year, or has been in prison or almshouse or an institution for the insane within five years, or is under 16 years of age and not accompanied by parent or guardian, or is in any doubtful physical or mental condition, or is afflicted with any loathsome or dangerous contagious disease, the fact must be stated. If person is married, the letter *M* should be used; if single, *S*; if widowed, *Wd*; if divorced, *D*.

A preference should be made between families and sent as such, regardless of the amount of money shown as in possession.

A farmer is one who operates a farm, either for himself or for others.

A laborer is one who performs labor of any description, for hire or otherwise.

Should any person [illegible] the question [illegible] the fact should be made, if necessary, by [illegible] during the passage over [illegible]

Column 8. *Occupation.* — [illegible] Do not enter "Laborer" unless the person has no trade or calling. "Retired" may be entered in the case of persons of sufficient means to support themselves without labor. Persons having no occupation, such as children under 16 years of age, should be returned as "None." Do not enter "Housework" unless the person is employed as a domestic servant.

Column 9. *Nationality.* — Question 9 should not be answered by merely stating the country of which alien is a citizen or subject.

Column 10. *Race or people.* — See list of races printed on back of this sheet. The entry should show the race or people to which said alien belongs.

Special attention should be paid to the distinction between race and the country of which the alien is a subject, a citizen of [illegible] and [illegible] should be answered by reference to the country to which the race belongs. Thus, a Scotch person should be described as of the Scotch race, not as of the British race; a Welsh person as of the Welsh race, not as of the British race; a Canadian of French descent as of the French race, not as of the Canadian race; a Chinese as of the Chinese race, not as of the Chinese Empire; a Hebrew as of the Hebrew race, not as of the country in which he may temporarily reside, such as Germany, or Russia, or any other country. In this connection the following descriptions should be carefully observed.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, HARRY FEYN, MASTER *, of the* S.S. YORCK *, from* BREMEN *, do solemnly, sincerely, and truly* SWEAR *that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets,* 30 *in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.*

MASTER *Officer.*

Sworn to before me this 11 *day of* [illegible] *, 19*

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make an entries in this column. The space before each name is intended for the use of

Column 4 (*Age*).—The entries in this column should be expressed in years or near this, the latter applying to infants under 1 year of age.

Column 5 (*Sex*).—The entry should be either M. male, or F. female.

Column 6 (*Married or single*).—The answer should be M. married, S. single, Wd. widowed, or D. divorced.

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation (trade, profession, or other calling) of each alien. Persons, including children, must have some occupation; the terms "none" or "housework" are not sufficient for women or children, and not sufficient for persons of either sex over 16 years of age.

A distinction should be made between laborers and farm laborers, regardless of the amount of money shown as in their possession.

A farmer is one who operates a farm, either for himself or for others.

A laborer is one who performs work of the most menial character.

Strict compliance should be required with the instructions that the information requested is to be given with respect to each alien individually and independently, and that the habit of describing the members of families collectively by such entries as "wife and children," "husband and children," "family," etc., will not be permitted.

Column 8 (*Nationality*).—The question proposed should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race to which each alien belongs.

Special attention should be paid to the distinction between race and the country of which citizen or subject. A native of Ireland may be a Celt, a Saxon, or a Hebrew, and a native of Germany may be a Hebrew, a Slav, or a Celt, as the case may be. The purpose is to ascertain the racial stock from which each alien has come, and not the country from which he has recently emigrated. Hebrews are frequently natives of countries in which they have not been allowed to own land, and they are therefore forced to become artisans or merchants. Many Hebrews are farmers, and many are laborers.

The following classification of races and peoples is believed to be sufficiently comprehensive for the purposes of this law, and it is requested that it be adhered to closely:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, his descendants, except those born in the islands of the West Indies, South or South America, and Europe. Any admixture of blood of the African Negro should be recorded under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po, in northern Italy, i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and to the provinces of Massa and Carrara, Leghorn, Lucca, Florence, Arezzo, Perugia, Pesaro, and Urbino, in the Marches, known as the Venetian and Modenese Provinces, Austria-Hungary, Switzerland, France, and San Marino, should be described as "Italian, north." Immigrants from Spain and San Marino should be described as "Spanish" and "San Marinese," respectively.

Column 11 (*Last permanent residence*).—The answer should be the name of the country in which the alien has last resided for one year or more. The habit of many aliens to return frequently to their native country, in search of employment, should be carefully noted. The question is not intended to refer to the last permanent residence of any alien, but to his last permanent residence. It is important for the purpose of the law that the number of aliens coming to the United States who have resided permanently in other countries should be ascertained. Strict compliance with this requirement is necessary to distinguish between immigrants and travelers.

Column 12 (*Final destination*).—The answer should show the city or State in the United States in which each alien intends to reside permanently. Aliens who have no definite knowledge of their destination should be reported as going to the place where they have the largest number of friends or relatives. Aliens who have no friends or relatives to go to should be reported as going to the place where they have the best opportunity to obtain employment. Aliens who intend to return to their native country after a temporary residence in the United States should be reported as going to the place of permanent residence in their native country.

Column 13 (*Whether having ticket to such final destination*).—The answer should be either Yes or No, or Ns or No ticket.

Column 14 (*Whether the alien was passage paid*).—The entry should show distinctly by whom passage was paid, as self, parents, husband, other relatives, friends, steamship company, etc.

Column 15 (*Whether in possession of $50 and if less how much*).—The amount should be stated in dollars and cents. Money brought by the head of a family should not be divided up among the several members of the family.

Columns 16–19 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether the alien has ever been in the United States before, and if so, the year or years and place or places (city and State).

Columns 20 (*Whether going to join or friends, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and address of relative or friend.

Columns 20 to 23.—These questions are self-explanatory, and the answers likewise. Whenever the alien is required to be examined by a medical officer, the entry should be made in answering question 22. If aliens have been deported without a hearing, and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, DR. NEUBERT, Surgeon of the S.S. YORCK, SAILING THEREWITH, do solemnly, sincerely, and truly SWEAR that I have had 15 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of FREIBURG, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 24 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

NOTE.—If a surgeon sails with the vessel this affidavit of certificate shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any alien mentioned herein must be noted before the manifest is finally executed.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. Number in party. — Steamship lines should make no entries in this column. The space is for use of inspector at the port of arrival.

Column 3. Name. — Each alien in this column should be counted in years or months, the latter applying to those under 1 year of age.

Column 4. Sex. — Enter the letter "M" for male or "F" for female.

Column 5. Married or single. — The answer should be "M" married, "S" single, "Wd" widowed, or "D" divorced.

Column 6. Calling or occupation. — The entry should describe as accurately as possible the occupation, trade or profession of each alien, except that no person employed for a limited time only, as such, should be returned as a laborer, and persons of all occupations having no special trade should be returned without occupation. Particular attention is directed to the necessity for avoiding the return of any alien as a laborer unless he is actually coming to the United States to perform labor for wages.

A farmer owning his farm, either free or mortgaged, is to be returned as a farmer.

A farmer working a farm for another person for wages or a share of the products is to be returned as a farm laborer.

Persons having no occupation, including children, are to be returned as having no occupation.

Column 7. Age. — Enter the age of each person living on his last birthday. If under 1 year, state age in months.

Column 8. Whether can read or not. — Every person who can read any language should be returned as able to read. Domiciled residents who have become literate by learning to read in the schools of the United States should be returned as able to read.

Column 9. Nationality. — Country of which a person is a native should be entered in this column. Where the birthplace is given in general terms, as "Austria," "Russia," "Turkey in Asia," or "British North America," specific answer is required, as to whether Bohemian or German, Finn or Russian, Armenian or Syrian, Canadian, English, Scotch, or Welsh is meant.

Column 10. Race or people. — See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs.

Special attention is invited to the importance of correctly reporting the country of which the person or immigrant last became a subject, and to the necessity for avoiding the return of any country other than that to which allegiance is actually owed. Thus, a native of Germany who has become a naturalized subject of France should be returned as a native of France. Persons born in Great Britain or Ireland should be carefully inquired of as to whether they are natives of England, Scotland, Ireland, Wales, or some other part of the British Empire, and returned accordingly. It should be borne in mind that the majority of persons born in Great Britain are of English race, and that persons born in Ireland are overwhelmingly of Irish race. Persons born in Germany are frequently of German race, but may be of Polish, Bohemian, or other race. Persons born in Austria are frequently of German race, but may be of Bohemian, Polish, Slovak, Croatian, Ruthenian, or other race. Persons born in Hungary are frequently of Magyar race, but may be of German, Croatian, Slovak, Roumanian, Ruthenian, or other race. Persons born in Turkey in Asia are frequently of Armenian race, but may be of Syrian, Arabian, Turkish, Kurdish, Greek, or other race. Persons born in Russia are frequently of Russian race, but may be of Finnish, Polish, Lithuanian, Lettish, German, Jewish, Bohemian, or other race. Persons born in Scotland are frequently of Scotch race, but may be of English, Irish, or other race. Persons born in Wales are frequently of Welsh race, but may be of English, Irish, or other race. Persons born in the British North American Provinces are frequently of English race, but may be of French, Irish, Scotch, German, or other race. Persons coming from the countries in Central and South America should be returned according to the race or people to which they belong. In this connection the following discriminations should be carefully observed:

CUBAN.

The term "Cuban" refers to the Cuban people and Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies, other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African race, whether coming from Cuba or other islands of the West Indies, South or South American countries, Africa, Asia, or elsewhere, and embraces all persons of the African Negro blood. All persons of mixed African and other blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to that portion of Italy north of the basin of the River Po, i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and cities of Leghorn, Massa, Carrara, Lucca, Pisa, Switzerland, Austria, and San Marino, and the city of Spezia, should be classed as "Italian (north)." Most of these people speak a Gallo-Italic dialect of the Romanic language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Leghorn, Tuscany, the Marches, Umbria, Rome, the Abruzzi, and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and cities of Spezia, Massa, Carrara, Lucca, Pisa, Switzerland, San Marino, and Sardinia should be classed as "Italian (south)."

Column 11. Last permanent residence. — A record of an alien's last residence in the year should constitute permanent residence. The last country in which such person resided with the intention of remaining one year or more should be stated particularly. Visits to other countries of a temporary character should not be considered as permanent residence. The object of the question is to ascertain definitely whether the alien has become a bona fide resident of the country from which he comes, or has merely been sojourning temporarily in such country for the purpose of escaping the immigration restrictions of the United States, or for other reasons, while really retaining residence in the country whence he came. It should be borne in mind that a residence of one year or more in Canada, Mexico, Cuba, or adjacent islands does not constitute a bona fide residence, as the object of the law is to prevent the immigration of persons likely to become public charges, and the fact of residence for one year or more in the countries mentioned is not sufficient to show that the immigrant is not likely to become a public charge. Persons coming from Canada, Mexico, Cuba, or adjacent islands, who have not resided in such countries for one year, should be carefully examined as to their intentions, and the fact carefully noted.

Column 12. Name and complete address of nearest relative or friend in country whence alien came. — The entry should give name and address of such relative. If no such relative living, state fact.

Column 13. Final destination. — The question shall show the intended future permanent residence. No stateless persons or those who shall constitute passengers in transit. The entry should show definitely the place intended as the intended future permanent residence, if within the United States — country, if outside the United States.

Column 14. Whether having ticket to said final destination. — The answer should be either Yes (ticket) or No (no ticket).

Column 15. Whether was passage paid. — The entry should show definitely by which passage was paid as well by steamship ticket, railroad, or other private or official transportation, also.

Column 16. Whether in possession of $50 and if not, by whom paid. — Answer should be yes or no. Money brought by the head of a family should not be considered as the property of the family.

Column 17. Whether ever before in the United States, and if so, when and where. — The entries should show whether or not "Yes" or "No" in the United States before, and if so, the year, or period of years and place, e. g., 1893, 1895–1897, Philadelphia.

Column 18. Whether going to join relatives or friends, and if so, what relatives or friends. — The answer should show whether going to join relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 32. — These questions are self-explanatory and the answers like all others on the sheet are subject to revision by inspector. Answers in the affirmative, need only be "Yes." However, in answering question 26, if alien has been deported heretofore, state fact and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, DR. NEUBERT, Surgeon of the S.S. YORCK, SAILING THEREWITH, (State whether Surgeon sailing therewith or employed by transportation company) do solemnly, sincerely, and truly SWEAR that I have had 15 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of FREIBURG, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 27 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, HARRY FEYN, MASTER, of the S.S. YORCK, from BREMEN, do solemnly, sincerely, and truly SWEAR that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 28 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax cents.* — Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4. *Age.* — Persons of this column should be expressed in years or months, the latter applying only to those infants under 1 year of age.

Column 5. *Sex.* — Put entry opposite Christian Name if female.

Column 6. *Married or single.* — The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7. *Calling or occupation.* — The entry should be such as correctly to describe the occupation (trade or profession) of each alien, whether he has a definite calling or not, and whether he has employment waiting him or not. Such terms as "laborer," "servant," "gentleman," "lady," "farmer," etc., are not sufficiently descriptive. Persons formerly engaged in any kind of business, but not actually employed at present, should be returned as "retired merchant," "retired manufacturer," etc. Persons of no occupation, such as children, should be returned as "none."

A distinction should be made between farmers and farm laborers, regardless of the amount of money owned by either class.

A laboring person who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm, generally by the month or year.

Servants, cooks, and nurses should be returned as such, whether employed in private families or hotels, restaurants, etc.

Clerks, salesmen, and persons employed in stores should be described as such, stating whether employed in wholesale or retail establishments, and what kind of goods they sell.

Persons having no occupation, but living on their income, should be returned as such, stating the character of the income, as "dividends," "interest on bonds," "rents," etc. Be sure to return each person specifically and distinctly as to occupation, and do not use such indefinite terms as "business man," "speculator," "capitalist," "manufacturer," "banker," "merchant," "agent," "official," "clerk," etc., unless the particular line of business is stated, as "cotton manufacturer," "wool merchant," "bank clerk," "grain speculator," etc. Question 9 should be considered in connection with this question, to ascertain of which nation he is a citizen or subject.

Column 10. *Race or people.* — See list of races printed on back of the sheet. The entry should show the race or people to which each alien belongs.

Special attention should be paid to the distinction between race and citizenship or nationality. The term "race" should not be confused with "nationality," "people," or "language." For example, a native of Wales, Ireland, Scotland, England, France, Germany, Sweden, Poland, Italy, Mexico, or any other country, should have written before his name one of the following words: Welsh, Irish, Scotch, English, French, German, Swedish, Polish, Italian, Mexican, or whatever may be his race or people. Under "Nationality of Immigrant" (column 9) he would be credited to Great Britain, France, Germany, Sweden, Poland, Italy, Mexico, or whatever country he came from. Under "Race or People" he would be credited to the Welsh, Irish, Scotch, English, French, German, Swedish, Polish, Italian, Mexican race or people, as the case might be. Under "Nationality of Immigrant" he would be credited to the United States of America if he were a citizen of the United States, and to Great Britain, Ireland, Germany, or Italy, or whatever country he came from, if he were a citizen of any one of those countries. In this connection the following distinctions should be carefully observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether a native of Africa or of the West Indies, North or South America, Europe, or Africa. Any admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are natives of that part of Italy north of the lower P[illegible] of the River Po [illegible] compartments of Piedmont, Lombardy, Venetia, and Liguria, and the provinces of Massa, Carrara, Lucca, Tuscany, Umbria, Marche, Aquila, Teramo, Abruzzi e Molise, and Campobasso, known as the Kingdom of Naples. [illegible] Italian (North)."

ITALIAN (SOUTH).

The people who are natives of that part of Italy south of the lower P[illegible] of the River Po [illegible] compartments of Piedmont, Lombardy, Venetia, and Liguria, and the provinces of Massa, Carrara, Lucca, Tuscany, Umbria, Marche, Aquila, Teramo, Abruzzi e Molise, and Campobasso, known as the Kingdom of Naples. [illegible] Italian (South)."

Column 11. *Last residence.* — [illegible] permanent residence. [illegible] permanent residence. [illegible] United States. [illegible] permanent residence. If withdrawing United States [illegible].

Column 19. *Whether coming to join husband or parent and if so, what relative or friend.* — The answer should show whether [illegible] husband, father, or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 28. — These questions are self-explanatory and the answers, like all others on the sheet, are subject to be verified by inquiries abroad on the consular certificates. [illegible] to answering question 28, if alien has been [illegible] and [illegible] the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, DR. NEUBERT, Surgeon of the S.S. AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, HARRY FEYN, MASTER, of the S.S. YORCK, from BREMEN, do solemnly, sincerely, and truly SWEAR that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 26 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.* — Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4. *Age.* — The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. *Sex.* — The entry should be either M (male) or F (female).

Column 6. *Married or single.* — The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7. *Calling or occupation.* — The entry should describe as accurately as possible the occupation, trade, or profession of each person one year or more of age, whether employed or not. Persons employed in any kind of work, however humble, should not be returned as having no occupation, but should be credited with the work they do. Such designations as laborer, servant, or maid are not sufficiently descriptive.

Wife should be entered as keeping house, and children as attending school, or at home, as the case may be.

Farmer is one who operates a farm, either for himself or for others.

A boy working on a farm for wages should be returned as a farm laborer.

Seamen or stewardesses should be described as such, and not as passengers.

Each person should be returned by the occupation at which he or she will be employed in the country of future intended residence, and not by the occupation followed in the country from which he or she comes.

Column 8. *Nationality.* — Read what is said under "Race or people" in the next paragraph. By nationality is meant the allegiance of the person to the country or government under which he or she was born and to which he or she owes allegiance at the time of coming to the United States. Thus a native of Ireland, Scotland, Wales, England, or Canada, who has become naturalized as a citizen of the United States, should be returned as a citizen of the United States, and not as a native of Ireland, Scotland, Wales, England, or Canada, as the case may be.

Column 9. *Nationality of persons.* — Column 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.* — See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs.

Special attention should be called to the instructions between races and those stocks from which citizens or subjects of foreign countries of the first part are frequently classified by steamship companies. Thus natives of Scotland should be returned as Scotch, and not as British, English, Irish, Welsh, or Canadian, unless they belong to one of the races or peoples specified herein. Natives of Bohemia, Germany, Austria, or Hungary should be returned as Bohemian or Moravian, German, Austrian, Hungarian, Croatian, Slovak, Dalmatian, Bosnian, Herzegovinian, or Magyar, as the case may be, and not merely as subjects of Austria-Hungary, Germany, or Turkey, or as natives of Austria, Hungary, Germany, or Turkey, as the case may be.

Natives of Mexico, Cuba, Porto Rico, Central or South America, or the West Indies should be returned as Mexican, Cuban, Porto Rican, Central American, South American, or West Indian, as the case may be, and not merely as natives of Mexico, Cuba, Porto Rico, Central America, South America, or the West Indies.

Natives of the Philippine Islands should be returned as Filipinos.

Natives of Turkey in Asia should be returned as Armenian, Syrian, Arabian, Palestinian, Turkish, Kurdish, Persian, Chaldean, Assyrian, Hebrew, or Jewish, as the case may be, and not merely as natives of Turkey.

Natives of India should be returned as Hindu, East Indian, Parsee, Afghan, Beluchistanese, Cingalese, Bengalese, Punjabi, Pathan, Kashmiri, Siamese, Malay, Burmese, Tamil, Telugu, Singhalese, Nepalese, Annamese, or Japanese, as the case may be, and not merely as natives of India.

Natives of Scotland, Wales, England, Ireland, Canada, Australia, New Zealand, Tasmania, Africa, Asia, Europe, Germany, Austria-Hungary, Turkey, Mexico, Cuba, Porto Rico, Central America, South America, the West Indies, the Philippine Islands, India, China, Japan, Siam, Turkey in Asia, or any other country, should be returned as such.

Column 11. *Last permanent residence.* — A final answer to this question should be the name of the country which the alien regards as his permanent home, even though he may intend to remain here only a few years. The purpose of this question is to show whether the alien is a bona fide immigrant, or merely a visitor. It is important for statistical purposes that the permanent residence of each alien be correctly shown. Last permanent residence should be stated by countries, even in case of Canada, Cuba, and Mexico.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning to that country should be the United States.

Column 12. *Name and complete address of relative or friend in country whence alien came.* — The entry should give name and address of such relative. If unable to give name and address, state kind of friend.

Column 13. *Final destination.* — The answer to this question should show the intended future permanent residence. An intended residence of one year should be considered sufficient. If any doubt or uncertainty exists as to the place of intended future permanent residence, it will be safe to write the name of the city in the United States.

Column 14. *Whether having a ticket to final destination.* — The answer should be either Yes (ticket) or No (no ticket).

Column 15. *Whether in possession of $50 and if not, by whom amount was furnished.* — The entry should show whether the alien has $50 in his possession, and if not, by whom the amount was furnished.

Column 16. *Whether going to join a relative or friend, and if so, what relative or friend, and his name and complete address.* — The answer should show whether the person is going to join a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to 20. — These questions are self-explanatory, and the answers to all others on the sheet are subject to examination by immigrant inspectors at the ports of entry. However, to answer the questions 17, 18, and 19 in the affirmative will not insure admission to any alien who is found to be otherwise inadmissible under the immigration laws. Nor will a negative answer to any of these questions necessarily result in the refusal of admission to any alien who is found to be clearly and beyond question entitled to admission under the immigration laws. Nevertheless, any alien who has been previously excluded and deported on the ground that he was a contract laborer, or who has been deported at the expense of the United States Government or of any State or municipality within the United States, will be excluded and deported if he returns to, or attempts to enter, the United States, unless prior to his application for admission the Secretary of Labor has consented to his reapplying for admission.

CUBAN

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK)

"African (black)" refers to the African Negro, whether coming from Cuba or one of the islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH)

The people who are natives of the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Liguria, Lombardy, Venezia and Emilia), and their descendants, whether residing in the Southern-land Austrian provinces, or any other countries, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are natives of that portion of Italy south of the basin of the River Po (i. e., compartimenti of Tuscany, the Marche, Umbria, Lazio, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia), and their descendants, should be classed as "Italian (south)."

Column 11. *Last permanent residence.* — A final answer to this question should be the name of the country which the alien regards as his permanent home, even though he may intend to remain here only a few years. The purpose of this question is to show whether the alien is a bona fide immigrant, or merely a visitor. It is important for statistical purposes that the permanent residence of each alien be correctly shown. Last permanent residence should be stated by countries, even in case of Canada, Cuba, and Mexico.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning to that country should be the United States.

Column 12. *Name and complete address of relative or friend in country whence alien came.* — The entry should give name and address of such relative. If unable to give name and address, state kind of friend.

Column 13. *Final destination.* — The answer to this question should show the intended future permanent residence. An intended residence of one year should be considered sufficient. If any doubt or uncertainty exists as to the place of intended future permanent residence, it will be safe to write the name of the city in the United States.

Column 14. *Whether having a ticket to final destination.* — The answer should be either Yes (ticket) or No (no ticket).

Column 15. *Whether in possession of $50 and if not, by whom amount was furnished.* — The entry should show whether the alien has $50 in his possession, and if not, by whom the amount was furnished.

Column 16. *Whether going to join a relative or friend, and if so, what relative or friend, and his name and complete address.* — The answer should show whether the person is going to join a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to 20. — These questions are self-explanatory, and the answers to all others on the sheet are subject to examination by immigrant inspectors at the ports of entry. However, to answer questions 17, 18, and 19 in the affirmative will not insure admission to any alien who is found to be otherwise inadmissible under the immigration laws. Column 6, Married or single. The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7, Whether a polygamist. The entry should show only as ascertained as passed by the examination board, or as stated on the manifest or as foreseen by the steamship company. Such a statement does not imply any obligation upon the steamship company to ascertain the fact of polygamy, which is a matter for the immigrant inspector to determine.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown as follows:

A farmer is one who owns a farm, either free and unencumbered or subject to mortgage.

A farm laborer is one who works on a farm as a laborer for wages paid by the year or month.

Steamship companies are cautioned that entries in the manifests and corrections should be made, if possible, by persons who have personal knowledge concerning the passengers and entries in the manifests.

Column 8, Nationality and race. These terms are not synonymous. Nationality refers to the country to which an alien owes allegiance. Race has to do with descent and physical characteristics. By answering this question the immigrant should state the country to which he owes allegiance, if any, and not the race to which he belongs. Persons born in Great Britain or Ireland should state whether they are English, Scotch, Irish, Welsh, or Scotch-Irish, according to the statement of the alien himself. Persons born in the Dominion of Canada should state whether they are Canadians, Canadian-French, or Canadian-Scotch, as the case may be. Persons born in Mexico should state whether they are Mexicans or Indians. Persons born in Cuba should state whether they are Cubans, Cuban-Spanish, Cuban-Negroes, or Cuban-Indians. Persons born in Turkey should state whether they are Turks, Armenians, Syrians, Arabs, Kurds, Albanians, Greeks, Bulgarians, Servians, Montenegrins, Roumanians, Macedonians, Croatians, Slovenians, Dalmatians, Herzegovinians, or Bosnians. Persons born in Austria-Hungary should state whether they are Austrians, Hungarians (Magyars), Germans, Bohemians (Czechs), Moravians (Czechs), Slovaks, Polish, Ruthenians (Russniaks), Croatians, Slovenians, Dalmatians, Herzegovinians, or Bosnians. Persons born in the German Empire should state whether they are Germans, Alsatians, Lorrainers, Poles, Prussians, Saxons, Bavarians, Wurtembergers, Hessians, Mecklenburgers, etc. Persons born in Russia should state whether they are Russians, Finns, Poles, Lithuanians, Germans, Jews, Lettons, Ruthenians (Russniaks), Georgians, Armenians, Tartars, Caucasians, Siberians, etc. Persons born in Norway should state whether they are Norwegians, Lapps, Finns, etc. Persons born in Sweden should state whether they are Swedes, Lapps, Finns, etc. Persons born in Asia should state whether they are Chinese, Japanese, Hindus, Asiatic Turks, Syrians, Arabs, Armenians, Persians, Afghans, Beluchistanis, Asiatic Russians, Siberians, Georgians, Caucasians, etc. Persons born in Africa should state whether they are Egyptians, Abyssinians, Liberians, Kroomen, Zulus, Fantis, Ashantis, Krus, Bassas, Congoese, Portuguese, Barbary Moors, Arabs, Berbers, Kabyles, Tuaregs, Touaregs, Soudanese, Nubians, Fulahs, Senegambians, Mandingoes, Timmanees, Foulahs, Bondus, Gallinas, Sherbros, Grebos, Kossoos, Quoias, Pessehs, Basutos, Bechuanas, Barotse, Matabeles, Mashonas, Makalakas, Angolese, Ovambos, Damaras, Hottentots, Bushmen, Somalis, Gallas, Shangallas, Abyssinians, Nubians, Kordofans, Bongos, Monbuttoos, Akkas, Niam-Niams, Mombuttoos, Madis, Dinkas, Shillooks, Kavirondos, Wagandas, Wanyoros, Wanyamwezis, Masais, Wakambas, Wanikas, Wataitas, Wakikuyus, Wakambas, Wadigos, Wapokomos, Wasanjas, Wanyikas, Wapokomos, Wasanjas, Wanyikas, Wapokomos, Wasanjas, Wanyikas

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, HARRY FEYN, MASTER *, of the* S.S. YORCK *, from* BREMEN *, do solemnly, sincerely, and truly* SWEAR *that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets,* 27 *in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.*

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.* — Steamship lines should make no entries in this column. The space is for use [illegible]

Column 4. *Age.* — The entries in this column should be expressed in years or months, the latter applying only [illegible]

Column 5. *Sex.* — The entry should be either M (male) or F (female).

Column 6. *Married or single.* — The entries should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7. *Calling or occupation.* — The entry should describe as accurately as possible the actual occupation of each alien, whether professional, skilled, or unskilled, as, for example, lawyer, tailor, seamstress, baker, bookkeeper, engineer, farmer, laborer, servant girl, etc., and not simply as gentleman, lady, student, worker, or the like, unless one of these terms correctly describes the alien.

A person who devotes his time to various occupations, part of the time to each, should be described as following that occupation to which he devotes the greater part of his time.

A farmer is one who operates a farm, either for himself or for others.

A laborer is one who performs work requiring no special skill, as a common laborer.

Servants, porters, waiters, and barbers should be so described, and not as employees.

Clerks, salesmen, and persons of similar occupations should be so described, unless connected with some manufacturing establishment, in which case the word "employee" should be used.

Every person engaged in any mercantile establishment, as proprietor, partner, or clerk, should be described as a merchant.

Every person who is employed in any manufacturing establishment, and who works at any trade, should be described as a mechanic, specifying the particular kind of mechanic he is, as carpenter, cabinetmaker, tailor, etc.

Column 8. *Able to read or write.* — This question is to be answered "Yes" or "No." Under the act the question is, "Can you read?" If the person can read any language or dialect, the answer is "Yes." In determining the question the immigrant may be required to read a few words in the English language or in his native tongue, at the option of the inspector. Persons who can read and who are exempt from the test are to be reported as able to read. Persons who cannot read and who are exempt from the test are to be reported as unable to read.

Column 9. *Nationality.* — Question 9 should be construed to mean the country of which each alien is a citizen or subject.

Column 10. *Race or people.* — See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs.

Special attention should be paid to the distinction between race and the country of which a person is a citizen or subject. For instance, natives of Ireland, England, Scotland, and Canada should be described, respectively, as Irish, English, Scotch, and Canadian, the word "Celtic," "Anglo-Saxon," "Gaelic," or "French" appearing under the heading of race or people, as the case may be. [illegible] Jews, whether from Russia, Germany, or elsewhere, should be described as Hebrews under the heading of race or people. Natives of Bohemia should be described as Bohemians, and not as Austrians, Germans, or Hungarians, unless they are in fact citizens or subjects of one of those countries. Natives of Scotland should be described as Scotch, and not as natives of Great Britain, England, or any other country. In this connection the following discussion should be carefully observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether native from Africa or from the other islands of the West Indies, South or Central America, or elsewhere. Any alien with admixture of African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the Rivers Po [illegible] comprising the provinces of Piedmont, Liguria, Lombardy, Venetia, and Emilia and those districts in the Provinces of Massa and Carrara, Lucca, Tuscany, and Umbria and those districts in the Provinces of Pesaro and Urbino, Forli, Ravenna, Bologna, Ferrara, Arezzo, and Perugia which are situated north of the Apennine Mountains should be described as Italians (north). Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are natives of that portion of Italy south of the basin of the Rivers Po [illegible] comprising the provinces of Leghorn, Pisa, Florence, and Siena and those districts in the Provinces of Massa and Carrara, Lucca, Tuscany, and Umbria and those districts in the Provinces of Pesaro and Urbino, Forli, Ravenna, Bologna, Ferrara, Arezzo, and Perugia which are situated south of the Apennine Mountains, Rome, Aquila, Teramo, and Campobasso, and the districts of Benevento, Caserta, Naples, Avellino, Salerno, Potenza, Catanzaro, Cosenza, Reggio di Calabria, Trapani, Palermo, Girgenti, Caltanissetta, Catania, Siracusa, Messina, and Trapani should be described as Italians (south). Most of these people speak a Latin dialect of the Italian language.

Column 11. *Last permanent residence.* — A literal answer to this question should be given. The entry should not be "America" or "United States," but should be the town and State in which the alien has his home. The entry should not be "Europe," but should be the country of which the alien is a native. Persons who have resided in Canada, Mexico, Cuba, Porto Rico, Central America, South America, Europe, Asia, Africa, Australia, or Oceanica for one year or more should be described as residents of the country in which they have resided. Persons who have resided in the United States for one year or more and who have gone abroad for a temporary purpose only should be described as residents of the United States. Persons who have gone abroad for a temporary purpose, intending to return to the United States, should be described as residents of the United States. Persons who have resided in the United States for one year or more, and who have gone abroad with the intention of residing permanently in some country other than the United States, should be described as residents of such country.

Column 12. *Whether going to join relatives or friends, and if so, what relatives or friends, and their names and complete addresses.* — The entry should show whether the alien is going to join relatives or friends in the United States, and if so, what relatives or friends, with their names and complete addresses. The entry should not be limited to the immediate family, but should include relatives by blood or marriage, such as uncles, aunts, cousins, nephews, nieces, in-laws, etc. The entry should also show the name and address of such relative or friend giving the surname and address of each.

Column 13. *Final destination.* — The answer to this question should show the intended future permanent residence. An intended residence of one month, six months, or one year is not permanent residence. The entry should never be "America," "United States," or "Canada," but should be the name of the city or town in the United States where the alien intends to make his permanent residence. If within the United States, the entry should give name and address of friend or relative. Here, as in relative giving destination and address of friend.

Column 14. *Whether having a ticket through to final destination.* — The answer should be either Yes (ticket) or No (no ticket).

Column 15. *Whether any person paid passage.* — The entry should show if paid by the person whose passage was paid. If paid by relative, friend, employer, or other person, state relationship, if any, of the person who paid.

Column 16. *Whether in possession of $50 and if not, how much less.* — The answer should be Yes or No. If the answer is No, the entry should show how much less than $50 the alien has in his possession. Money brought by the head of a family should not be reported as that of each member of the family.

Column 17. *Whether ever before in the United States and if so, when and where.* — The answer should show whether or not the alien has been in the United States before, and if so, the year, or period of years, and place as near as he can state.

Column 18. *Whether going to join a relative or friend, and if so, what relative or friend.* — The answer should show whether or not the alien is coming to join a relative or friend, and if so, what relative or friend, with name and complete address of such relative or friend.

Columns 20 to 27. — These questions are self-explanatory and the answers should show whether the aliens are subject to reasons for exclusion as defined by the immigration act of 1907. However, in an extreme case, if aliens have been deported once from any port and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, HARRY FEYN, MASTER (Master, Second Officer, or Second Officer) of the S.S. YORCK, from BREMEN, do solemnly, sincerely, and truly SWEAR that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 26 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.* Steamship lines should make no entries in this column. The space is for use of Government officers only.

Column 3. *Last permanent residence.* In this column should be expressed the name of the last country in which the alien actually had a home.

Column 4. *Destined to (city).* The city should be either Montreal or Winnipeg.

Column 5. *Ultimate destination.* The answer should be either Montreal, Winnipeg, or Undetermined.

Column 7. *Calling or occupation.* The entry should describe as accurately as possible the occupation, trade, or profession of each alien named. Any one of these terms may be used: Actor, Artist, Author, Baker, Barber, Blacksmith, Bricklayer, Butcher, Carpenter, Clergyman, Clerk, Cook, Dressmaker, Engineer, Farmer, Fireman, Housekeeper, Laborer, Lawyer, Machinist, Mason, Merchant, Miller, Miner, Musician, Painter, Peddler, Physician, Plasterer, Porter, Saddler, Sailor, Servant, Shoemaker, Stonecutter, Tailor, Tinsmith, Weaver, Wheelwright, or Without occupation.

A distinction should be made between laborers and farm laborers, regardless of the amount of money shown in possession.

A farmer is one who owns or rents a farm, either for himself or others.

A farm laborer is one who works on a farm for wages, either by the year or month.

Skilled workers in any trade should be described as carpenters, engineers, etc., and not as laborers. Particular care should be taken to distinguish between skilled and unskilled workers. Mere laborers should be described as laborers, even though they may have been employed during the greater part of their lives at some trade.

Persons without occupation should be entered as such. Under no circumstances should a child be described as having no occupation.

Column 8. *Can read?* Answer Yes or No.

Column 9. *Can write?* Answer Yes or No.

Column 10. *Place of birth.* The name of the country in which the alien was born should be entered, and not the name of the province, city, or town. Care should be taken to distinguish between countries and cities bearing the same name, as, for example, Luxemburg, the country, and Luxemburg, the city in Belgium.

Column 11. *Race or people.* See list of races printed on back of the sheet. The entry should show the race to which each alien belongs.

Several questions should be asked to determine between race and the country of which he may be a subject, as a native of a country is not always of the race which predominates in that country. For example, natives of Scotland may belong to the Celtic, Teutonic, Anglo-Saxon, or Gaelic race, according to the family from which they are descended. Natives of Austria may belong to the Slavonic, Teutonic, Magyar, Latin, Celtic, Roumanian, Armenian, Jewish, or Bohemian race, according to the district from which they come. Natives of Turkey may belong to the Turkish, Armenian, Greek, Arabic, Jewish, Roumanian, Albanian, Kurdish, Circassian, Georgian, Bulgarian, Servian, or Montenegrin race, according to the district from which they come. Natives of Russia may belong to the Russian, Finnish, Polish, Lithuanian, Jewish, Lettish, Bohemian, Armenian, Georgian, Tartar, Circassian, Roumanian, Bulgarian, or Servian race, according to the district from which they come. Natives of Germany may belong to the Teutonic, Slavonic, Wendish, Polish, Bohemian, Lithuanian, Jewish, Roumanian, Magyar, Celtic, Latin, Danish, Flemish, or Netherlandish race, according to the district from which they come. Natives of Ireland may belong to the Celtic, Anglo-Saxon, or Gaelic race, according to the family from which they are descended. Natives of Spain may belong to the Spanish, Basque, Celtic, Latin, Moorish, Jewish, Roumanian, Gypsy, or Portuguese race, according to the district from which they come. Natives of Portugal may belong to the Portuguese, Spanish, Celtic, Latin, Moorish, Jewish, Roumanian, Gypsy, or Basque race, according to the district from which they come. Natives of Italy may belong to the Italian, Latin, Celtic, Greek, Albanian, Jewish, Roumanian, Gypsy, Slavonic, Spanish, Basque, Armenian, Turkish, Arabic, or Moorish race, according to the district from which they come. Natives of Greece may belong to the Greek, Albanian, Turkish, Roumanian, Jewish, Armenian, Gypsy, Bulgarian, Servian, Latin, Slavonic, Arabic, or Moorish race, according to the district from which they come. Natives of Roumania may belong to the Roumanian, Magyar, Jewish, Gypsy, Armenian, Greek, Albanian, Turkish, Bulgarian, Servian, Russian, Polish, Lithuanian, Lettish, Finnish, Bohemian, Slavonic, Wendish, Latin, Celtic, Arabic, or Moorish race, according to the district from which they come. Natives of Bulgaria may belong to the Bulgarian, Servian, Turkish, Roumanian, Jewish, Armenian, Greek, Albanian, Gypsy, Russian, Polish, Lithuanian, Lettish, Finnish, Bohemian, Slavonic, Wendish, Latin, Celtic, Arabic, or Moorish race, according to the district from which they come. Natives of Servia may belong to the Servian, Bulgarian, Turkish, Roumanian, Jewish, Armenian, Greek, Albanian, Gypsy, Russian, Polish, Lithuanian, Lettish, Finnish, Bohemian, Slavonic, Wendish, Latin, Celtic, Arabic, or Moorish race, according to the district from which they come. Natives of Albania may belong to the Albanian, Greek, Turkish, Roumanian, Jewish, Armenian, Gypsy, Bulgarian, Servian, Latin, Slavonic, Arabic, or Moorish race, according to the district from which they come. Natives of Turkey in Asia may belong to the Turkish, Armenian, Arabic, Kurdish, Circassian, Georgian, Jewish, Roumanian, Bulgarian, Servian, Greek, Albanian, Gypsy, Persian, Afghan, Russian, Polish, Lithuanian, Lettish, Finnish, Bohemian, Slavonic, Wendish, Latin, Celtic, or Moorish race, according to the district from which they come. Natives of Arabia may belong to the Arabian, Bedouin, Turkish, Hebrew, Abyssinian, Negro, Berber, Armenian, Kurdish, Persian, Afghan, Egyptian, Syrian, Jewish, Roumanian, Bulgarian, Servian, Greek, Albanian, Gypsy, Russian, Polish, Lithuanian, Lettish, Finnish, Bohemian, Slavonic, Wendish, Latin, Celtic, Abyssinian, or Moorish race, according to the district from which they come. Natives of Persia may belong to the Persian, Afghan, Arabic, Kurdish, Armenian, Circassian, Georgian, Jewish, Roumanian, Bulgarian, Servian, Greek, Albanian, Gypsy, Turkish, Russian, Polish, Lithuanian, Lettish, Finnish, Bohemian, Slavonic, Wendish, Latin, Celtic, Arabic, or Moorish race, according to the district from which they come. Natives of India may belong to the Hindu, Bengalee, Tamil, Telugu, Marathi, Punjabi, Pathan, Afghan, Persian, Arabic, Kurdish, Armenian, Jewish, Roumanian, Bulgarian, Servian, Greek, Albanian, Gypsy, Turkish, Russian, Polish, Lithuanian, Lettish, Finnish, Bohemian, Slavonic, Wendish, Latin, Celtic, Arabic, or Moorish race, according to the district from which they come. Natives of China may belong to the Chinese, Mongolian, Tartar, Thibetan, Malay, or Japanese race, according to the district from which they come. INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Last name first, and then the given name or names.* Surnames should be entered in the column headed "Last name first," and the given name or names in the column headed "Full name." Initials may be used for middle names, but the full surname must be written.

Column 3. *Whether married or single.* The answer should be M, married; S, single; Wd, widowed; or D, divorced.

Column 4. *Calling or occupation.* The entry should show the occupation of each person, if any, as laborer, servant, clerk, etc. Persons having no occupation should be entered as having none. Wives should not be returned as having no occupation merely because they perform the ordinary household duties, unless they have no other occupation. Do not use such terms as housekeeper, housewife, housework, etc., as the word married, etc., indicates sufficiently the nature of the occupation.

Column 5. *Age at last birthday.* Write the age of each person as of his last birthday before coming. Infants under 1 year old should be returned as 1 month, 2 months, etc., according to the fact.

Column 6. *Whether able to read or write.* Every person 14 years of age and over (unless prevented by physical condition) must read and write some language. Answer in the affirmative unless you have positive knowledge to the contrary.

Column 7. *Nationality.* Write the name of the country to which each person belongs, as England, Scotland, Ireland, Germany, France, Sweden, Russia, Poland, Turkey, Greece, Italy, Spain, Portugal, Austria, Hungary, Belgium, Holland, Switzerland, Norway, Denmark, Mexico, China, Japan, India, Arabia, Africa, Australia, etc. Do not use such terms as European, Asiatic, Oriental, Slavonian, Teutonic, Celtic, Latin, Anglo-Saxon, Hebrew, Negro, Colored, Mulatto, Quadroon, Octoroon, etc., as they do not indicate nationality.

Column 8. *Last residence.* Write the name of the country which each person has come from to the United States. Do not enter the name of a city, town, or village, unless the person has resided there for a year or more. Do not enter such terms as Europe, Asia, Africa, Australia, etc., as they do not indicate nationality.

Column 9. *Intending to become a citizen, or which alien not a citizen, or subject.* Write "Yes" or "No" as the fact may be. Do not enter "Declarant," "Alien," "Citizen," or "Subject."

Column 10. *Race or people.* See list of races printed on back of the sheet. The entry should show the race or people to which each person belongs, as Anglo-Saxon, Irish, Scotch, Welsh, English, German, French, Swedish, Russian, Polish, Turkish, Greek, Italian, Spanish, Portuguese, Austrian, Hungarian, Belgian, Dutch, Swiss, Norwegian, Danish, Mexican, Chinese, Japanese, Hindu, Arabian, African, Australian, Indian, Negro, Colored, Mulatto, Quadroon, Octoroon, etc. Do not enter such terms as Asiatic, Oriental, Slavonian, Teutonic, Celtic, Latin, Anglo-Saxon, Hebrew, Caucasian, Mongolian, Malay, Ethiopian, Semitic, Hamitic, etc., as they do not indicate race or people. Under the law immigrants belong to the race or people of the country from which they last came to the United States, regardless of the country of their birth or of which they may be citizens or subjects. Thus, a native of Germany who has resided in England for a year or more before coming to the United States belongs to the English race or people, and a native of England who has resided in Germany for a year or more before coming to the United States belongs to the German race or people. Natives of Ireland, Scotland, and Wales should be returned as Irish, Scotch, and Welsh, respectively, regardless of their parentage or of the country from which they came to the United States. AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, HARRY FEYN, MASTER (State whether Master, First officer, or Second officer), of the S.S. YORCK, from BREMEN, do solemnly, sincerely, and truly SWEAR that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 21 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*). Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*). The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*). The entry should be either M (male) or F (female).

Column 6 (*Married or single*). The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*). The entry should describe as accurately as possible the occupation, trade, or profession of each alien, as for example: Clerk, farmer, shoemaker, tailor, merchant, grocer, butcher, painter, blacksmith, carpenter, engineer, laborer, servant, etc., and not simply a general term, such as "mechanic," "laborer," "dressmaker," "manufacturer," or "servant."

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the owner or operator.

Stockmen, gardeners, etc., should be similarly distinguished, as to ownership, management, or labor.

Capitalists, *gentlemen*, etc. The following terms should not be used to describe persons engaged in any occupation: Capitalist, gentleman, lady, etc. If a person is of leisure, or depends upon his parents or relatives for support, the fact should be stated. If a child is attending school, the name of the school should be given.

Children and infants should be listed according to the occupations of those responsible for their support, as "child," "infant," "son," "daughter," "baby," etc.

Column 8 (*Nationality*). Question 8 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*). See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs.

Special attention should be paid to the distinction between race and the country of which citizen or subject. Discovery of law permitting registration and entry of Greek and Armenian subjects only as natives of Turkey in Europe or Asia, respectively, has emphasized importance of proper designation of race or people in the manifest. For instance, Syrians, applying under the head of Turkey in Asia, Greeks under that of Turkey in Europe, Armenians, or Hebrews, irrespective of country whence coming, should be described as belonging to their race or people, and not as citizens or subjects of Turkey, Greece, Russia, or any other country. In this connection the following should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

West Indian refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any admixture of blood of the African Negro should be classified under this heading.

ITALIAN, NORTH.

The people who are native to the basin of the River Po in northern Italy (i.e., compartments of Piedmont, Lombardy, Venetia, and Liguria, and those born of parents temporarily residing in France, Switzerland, Austria, or any other country, should be classed as "Italian, north." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN, SOUTH.

The people who are native to that portion of Italy south of the basin of the River Po (i.e., compartments of Tuscany, Umbria, the Marches, Latium, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their dependencies) should be classed as "Italian, south."

Column 11 (*Immigrant or non-immigrant*). A "non-immigrant" is an alien entitled to enter the United States solely and purely as a temporary visitor for business or pleasure, under the proper documentary requirements, and who establishes to the satisfaction of the inspection officers that he intends to depart from the United States after a temporary stay sufficient for the consummation of the object of his visit. All other aliens are immigrants.

Column 12 (*Whether going to join a relative or friend, and if so, what relative or friend*). The answer should show whether going to join father, mother, husband, wife, child, brother, sister, grandparent, uncle, aunt, cousin, or other relative or friend, and if so, what relative or friend, with name and complete address.

Column 13 (*Ever in U. S.*). These questions are self-explanatory and the answers, like all others in the sheet, are subject to verification by the officers at the examination of aliens. However, in answering question 20, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, DR. NEUBERT, Surgeon of the S.S. YORCK, SAILING THEREWITH, do solemnly, sincerely, and truly SWEAR that I have had 15 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of FREIBURG, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 29 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

LIST OF RACES OR PEOPLES

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, HARRY FEYN, MASTER, of the S.S. YORCK, from BREMEN, do solemnly, sincerely, and truly SWEAR that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 29 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

MASTER ~~officer~~.

Sworn to before me this 18 day of [illegible], 19 22

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. Head tax status. Steamship lines should make no entries in this column. The space is for use of Government officers only.

Column 3. Family name. The surname or family name of each alien should be entered in this column, and the given name or names should be entered in column 4.

Column 4. Given name and middle initial. Plainly write the given name or names in full, and the middle initial, if any.

Column 5. Age. Write the age of the alien at his last birthday before sailing.

Column 6. Sex. Place a mark in the proper column to indicate whether male or female.

Column 7. Married or single. The answer should be M, married, S, single, Wd, widowed, or D, divorced.

Column 8. Calling or occupation. The entry should describe as accurately as possible the occupation (trade, profession, or other calling) of each alien, whether he is a skilled or unskilled laborer, merchant, professional man, tailor, teacher, farmer, servant, clerk, etc., and not simply laborer, gentleman, lady, student, child, or housewife.

A distinction should be made between farmers and farm laborers, and those of the amount of money shown, if any.

A laborer is one who operates a farm, either for himself or for others.

A farmer is one who owns a farm, or rents land for the purpose of cultivating it.

Skilled persons should be distinguished from unskilled, as the case may be, and care should be taken that the terms specified in the law are correctly used. In describing the occupation of a woman, the terms "housework," "housekeeper," "housewife," or "none" are not sufficient. Return what her occupation was before she married, or if she has been employed since marriage, state the nature of her employment. Do not enter "housework" unless she is employed as a domestic servant. Question 3 should be answered to show the status of each alien as a citizen or subject.

Column 10. Race or people. See list of races printed on back of the sheet. The entry should show the race or people to which each alien belongs. Do not enter "American" unless the alien is a citizen of the United States. Do not enter "Hebrew" as a race or people. Specify whether Jewish immigrants are Russian Hebrews, German Hebrews, English Hebrews, etc. Immigrants from Spain, Portugal, Mexico, Cuba, Central America, South America, or the West Indies should not be returned as "Spanish," but as Spanish-American, Portuguese, Cuban, West Indian, Central American, South American, Mexican, as the case may be. Natives of Scotland should be returned as Scotch, natives of Wales as Welsh, natives of Ireland, except Northern Ireland (Ulster), as Irish, natives of Northern Ireland (Ulster) as Irish (Ulster), natives of England as English, natives of India as Hindu, East Indian, or Indian, as the case may be. Natives of Germany, Austria, Hungary, Bohemia, Moravia, Galicia, Poland, Russia, Finland, Lithuania, Bulgaria, Servia, Montenegro, Roumania, Greece, Portugal, Spain, Italy, Holland, Belgium, Switzerland, Norway, Sweden, Denmark, Iceland, Turkey, Syria, Arabia, Africa, Australia, China, Japan, Mexico, Cuba, Central America, South America, West Indies, and all other countries, should be returned according to the races or peoples of the inhabitants. Natives of Canada, Newfoundland, or any other country, should be returned as the race or people to which they belong, whether English, French, German, Irish, Scotch, Welsh, Hebrew, Italian, Bohemian, Hungarian, Polish, Russian, Finnish, Lithuanian, Bulgarian, Servian, Montenegrin, Roumanian, Greek, Portuguese, Spanish, Italian, Dutch, Belgian, Swiss, Norwegian, Swedish, Danish, Icelandic, Turkish, Syrian, Arabian, African, Australian, Chinese, Japanese, Mexican, Cuban, Central American, South American, West Indian, or any other race or people, as the case may be. Do not return any alien as a citizen of the United States unless he has been duly naturalized or has acquired citizenship through the naturalization of parents, or unless he was born in the following-described possession of the United States, namely:

CUBAN

The term "Cuban" refers to the Cuban people and Negroes.

WEST INDIAN

"West Indian" refers to the people of the West Indies, other than either Cubans or Negroes.

SPANISH AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK)

"African (black)" refers to the Negroes who have come from Africa, and to the descendants of the West Indian Negroes or South American Negroes who have come to the United States. Any alien of negro features or blood of the African Negro should be classified under this heading.

ITALIAN (NORTH)

The people who are natives of the basin of the River Po in Northern Italy, i. e., the provinces of Piedmont, Liguria, Lombardy, Venetia, and Emilia, and those who were born in the former Austrian provinces of Trentino, Venezia Giulia, and Istria, or any other people claimed by Austria as "Austrian subjects," should be returned as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH)

The people who are natives of that portion of Italy south of the basin of the River Po, i. e., the provinces of Tuscany, Umbria, the Marches, Latium, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and those who were born in the city of Rome, Italy, are to be returned as "Italian (south)."

Column 11. Last permanent residence. Return the last permanent residence of each alien, whether in the United States or in a foreign country. The answer should be the name of the city, town, or village, and the State or country. Do not enter "United States" unless the alien has resided therein for a permanent residence. Do not enter "Europe," "Asia," or "Africa" as the place of last permanent residence. Do not enter "Russia," "Germany," "Austria," "Hungary," "Italy," or "Turkey" as the place of last permanent residence unless the alien has resided in the country named for a permanent residence. Do not enter "Canada" as the place of last permanent residence unless the alien has resided in Canada for a permanent residence. Do not enter "Turkey in Europe" as the place of last permanent residence unless the alien has resided in Turkey in Europe for a permanent residence. Do not enter "Asiatic Turkey" as the place of last permanent residence unless the alien has resided in Asiatic Turkey for a permanent residence. Do not enter "Germany," "Austria," "Hungary," "Italy," or "Turkey" as the country of birth unless the alien was born within the present boundaries of those countries. Do not enter "Austria-Hungary" as the country of birth unless the alien was born within the present boundaries of Austria-Hungary. Do not enter "Austria-Hungary" as the country of last permanent residence unless the alien has resided in Austria-Hungary for a permanent residence. Do not enter "Austria" as the country of last permanent residence unless the alien has resided in Austria for a permanent residence. Do not enter "Hungary" as the country of last permanent residence unless the alien has resided in Hungary for a permanent residence. Do not enter "Asia," "Africa," "Europe," "Australia," "England," "Scotland," "Ireland," "Wales," "Great Britain," "United Kingdom," "Mexico," "Cuba," "West Indies," "Central America," "South America," "China," "Japan," or "India" as the country of last permanent residence unless the alien has resided in the country named for a permanent residence. Do not enter "Europe," "Asia," or "Africa" as the country whence he came. The entry should show the name and address of each relative. It is not sufficient to write "father-in-law" or "brother-in-law" without giving the name and address of the relative.

Column 13. Final destination. The answer to the question should show the intended future permanent residence. Any intended residence in the United States should be stated in detail. Do not enter "unknown" or "undetermined." If the alien intends to remain in the United States, but is undecided as to his future residence, the answer should be "undecided." If the alien intends to remain in the United States, but is undecided as to his future residence, the answer should be "undecided." If the alien intends to remain in the United States, but is undecided as to his future residence, the answer should be "undecided."

Column 14. Whether having a ticket to such final destination. The answer should be either Yes, ticketed, or No, unticketed.

Column 15. By whom was passage paid. The entry should show definitely by whom passage was paid, as self, husband, father, brother, or whatever relative, friend, steamship company, etc.

Column 16. How much money has alien and has alien not? The answer should specify each case separately, as follows: Has $50; has not $1; has $10 and has not $5; etc. Money, brought by the head of a family, should not be divided, but the whole amount should be returned to the family.

Column 17. Whether ever before in the United States, and if so, when and where. The entry should show whether or not the alien has been in the United States before, and if so, the year or period of years and place, as 1894, New York; 1903, Boston; etc.

Column 18. Whether going to join a relative or friend, and if so, what relative or friend. The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 19 and 20. These questions are self-explanatory, and the answers should others on the sheet are made. If the alien is a [illegible] question 20 if alien has been deported within the year, and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

Note.—Full text of question 24 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, or who disbelieves in or is opposed to organized government, or who advocates the assassination of public officials, or who advocates or teaches the unlawful destruction of property, or is a member of or affiliated with any organization entertaining and teaching disbelief in or opposition to organized government or which teaches the unlawful destruction of property, or who advocates or teaches the duty, necessity, or propriety of the unlawful assaulting or killing of any officer or officers, either of specific individuals or of officers generally, of the Government of the United States or of any other organized government because of his or their official character.

I, HARRY FREYN, MASTER, of the S.S. INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.*—Steamship lines should make no entries in this column. The space is for use of the inspector at the port.

Column 3. *Name in full.*—Every person in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4. *Sex.*—Use the words *Male* or *Female*.

Column 5. *Married or single.*—The answer should be *M* (married), *S* (single), *Wd* (widowed), or *D* (divorced).

Column 6. *Calling or occupation.*—The entry should describe as accurately as possible the occupation (trade or profession) of each alien. If he has no occupation, that fact should be stated. If a child, the occupation, if any, of the parent or guardian with whom it is coming should be given. If a woman, whether she is a housewife, housekeeper, or at home, should be stated.

A distinction should be made between farmers and laborers, regardless of the amount of money shown as the case may be.

A farmer is one who owns, rents, or manages a farm, either for himself or for others.

A farm laborer is one who works on a farm for wages or salary.

Special attention is directed to the importance of having the occupations correctly stated, as if the immigrant is afterward found to belong to any of the excluded classes, the question will be asked, Was he correctly described at the time of his admission?

Column 7. *Can read.*—Questions 7 and 8 should be answered to show whether the alien can read or not. If he can read any language, he should be entered as able to read. If he can read only certain languages, as Hebrew, Greek, Russian, Arabic, or Polish, he should be entered as able to read that language. If he can read English, but no other language, he should be entered as able to read English. If he can read only a few words or sentences in any language, he should be entered as able to read. If he can not read at all, he should be entered as unable to read.

Column 8. *Can write.*—Question 8 should be answered to indicate whether the alien can write or not. See last sentence of instructions for column 7.

Column 9. *Race or people.*—See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs.

Special attention is directed to the importance of having race and the country of which citizen or subject correctly stated, as the quota limitation is based upon these facts, and immigrants should be admitted or excluded under the quota limitation according to their race and the country of which they are citizens or subjects. For example, a person born in Germany of Polish parents should be recorded as a German if he is a citizen of Germany, but as a Pole if he is a citizen of Poland. A person born in Germany of Polish parents, who has become a citizen of England, should be recorded as a Pole if he is a Polish subject, but as a British subject if he has become naturalized in England. Natives of Ireland, Scotland, Wales, Canada, Australia, New Zealand, or any other British possession should be recorded as British subjects, and not as Irish, Scotch, Welsh, Canadian, Australian, New Zealander, or by any other designation indicating race or people. Natives of Ireland should be recorded as Irish, whether they are citizens of Ireland, England, Scotland, Canada, or any other country. In this connection the following distinctions should be carefully observed:

CUBAN.

The term "Cuban" refers to the Cuban people and Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the Negro or Negroes born in Africa, either those from Cuba or other islands of the West Indies, South or South America, Europe, or Asia. Persons born in the United States of Liberia should be recorded as Negroes.

ITALIAN (NORTH).

The people who are natives of the basin of the River Po in northern Italy, i. e., comprising the provinces of Piedmont, Liguria, Lombardy, Venetia, and Emilia, and those who are natives of the Provinces of Leghorn, Massa, Carrara, Lucca, and Pisa, commonly known as Tuscany, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are natives of that portion of Italy south of the basin of the River Po, i. e., comprising the provinces of Tuscany (except Leghorn, Massa, Carrara, Lucca, and Pisa), Umbria, the Marches, Umbria, Latium, Campania, Abruzzi, Molise, Apulia, Basilicata, Calabria, and Sicily, and the islands of Sardinia and Sicily, should be classed as "Italian (south)."

Column 10. *Nationality.*—The answer should be the name of the country to which the alien owes allegiance, as a rule. The nationality of a person born in Austria-Hungary should be given as Austria-Hungary, Austrian, or Hungarian, according to the country to which he owes allegiance at present. The nationality of a person born in Turkey should be given as Turkey, Turkish, Armenian, Syrian, or Arabian, according to the country to which he owes allegiance at present. Persons born in Germany should be given as Germany, German, Prussian, Bavarian, Saxon, Wurttemberger, etc., according to the country to which they owe allegiance at present. Persons born in Russia should be given as Russia, Russian, Finn, Finnish, Pole, Polish, Lithuanian, Courlander, Livonian, Esthonian, Jew, Jewish, etc., according to the country to which they owe allegiance at present. Persons born in Great Britain should be given as England, Scotland, Wales, Ireland, English, Scotch, Welsh, Irish, etc., according to the country to which they owe allegiance at present. Persons born in Canada should be given as Canada, Canadian, Canada French, etc., according to the country to which they owe allegiance at present. Persons born in Mexico, Cuba, or the West Indies should be given as Mexico, Mexican, Cuba, Cuban, West Indies, West Indian, etc., according to the country to which they owe allegiance at present. Natives of Scandinavia should be given as Sweden, Swedish, Norway, Norwegian, Denmark, Danish, Iceland, Icelandic, Lapland, Lapp, according to the country to which they owe allegiance at present. Natives of the Republic of Liberia should be given as Liberia, Liberian, Negro.

Column 11. *Last permanent residence.*—The answer should be the name of the country of which the alien has been a permanent resident. A permanent residence is one voluntarily established and maintained for the present, with the intention of remaining indefinitely. Temporary residence, however long continued, is not permanent residence. If the alien has resided in more than one country, the one last chosen as a permanent residence should be given. If the alien has not established a permanent residence in any country, the answer should be "None." Persons who have resided in the United States and who are returning from a visit abroad should be recorded as having the United States as their permanent residence. Persons who are in transit through the United States to another country should be recorded as having their permanent residence in the country whence they came to the United States.

Column 12. *Name and complete address of person or persons in country whence alien came.*—The name and address of the person or persons whom the alien intends to join or visit should be given. If the alien has relatives or friends in the country whence he came, the name and address of such relatives or friends should be given. If such relatives or friends are dead, the fact should be stated. If the alien has no relatives or friends living, give name and address of friend.

Column 13. *Final destination.*—The answer to this question should be entered precisely as in column 12. As to intended stay in the United States, the answer should indicate whether the alien intends to remain permanently or temporarily. If the alien intends future permanent residence in the United States, the answer should be the name of the city, town, or village in the United States where he intends to make his home. If the alien intends to remain temporarily in the United States, the answer should indicate the length of time he intends to remain, as "Six months," "One year," etc. If the alien intends to remain in the United States permanently, but is not sure as to the place, the answer should be "Undetermined" or "Not known."

Column 14. *Whether have a ticket through to final destination.*—The answer should be either Yes or No, as the case may be.

Column 15. *Whether in possession of $50 and if not, by whom passage was paid.*—The entry should show definitely by whom the passage was paid, as, for example, whether by the alien himself, by other persons, by steamship companies, etc.

Column 16. *Whether ever before in the United States, and if so, when and where.*—The answer should indicate whether the alien has ever been in the United States before, and if so, the year or period of visit and place as near as practicable.

Column 17. *Whether going to join a relative or friend, and if so, what relative or friend.*—The answer should show whether the alien is going to join a relative or friend, and if so, what relative or friend, with name and address.

Columns 20 to 43.—These questions are self-explanatory and the answers likewise. All aliens or those not citizens are subject to be detained by immigrant officers on the examination of the aliens. However, the answers to questions 37, 38, and 39 are important, as if any alien has been in the United States and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Master (Master or other Master, First or Second Officer), of the Dacia, from Copenhagen, do solemnly, sincerely, and truly that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head for whether*). Steamship lines should make no entries in this column. This space is for use of Government officials only.

Column 4. *Ages.* The answer in this column should be expressed in years or months, the latter appropriately to those under 1 year of age.

Column 5. *Sex.* The entry should be either M male or F female.

Column 6. *Married or single.* The answer should be M married, S single, Wd widowed, or D divorced.

Column 7. *Calling or occupation.* The entry should describe as accurately as possible the occupation, trade, or profession of each alien on arrival. Specific terms such as "engineer," "machinist," "mechanic," "clerk," "bookkeeper," "compositor," "tailor," "dressmaker," "seamstress," "weaver," "farmer," etc., and not simply "laborer," "servant," "student," or "gentleman," are required.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown in possession.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the improvement of the soil.

Second questions should not be left blank, but on the face of the sheet corrections should be made if necessary, by inspectors and masters, before filing the sheet with the immigrant station.

Column 8. *Able to read and write.* The answer to this question must be confined to the literacy of the alien in the language or dialect used by him. Read what is required, i.e., if a competent person has read upon what grounds. Inspectors must question the immigrant as to the alien's ability to read or write and be satisfied. If aliens are able to read and write, exercise caution in accepting the statements of the master or such examining officer as he may designate.

Column 9. *Nationality.* Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.* See list of races printed on back of the sheet. The entry should show the race or people to which each alien belongs.

Special attention should be paid to the distinction between race and the entry of which is frequently objected, namely, the recording of "nationality" instead of race. Such entries as "English," "Irish," "Scotch," "German," "French," "Russian," "Polish," "Spanish," "Italian," "Mexican," "Chinese," "Japanese," "Portuguese," "Swedish," "Norwegian," "Finnish," "Dutch," "Flemish," "Belgian," "Swiss," "Turkish," "Syrian," "Arabic," "Indian," "Negro," "Colored," "Black," "White," "Mongolian," "Hebrew," "Magyar," "Croatian," "Servian," "Bohemian," "Moravian," "Slovak," "Ruthenian," "Dalmatian," "Bosnian," "Herzegovinian," "Montenegrin," "Roumanian," "Corsican," "Cuban," "West Indian," "Pacific Islander," "East Indian," "African (native)," "South American," "Central American," "American," "United States," "Canadian," "Acadian," "Newfoundland," "Scandinavian," "Australian," "New Zealander," "Philippine," "Porto Rican," "Hawaiian," "Indian (American)," "Alaskan," "Mexican," "Spanish American," "Irish," "Scotch," "Welsh," "English," "Manx," "Cornish," "Canadian," "Canadian French," "Boer," "Transvaal," "Orange River Colony," "Cape Colonist," "Natalian," "Rhodesian," "Basque," "Celtic," "Gaelic," "Lowland Scotch," "Highland Scotch," "Iberian," "Lapp," "Finn," "Esthonian," "Livonian," "Courlander," "Lithuanian," "Prussian," "Polish," "Czech," "Moravian," "Slovak," "Silesian," "Wendish," "Kashubian," "Ruthenian," "Galician," "Austrian," "Hungarian," "Croatian," "Slavonian," "Dalmatian," "Bosnian," "Herzegovinian," "Montenegrin," "Servian," "Bulgarian," "Roumanian," "Moldavian," "Wallachian," "Albanian," "Greek," "Cretan," "Turkish," "Armenian," "Georgian," "Asiatic Turkish," "Arabian," "Syrian," "Palestinian," "Persian," "Afghan," "Beluchistanian," "Hindu," "Kanarese," "Tamil," "Bengalee," "Punjabi," "Marathi," "Gujarati," "Singhalese," "Burmese," "Siamese," "Malay," "Chinese," "Manchurian," "Japanese," "Korean," "Tibetan," "Nepalese," "Siberian," "Russian," "Finnish," "Lithuanian," "Lettish," "Polish," "Czech," "Moravian," "Slovak," "Ruthenian," "Bohemian

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Benjamin Z. Corning Master, of the American s.s. Panama, from Port au Prince, Hayti, do solemnly, sincerely, and truly affirm that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, one in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Benjamin Z. Corning
Master.

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head-tax status.*)—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4. (*Age.*—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. *Sex.*—The entry should be either M. (male) or F. (female).

Column 6. (*Married or single.*—The answer should be M. (married), S. (single), Wd. (widowed), or D. (divorced).

Column 7. (*Calling or occupation.*)—The entry should describe as accurately as possible the occupation, trade, or profession of each alien over 14 years of age, whether actually employed at the time of arrival or not. If a child, write "child." If a woman, write "housewife," unless she has a definite occupation, such as teacher, milliner, dressmaker, etc., in which case that occupation should be entered. If a laborer, specify whether agricultural or other kind of laborer, and if any special kind of laborer, such as mason, cabinetmaker, bricklayer, engineer, farmer, laborer, etc., and not simply as "laborer," should be entered. If a servant, specify whether "domestic servant," "waiter," "waitress," "valet," etc., but not merely "servant." If a skilled worker, specify the particular kind of worker, such as tailor, tailoress, shoemaker, baker, etc., and not merely "tailor," "shoemaker," "baker," etc., unless the person is actually employed as a journeyman tailor, shoemaker, baker, etc., in which case the word "journeyman" should be added. If a laborer, specify whether agricultural or other laborer, and if any special kind of laborer, such as mason, cabinetmaker, bricklayer, engineer, farmer laborer, etc., and not simply as "laborer," should be entered. If a servant, specify whether "domestic servant," "waiter," "waitress," "valet," etc., but not merely "servant." If a skilled worker, specify the particular kind of worker, such as tailor, tailoress, shoemaker, baker, etc., and not merely "tailor," "shoemaker," "baker," etc., unless the person is actually employed as a journeyman tailor, shoemaker, baker, etc., in which case the word "journeyman" should be added. If a child, write "child." If a woman, write "housewife," unless she has a definite occupation, such as teacher, milliner, dressmaker, etc., in which case that occupation should be entered. If a child, write "child." If a woman, write "housewife," unless she has a definite occupation, such as teacher, milliner, dressmaker, etc., in which case that occupation should be entered.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction in the manifests, and corrections should be made, if necessary, by inspectors and deputy commissioners during the personal examination of aliens and crews.

Column 8. (*Able to read and write.*—This column needs no explanation and contains the following question: "Read what language [or if exempt, on personal grounds, upon what ground]?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9. (*Nationality.*—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.*—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and mistakes should be corrected as required by inspectors and deputy commissioners in this regard. For instance, "France" appearing under the head of country does not mean "French" as race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" as country. An Irish, German, or Hebrew alien by race should properly come under the heading of England, Scotland, or any other country. In this connection the following instructions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, America, Africa, or any other country, should be classed as "Italian, north." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian, south."

Column 11. *Last permanent residence.*—Actual bona fide residence for one year shall constitute permanent residence. The last country in which alien resided with the intent to remain one year or more shall be the last permanent residence regardless of length of actual residence there in. The entries in column 11 should show the country and city or town of last *permanent* residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of birth, of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad shall be recorded "United States."

Column 12. *Name and complete address of nearest relative or friend in country whence alien came.*)—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13. *Final destination.*)—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city or town of intended future permanent residence, if within the United States (country if outside the United States).

Column 14. *Whether having a ticket to such final destination.*)—The answer should be either Yes (ticket) or No (no ticket).

Column 15. *By whom was passage paid.*—The entry should show definitely by whom passage was paid, as self, husband, father, mother, other relative, friend, steamship company, etc.

Column 17. *Whether in possession of $50 and if less, how much.*—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18. *Whether ever before in the United States, and if so, when and where.*—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1901–1907, Philadelphia.

Column 19. (*Whether going to join relative or friend, and if so, what relative or friend.*)—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 29 to 33.—These questions are self explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, Lloyd E Patrick, Surgeon of the S.S. Panama, (Employed by owners thereof), do solemnly, sincerely, and truly swear that I have had two years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the State of Iowa, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 1 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Benjamin J Cerning - Master, of the American s/s Panama, from Cristobal. C. Z., do solemnly, sincerely, and truly affirm that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, one in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Benj. Cerning

MASTER

Sworn to before me this day of October, 19 22

at New York.

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example, civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this instruction on the manifests, and corrections should be made, if necessary, by inspectors and receiving clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language (or, if exempted as claimed, 'can what groups')." In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which a citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and receiving clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly enough be under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia), and their descendants, whether residing in Italy, Switzerland, Austria, Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence recorded, regardless of length of actual residence thereon. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies uniformly show country of last permanent residence independent of country of birth, race, residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of [nearest] relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States, country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whose was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1891 (S.C.), Philadelphia.

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officers only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widow(er)), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival "as for example, Coachmaker, stationary engineer, locomotive engineer, tailor, tailoress, engineer, lace polisher, steel worker, iron molder, wood turner, etc., and not simply as laborer, worker, molder, turner, or other indefinite designation.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make all destinations on the face sheets and corrections should be made, if necessary, by inspectors and reported by clerks during the period examination of alien arrivals.

Columns 8 (*Can read or write*).—This Column is subdivided and contains the following question: "Can read or write [state if can or cannot]?" In answering this question the word "can" or "read" (or their equivalents) should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject. An entry of last permanent residence, and country of birth and nationality should be carefully considered by inspectors in this regard. For instance, Italians appearing under the head of "native country" do not mean "French" by race or people, and, similarly, "French" appearing under the head of "race or people" do not mean "France" the country. An Irish, German, or Hebrew alien by race or people cannot come under the heading of England, Scotland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN

West Indian refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK)

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro shall be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—A total of an unbroken residence of one year shall constitute permanent residence. The last country in which alien resided with the intent of remaining one year or more shall be the last permanent residence. Intent does not require the execution of a formal declaration of intention to become a citizen of the United States. The entry should show the country. It should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city or town, of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (or ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, another relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less how much*).—The answer should be given in each case (individual or family) the exact amount (if any) shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as, 1894, 1895, Philadelphia.

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 34.—These questions are self explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, J. B. Howarth, (State whether Master, First or Second Officer) of the HOMERIC, from SOUTHAMPTON, do solemnly, sincerely, and truly declare, That I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, four (4) in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

MASTER Officer.

Sworn to before me this 16th day of October, 1922

at NEW YORK

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, stool pigeon, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designation.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens arriving.

Column 8 (*Able to read or write*).—This column is subdivided and contains the following question: "Read what language [or, if exemption is claimed, upon what ground]?" In answering this question the race, nationality, or last country from which alien came to the United States should be considered. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which a citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the heading country does not mean "French" by race or people, and, similarly, "French" appearing under the heading race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed.

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intent of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereof. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city, or town of intended future permanent residence, if within the United States, country if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894, 1897, Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, R. S. French, Surgeon of the HOMERIC, [State whether Surgeon, Assistant Surgeon, or Surgeon employed by Company (Owner)], do solemnly, sincerely, and truly swear that I have had thirty years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of L.R.C.P. & S. (Dublin) L.M.C.S., and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 104 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Sworn to before me this 10th day of October, 1922.

[Signature and title of immigration or other officer authorized to administer oaths]

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

AFFIDAVIT OF SURGEON

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, D B Howarth, (State whether Master, First, or Second Officer) of the HOMERIC, from ..., do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, four (4) in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

[redacted] Officer.

Sworn to before me this 10th day of October, 1922

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (Head tax status).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien, as, for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply engineer, polisher, molder, turner, or other indefinite designation.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and cashier clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language [or if exemption is claimed, upon what ground]?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and cashier clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or South American, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Liguria, Venezia, and Lombardia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Emilia, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entry in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that returns show accurately the country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning to it after a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to the question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city or town, of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, mother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if not, how much*).—The answer should (yes) in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1893, 1887, Philadelphia.

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, R. S. Beech, Surgeon of the HOMERIC, (Name of vessel) (Name of steamship company employed by while in port at the time of sailing), do solemnly, sincerely, and truly swear that I have had thirty years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of L. R. C. P. & S. (Dublin) L. R. C. P. & S. B. A. O. H. B., and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, fourteen in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, J B Hoscarth, (State whether Master, First or Second Officer) of the HOMERIC, from [illegible], do solemnly, sincerely, and truly Swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, four (4) in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

[illegible]

Sworn to before me this 16th day of October, 1922

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien, as, for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make the above terms, and corrections should be made, if necessary, by inspectors and reentry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is divided and contains the following question: "Read what language [or, if exemption is claimed, upon what ground]." In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given on said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and members should be carefully revised by inspectors and reentry clerks in this regard. For instance, "Italy" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classed under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence there. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of home, race, residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city, or town, of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, mother, relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less how much*).—The answer should give in each case individual or family the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States; and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1904–1907, Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 34.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to reexamination by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, R S Beuck, Surgeon of the HOMERIC, do solemnly, sincerely, and truly swear that I have had herewith, do years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of L.R.C.P. (Dublin) 1922 B.A.O. M.B., and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, fourteen in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

NOTE.—If a surgeon sails with the vessel, the affidavit of verification will be executed before the proper officer at port of arrival, and any changes that may have occurred en route in the physical condition of the aliens will be noted thereon.

If a surgeon sails with the vessel, the affidavit of verification is not required at the port of departure before some other authorized to administer oath.

LIST OF RACES OR PEOPLES

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. Head tax status.—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4. Age.—The answer in this column should be expressed in years or months, the latter applying only to children under 1 year of age.

Column 5. Sex.—The entry should be either M (male) or F (female).

Column 6 (Married or single).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (Calling or occupation).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived as for example: Clerk, farmer, engineer, laborer, tailor, cook, painter, carpenter, brass polisher, steel worker, iron worker, wood turner, etc., and not simply laborer, mechanic, worker, tailor, or cook, unless description is complete.

A distinction should be made between farmers and farm laborers, regardless of the amount of money alien has.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Strenuous occupations should be underscored. In the case of laborers and servants, the character of work to be performed in the United States by persons belonging to certain races frequently admitted as laborers, such as Italians, Greeks, Syrians, Armenians, Japanese, Koreans, East Indians, Turks, Arabs, Africans, Negroes, Portuguese, Spanish, West Indians, Mexicans, Central and South Americans, should be stated definitely, as the admissibility of persons belonging to these races depends largely upon the character of labor to be performed.

Column 8. Nationality of race.—The answer should be stated according to country of birth, as Irish, English, Scotch, German, French, Italian, Russian, Polish, Spanish, Portuguese, Swedish, Norwegian, Danish, Dutch, Belgian, Greek, Turkish, Bulgarian, Roumanian, Servian, Montenegrin, Japanese, Chinese, Hindu, Arabian, Syrian, Armenian, Mexican, Cuban, West Indian, Central American, South American, African (Negro), Australian, New Zealand, Philippine, Hawaiian, Indian (American), Canadian (French), Canadian (other than French), Newfoundland, Scandinavian, Finnish, Icelandic, Manx, Welsh, Scottish, Irish, Basque, Celtic, Czech, Moravian, Slovak, Ruthenian, Croatian, Dalmatian, Slovenian, Bohemian, Lithuanian, Magyar, Corsican, Sardinian, Sicilian, Maltese, Cypriote, Arabian, Palestinian, Syrian, Armenian, Persian, Afghan, Beluchistan, Turkestan, Hindu, Siamese, Burmese, Malay, Polynesian, Australian, New Zealander, Tasmanian, Maori, Hawaiian, Filipino, Indian (American), Eskimo, Liberian, Egyptian, Abyssinian, Transvaal, Boer, Portuguese East African, British South African, Kaffir, Zulu, Senegambian, Sudanese, Nubian, Kordofanian, Fulah, Hausa, Timanese, Bantu, Benguela, Barotse, Congolese, Angolese, Portuguese West African, Madagascan, Moorish, Algerian, Tunisian, Tripolitan, Moroccan, Canary Islander, Azorean, Madeiran, Cape Verdean, Portuguese, Spanish, Andorran, Gibraltarian, French, Belgian, Dutch, Luxemburger, Swiss, German, Austrian, Hungarian, Liechtensteiner, Italian (North), Italian (South), Albanian, Montenegrin, Greek, Roumanian, Bulgarian, Servian, Turkish, Armenian, Russian, Finnish, Polish, Lithuanian, Latvian, Esthonian, Czech, Moravian, Slovak, Ruthenian, Croatian, Dalmatian, Slovenian, Bosnian, Herzegovinian, Bohemian, Magyar, Scandinavian, Icelandic, Manx, Welsh, Scottish, Irish, Basque, Celtic, Stateless, Other nationalities.

Column 9. Last permanent residence.—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. Race or people.—See list of races printed on back of this sheet. The entry should show the race or people as enumerated in said list.

Special attention should be paid to the distinction between race and the country of which alien is a subject. A country of last permanent residence and country of birth, and nationality should be stated by the country to which the race or people belong. For instance, a Hebrew, apparently under the head of French, Russian, German, or English, by race or people and, similarly, French appearing under the head of Hebrew

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2, *Head tax status*.—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4, *Age*.—Persons in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5, *Sex*.—The entry should be either M, male, or F, female.

Column 6, *Married or single*.—The answer should be M, married, S, single, Wd, widowed, or D, divorced.

Column 7, *Calling or occupation*.—The entry should describe as accurately as possible the occupation, trade, or profession of each person, as for example, clerk, farmer, servant, laborer, mechanic, engineer, minister, carpenter, bookbinder, shoemaker, tailor, tinner, weaver, turner, etc., and not simply laborer, mechanic, farmer, or other indefinite designation.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Stockraising, dairying, etc., to be considered as farming operations, and correct entry should be made, if necessary, by prepositions and words, as [illegible].

Column 8, *Nation, or people*.—Here enter the race or people to which each alien belongs. The question "Race or people" is designed to ascertain definitely what ethnological stock each alien belongs to, regardless of the country of which he may be a citizen or subject. Thus, Scotch, Irish, English, Welsh, Canadian (French), Canadian (other than French), Indian (Hindu), Pacific Islander, Chinese, Japanese, Turkish, Armenian, Syrian, Arabian, Negro, Polish, Russian, Finn, Croatian, Dalmatian, Servian, Bulgarian, Roumanian, Greek, Spanish, Portuguese, Italian (North and South), German, Austrian, Hungarian, Bohemian, Moravian, Slovak, Magyar, Ruthenian (Russniak), Dutch, Flemish, French, West Indian, Cuban, Mexican, Central American, South American, and other specifications of races or peoples, and not the name of any country, should be written in this column.

Column 9, *Nationality of race or people*.—Nationality of race or people should be entered as follows: Scotch, Irish, English, Welsh, Canadian (French), Canadian (other than French), Indian (Hindu), Pacific Islander, Chinese, Japanese, Turkish, Armenian, Syrian, Arabian, Negro, Polish, Russian, Finn, Croatian, Dalmatian, Servian, Bulgarian, Roumanian, Greek, Spanish, Portuguese, Italian (North and South), German, Austrian, Hungarian, Bohemian, Moravian, Slovak, Magyar, Ruthenian (Russniak), Dutch, Flemish, French, West Indian, Cuban, Mexican, Central American, South American, and other specifications of races or peoples, and not the name of any country. Thus, natives of Scotland, Ireland, England, Wales, Canada, India, China, Japan, Turkey, Arabia, Poland, Russia, Finland, Croatia, Dalmatia, Servia, Bulgaria, Roumania, Greece, Spain, Portugal, Italy, Germany, Austria, Hungary, Bohemia, Moravia, Slovakia, Holland, France, Mexico, Switzerland, or any other country. In this connection the following directions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban, Haitian or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether a native of Liberia or other islands of the West Indies, North or South America, Europe, or Africa. Any alien, with admixture of blood of the African Negro, should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., the provinces of Piedmont, Liguria, Lombardy, Venetia and Emilia, and their descendants, whether residents of Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartimenti of Tuscany, Umbria, the Marches, Lazio, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 11, *Last permanent residence*.—A residence in the United States for one year shall constitute permanent residence. The question is not to be confused with the question of remaining one year in order to be admitted to citizenship. Persons coming to the United States for a visit, or to engage in business, or as tourists, should show the country and place of their permanent residence. It is important for immigration officials abroad to know whether persons coming to the United States intend to become permanent residents, or whether they intend to return to the country of their birth after a visit or after engaging in business. Persons who have been previously admitted to the United States and are returning after a visit abroad should be so stated. [illegible]

Column 12, *Name and complete address of relative or friend in country whence alien came*.—The entry should give name and address of such relative. If no such relative exists, give name and address of friend.

Column 13, *Final destination*.—The answer to this question should show the intended future permanent residence. An intended visit to relatives or friends for a limited time should not be considered as indicating the place of intended future permanent residence, even within the United States. Persons coming to visit relatives or friends, or in search of employment, should show definitely the place in the United States where they intend to reside permanently. It is not sufficient to state the State merely, or to state the United States.

Column 14, *Whether having ticket through to final destination*.—The answer should be either Yes (ticketed) or No (not ticketed).

Column 15, *By whom was passage paid*.—The entry should show definitely by whom passage was paid, as self, [illegible], husband, father, brother, or other relative, friend, steamship company, etc.

Column 17, *If not in possession of $50, how much money they have*.—The answer should give as much exact information as practicable regarding the amount of money in possession of the alien. Money brought by the head of a family should not be divided among the several members of the family.

Column 18, *Whether ever before in the United States, and if so, when and where*.—The entries should show whether or not the alien has been in the United States before, and if so, the year or period of years, and place, as 1890, 1895, Philadelphia.

Column 19, *Whether going to join relatives or friends, and if so, what relatives or friends*.—The answer should show whether going to join relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by the inspection officials at the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, R. F. [illegible], Surgeon of the HOMERIC, (state whether Surgeon of the vessel or employed by the owners thereof or otherwise) do solemnly, sincerely, and truly swear that I have had [illegible] years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of [illegible], and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

R. F. [illegible]

Sworn to before me this 15th day of [illegible], 1909

at NEW YORK

(Signature and title of immigration or other officer authorized to administer oaths)

NOTE. If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens spring and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

Note.—Full text of question 24 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, or who disbelieves in or is opposed to organized government, or who advocates the assassination of public officials, or who advocates or teaches the unlawful destruction of property, or is a member of or affiliated with any organization entertaining and teaching disbelief in or opposition to organized government or which teaches the unlawful destruction of property, or who advocates or teaches the duty, necessity, or propriety of the unlawful assaulting or killing of any officer or officers, either of specific individuals or of officers generally, of the Government of the United States or of any other organized government because of his or their official character.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, [illegible] MASTER (Master, Purser, or Second Officer), of the HOMERIC, from SOUTHAMPTON, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

[illegible] MASTER
(Officer.)

Sworn to before me this 10th day of October, 1922

at [illegible]

[illegible]
Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.*—Steamship lines should make no entries in this column. The space is for use of Government officers only.

Column 4. *Age.*—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. *Sex.*—The entry should be either M (male) or F (female).

Column 6. (*Married or single.*—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7. *Calling or occupation.*—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival as, for example, Coal engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron moulder, wood turner, etc., and not simply as engineer, polisher, moulder, turner, or other indefinite designation.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown as in hand.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and reentry checkers during the personal examination of aliens arriving.

Column 8. *Able to read and write.*—Three columns provided and contain the following question: "Read what language (or, if exemption is claimed, tell which exemption)?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9. *Nationality.*—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.*—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and mistakes should be carefully corrected by inspectors and reentry checkers in this regard. For instance, "France" appearing under the head of race or people does not mean "French" by race or people, and similarly, "French" appearing under the head of nationality or people does not mean "France" by country. In fact, German, or Hebrew aliens by race or people properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venetia, and Liguria) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11. *Last permanent residence.*—Actual or an intended residence of one year shall constitute permanent residence. The last entry in which aliens reside with the definite intention of remaining one year or more shall be last permanent residence regardless of length of actual residence therein. The entries in this column, 11, should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence includes aliens who are permanent residents of the United States and are returning from a visit abroad, should be so recorded "United States."

Column 12. *Name and complete address of nearest relative or friend in country whence alien came.*—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13. *Final destination.*—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city or town, of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14. *Whether having a ticket to such final destination.*—The answer should be either Yes (ticket) or No (no ticket).

Column 16. *By whom was passage paid.*—The entry should show definitely by whom passage was paid as self, husband, father, mother, or other relative, friend, steamship or company, etc.

Column 17. *Whether in possession of $50 and, if less, how much.*—The answer should give in each case (individual or family) the exact amount of money in possession. Money brought by the head of a family should not be divided among the several members of the family.

Column 18. *Whether ever before in the United States, and if so, when and where.*—The entry should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894–1907, Philadelphia.

Column 19. *Whether going to join relative or friend, and if so, what relative or friend.*—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to recognition by inspection officers in the examination of aliens. However, in answering question 20, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, [illegible], Surgeon of the HOMERIC, SAILING THEREWITH (State whether Surgeon sailing thereon is employed by owners thereof or has been specially detailed), do solemnly, sincerely, and truly swear that I have had thirty years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of [illegible], and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

LIST OF RACES OR PEOPLES

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, [illegible] MASTER (State whether Master, First or Second Officer), of the HOMERIC, from SOUTHAMPTON, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

[illegible]

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widow(er)), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arriving, as, for example: Coal engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply "engineer," "polisher," "molder," "turner," or other such indefinite terms.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer means one who operates a farm, either for himself or for others.

A farm laborer means one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column would ordinarily contain the following question: "Read what language (or, if exemption is claimed, upon what ground)?" In answering this question the attention or deficiency of the alien to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which he is citizen or subject, country of last permanent residence, and country of birth, and inattention should be carefully noticed by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of race or people does not mean "France" by origin. An Irish, German, or Hebrew alien may have migrated to such countries and become a subject of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Liguria, Venetia, and Lumigiana) and their descendants, whether residing in Europe, Southern land, Austria, Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenta of Lazio, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—A total of an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining some year or more should be the last permanent residence regardless of length of previous residence therein. The entry in column 11 should show the country, and city or town, of last permanent residence. It is important for statistical purposes that steamship companies furnish full information as to country of last permanent residence independent of transportation routing, country of birth, nationality, or race.

Country of last permanent residence of aliens who are not natural residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12. *Name and complete address of nearest relative or friend in country whence alien came.*—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. A mere brief residence of one year shall not constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14 (*Whether having ticket to such final destination*).—The answer should be either Yes (ticket) or No (cash).

Column 15 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, friend, or relative, and whether relative, friend, steamship company, agency, etc.

Column 16 (*Whether in possession of $50, and if not, how much*).—The answer should give in each case individual or family. The exact amount should be shown. Money brought by the head of a family should not be considered among the assets of the members of the family.

Column 18. *Whether ever before in the United States, and if so, when and where.*—The entries should show whether or not Yes or No in the United States before, and if so, the year or period of years and place, as, 1894–1897, Philadelphia.

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self explanatory and the answers, like all others on the sheet, are subject to rejection by inspectors or boards in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, [illegible], Surgeon of the HOMERIC, SAILING TO CEVIC, (State whether Surgeon sailing thereon or employed by owners thereof, as the case may be) do solemnly, sincerely, and truly swear that I have had thirty years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of U. S. [illegible], and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, [illegible] (Name of Master, First or Second Officer), of the HOMERIC, from SOUTHAMPTON, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to children under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as, for example, Civil engineer, statistician, miner, laborer, mason, tailor, seamstress, painter, molder, turner, or other technically descriptive term.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and reports before starting the preliminary examination in Fatherland.

Column 8 (*Able to read or write*).—This column needs no explanation, but contains the following question: "Read what language or dialect?" An answer is added to each alien thus stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and answers should be carefully scrutinized by inspectors and reported to boards of special inquiry. Thus, for instance, "Italian" appearing under the head of country does not mean "French" by race or people, and similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed.

CUBAN.

The term "Cuban" refers to the Cuban people and not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Liguria, Tuscany, and Lombardy, and those born in Venetia, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian north." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian south."

Column 11 (*Last permanent residence*).—A final or intended residence of one year shall constitute permanent residence. The last country in which alien resided with that intention should be entered. The entries in column 11 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies distinguish carefully between last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of relative in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city or town of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether coming to join relative or friend, and if so, what relative or friend*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, mother, or other relative or friend; steamship company, etc.

Column 17 (*Whether in possession of $50 and if not, how much*).—The answer should give in each case individual or family, the exact amount of United States money. Money brought by the head of a family should not be divided as to the several members of the family.

Column 18 (*Whether ever before in the United States and if so, when and where*).—The entries should show whether or not Yes or No in the United States before, and if so, the year (or period of years) and place, as 1901–1902, Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self explanatory and the answers, like all others on the sheet, are subject to revision by immigration officials in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

NOTE.—Full text of question 24 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, or who believes in or is opposed to organized government, or who advocates the assassination of public officials, or who advocates or teaches the unlawful destruction of property, or is a member of or affiliated with any organization entertaining and teaching disbelief in or opposition to organized government or which teaches the unlawful destruction of property, or who advocates or teaches the duty, necessity, or propriety of the unlawful assaulting or killing of any officer or officers, either of specific individuals or of officers generally, of the Government of the United States or of any other organized government because of his or their official character.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, [illegible] MASTER, of the HOMERIC, from [illegible], do solemnly, sincerely, and truly [illegible] that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.*—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4. *Age.*—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. *Sex.*—The entry should be either M, male, or F, female.

Column 6. (*Married or single.*)—The answer should be M, married, S, single, Wd, widowed, or D, divorced.

Column 7. (*Calling or occupation.*)—The entry should describe as accurately as possible the occupation, trade, or profession of each alien, as laborer, clerk, engineer, stenographer, boy, girl, housewife, servant, miner, carpenter, blacksmith, tailor, shoemaker, tinner, machinist, weaver, lace maker, painter, farmer, or other occupation.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Stenographers, compositors, and others who follow occupations connected with those of printing and publishing should state whether they are editors, reporters, translators, etc.

Column 8. (*Nationality of race.*)—This column is to be filled out to answer the following question: "Read what language (or dialect) he customarily speaks?" In answering this question the following rules must be observed: If alien can read and claims nationality of country in which he can read, that country is to be entered. If alien is unable to read and claims nationality of country in which he was born, that country is to be entered. If alien is unable to read and claims nationality of country in which he was not born, that country is to be entered. If alien is unable to read and claims no nationality, the country of which he was last a citizen or subject is to be entered.

Column 9. (*Race or people.*)—See list of races printed on back of this sheet. The entry should show the race or people to which he belongs.

Separate entries should be made for the distinction between race and the country of which he is a citizen or subject. The entry of last permanent residence and country of birth, and nationality should be correctly recorded. Supplemental remarks or changes in the record for the alien appearing under the head of race or people to be entered herein. Thus, a native of England, Scotland, or Ireland should be entered as English, Scotch, Irish, or Welsh, according to the fact, but if such person is of the Hebrew race, the fact should be shown by entering the word "Hebrew" in connection with the word "English," "Scotch," "Irish," or "Welsh," as the case may be. Persons from Germany, Austria, Hungary, Bohemia, or Slovakia should be described as Germans, Austrians, Hungarians, Bohemians, or Slovaks, as the case may be, and not by the name of any city or province. Persons from Turkey in Asia, Arabia, Armenia, Persia, Palestine, Egypt, Syria, Greece, Bulgaria, Servia, Montenegro, Roumania, Russia, Finland, Poland, Lithuania, Spain, Portugal, Italy, Switzerland, Belgium, Holland, Norway, Sweden, Denmark, Iceland, Mexico, Cuba, Porto Rico, Central or South America, West Indies, China, Japan, India, Australia, New Zealand, or any other country, should be described as Turkish, Armenian, Persian, Palestinian, Egyptian, Syrian, Greek, Bulgarian, Servian, Montenegrin, Roumanian, Russian, Finnish, Polish, Lithuanian, Spanish, Portuguese, Italian, Swiss, Belgian, Dutch, Norwegian, Swedish, Danish, Icelandic, Mexican, Cuban, Porto Rican, Central American, South American, West Indian, Chinese, Japanese, Hindu, Australian, New Zealander, or other nationality, as the case may be.

CUBAN.

The term "Cuban" refers to the Cuban people—not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro who has come from Africa or the islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria, France, or elsewhere) and their descendants, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to the portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia), and their descendants, should be classed as "Italian (south)."

Column 11. (*Last permanent residence.*)—Actual permanent residence for the year shall constitute permanent residence. The last entry in which alien resided with the intention of remaining one year or more (not including temporary visits to see friends or relatives) is the one to be entered. The entries in this column should show the cities and civil divisions of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence. Country of last permanent residence should not be stated "United States."

Country of last permanent residence should be entered when aliens are permanent residents of the United States and are returning from a visit abroad. Should not be stated "United States."

Column 12. (*Name and complete address of nearest relative or friend in country whence came.*)—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13. (*Final destination.*)—The answer to this question shall show the intended future permanent residence. An intended residence for a few years shall constitute permanent residence. The entry should show definitely the place, town, or state of intended future permanent residence, if within the United States, Canada, if through the United States.

Column 14. (*Whether having a ticket to such final destination.*)—The answer should be either Yes (ticket) or No (no ticket).

Column 16. (*Whether in possession of $50, and if less how much.*)—The answer should give in each case individually and exactly the exact amount of money shown. Money brought by the head of a family should not be doubled and no other sum included in the family.

Column 18. (*Whether ever before in the United States, and if so, when and where.*)—The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as, 1891, yes, Philadelphia.

Column 19. (*Whether going to any relative or friend, and if so, what relative or friend.*)—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 38.—These questions are self explanatory and the answers, like all others on the sheet, are subject to review by inspection officers in the examination of aliens. However, in answering question 29, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, [illegible], Surgeon of the HOMERIC, [illegible], do solemnly, sincerely, and truly [illegible] that I have had [illegible] years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of [illegible], and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.* — Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4. *Age.* — The age of infants under 1 year should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. *Sex.* — The entry should be either M. male, or F. female.

Column 6. *Married or single.* — The answer should be M. married, S. single, Wd. widowed, or D. divorced.

Column 7. *Calling or occupation.* — The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as for example, "engineer, steam, stationary," "engineer, marine," "engineer, mining," "engineer, brass polisher," "machinist," "tailor," "seamstress," "housewife," "servant," "laborer," "farmer," "farm laborer," "clerk," "merchant," "manufacturer," "miner," "driver," "weaver," "spinner," "weaver," "turner," etc., and not simply "engineer," "polisher," "machinist," "laborer," or other indefinite descriptions.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown as follows:

A "farmer" is one who operates a farm, either for himself or for others.

A "farm laborer" is one who works on a farm for the man who controls it.

Steamship companies should decide which of these terms best applies to the man they employ, and if necessary, instruct all persons in charge of preparing the passenger manifests of aliens as to the proper entries to be made.

Column 8. *Color or race and nationality.* — This column should provide data to answer the following question: "Race or what language [or if exemption claimed, state what exemption]?" In answering this question the following rules should be observed: If alien is unable to read and claims exemption from the reading requirement, the word "Yes" should be inserted. If alien can read, the word "No" should be inserted.

Column 9. *Nationality.* — Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.* — See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and questions should be answered by reference to the following rules and examples in this regard. For instance, "France" appearing under the head of nationality means "French," but "French" by race or people may appear under the head of race or people, as does not mean "France," but "Anglo-Saxon." An Irish, German, or Hebrew alien by race could properly come under the heading of England, Switzerland, or any other country. In this connection the following definitions should be especially observed:

CUBAN

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or the other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are natives of the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Liguria, Venetia and Emilia, and the districts adjacent thereto, whether residing in the Austrian Tyrol or Austria-Hungary, either coastwise or inland) should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Latin language.

ITALIAN (SOUTH).

The people who are natives of that portion of Italy south of the basin of the River Po (i. e., compartimenti of Lucania, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11. *Last permanent residence.* — A recital of an intended residence for one year should constitute permanent residence. The last country in which alien received wages, and remained one year or more, shall be the last permanent residence regardless of length of last previous and residence. It is important for correct returns of immigrant residence that the answers to this question, when correctly, show country of last permanent residence independent of country of immigrant's birth, country of last nationality, or race.

Only natives of countries contiguous to the United States, or adjacent islands, will state persons not residents of the United States and are returning to a foreign country, will be recorded as "United States."

Column 12. *Name and complete address of relative or friend in country whence alien came.* — The entry should give name and address of such relative. If no such relative having given name and address is found

Column 13. *Final destination.* — The answer to this question shall show the intended future permanent residence. An alien in transit through the United States shall not state temporary stop-over. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States, country if outside the United States.

Column 14. *Whether having a ticket through to final destination.* — The answer should be either Yes (ticket) or No (no ticket).

Column 15. *By whom was passage paid.* — The entry should show definitely by whom passage was paid, as himself, husband, father, brother, mother, sister, friend, steamship company, etc.

Column 17. *Whether in possession of $50 and if not, amount possessed.* — The answer should be given in each case under oath, even if the amount is less than $50 is shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18. *Whether ever before in the United States, and if so, when and where.* — The entries should show whether or not alien was ever in the United States before, and if so, the year, or period of years, and place, as 1904, 1905, Philadelphia.

Column 19. *Whether going to join relative or friend, and if so, what relative or friend.* — The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 34. — These questions are self explanatory and the answers like all others on the sheet, are subject to re-open by inspectors in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, E. L. French, Surgeon of the HOMERIC, SAILING THEREWITH, (State whether S. S., sailing, or about to sail, or expected to arrive, as the case may be) do solemnly, sincerely, and truly swear that I have had Forty years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of U. S. Public Health Service, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, Nineteen in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, [illegible] MASTER, of the HOMERIC, from SOUTHAMPTON, do solemnly, sincerely, and truly [illegible] that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets. [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (Head tax, if any). — Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (Age). — The answer in this column should be expressed in years or months, the latter applying only to children under 1 year old.

Column 5 (Sex). — The entry should be either M (male) or F (female).

Column 6 (Married or single). — The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (Calling or occupation). — The entry should describe as accurately as possible the occupation (trade, or profession) of each person as he or she himself regards it, whether laborer, engineer, miner, engineer, bricklayer, stenographer, clerk, tailor, farmer, shoemaker, weaver, carpenter, mason, engineer, barber, hostler, tinsmith, woodturner, cook, and not simply "laborer," "mechanic," "farmer," "dressmaker," or "housekeeper."

A distinction should be made between farmer and farm laborer, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should avoid the use of the catchwords and corrections should be made, if necessary, by inspectors and clerks, before issuing the passenger manifests of alien arrivals.

Column 8 (Able to read or not). — The words "can read" or "cannot read" are sufficient answers to the following question: "Read what language (or, if can't read, what language is he able to speak)?" In answering this question the language or dialect which the alien regards as his native tongue should be given. If alien is unable to read and claims ability to do so the matter may be tested by requiring him to read a few lines from the testing card contained in the ground floor examination room, which will be given.

Column 9 (Nationality). — Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (Race or people). — See list of races printed on back of this sheet. The entry should show the race or people given in said list.

Special attention is called to the distinction between race and the country of which a citizen or subject. Country of last permanent residence and country of birth and nationality should be carefully noted by inspectors and clerks in their record. For instance, a Frenchman appearing under the head of a certain race or people does not mean a Frenchman by country. An Irish, German or Hebrew alien may be entitled to be listed under the heading of England, Switzerland, or any other country. In this connection the following discriminations should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i.e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and those descended, whether residing in Italy, Switzerland, Austria, Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i.e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi, and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (Last permanent residence). — Answer (or a line should be ruled in the year) shall constitute permanent residence. The last country in which alien resided for the term of one year or more shall be set permanent residence, if not stated to the contrary. If alien shows two countries of last permanent residence during the year, he should be credited to the country where he last resided. The entry should show the country claimed as permanent residence. It is important for statistical purposes that steamship agents should show country of last permanent residence independently of country of birth or race.

Citizens of the United States (whether native or naturalized) are not aliens and residents of the United States and who are returning from a visit abroad should be recorded "United States."

Column 12 (Name and complete address of nearest relative or friend in country whence alien came). — The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (Final destination). — The answer to this question should show the intended future permanent residence. An intended residence of one year or more shall constitute permanent residence. The entry should show definitely the place in the United States of intended future permanent residence, if within the United States, as distinguished from the United States.

Column 14 (Whether in possession of $50 and if less how much). — The answer should be either Yes (ticket) or No (not ticket).

Column 15 (Whether going to join relative or friend, and if so, what relative or friend, with name and complete address). — The entry should show definitely by whom passage was paid, whether by himself, by relative, friend, steamship company, etc.

Column 16 (Whether in possession of $50 and if less how much). — The answer should give in each case individual or family the exact amount of funs in his possession. Money brought by the head of a family should not be included among the several members of the family.

Column 17 (Whether ever before in United States and if so, when and where). — The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as, 1891, 1895, Philadelphia.

Column 18 (Whether going to join a relative or friend, and if so, what relative or friend). — The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 23. — These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 23, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, [illegible], Surgeon of the HOMERIC, [illegible], do solemnly, sincerely, and truly [illegible] that I have had [illegible] years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of [illegible], and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer to this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as, for example, a tool engineer, shoemaker, laborer, mother, wife, minister, lawyer, bookkeeper, steel worker, tailor, clerk, dressmaker, servant, etc., and not simply "engineer," "worker," "laborer," or other indefinite designation.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Specific questions should be asked to determine the facts, and corrections should be made, if necessary, by inspectors at inspection desks during the primary examination of aliens.

Column 8 (*Able to read and write*).—The enumeration should be determined by question: "Read what language (or dialect) you can read, even though you can not write?" In answering this question the language or dialect in which the alien is asked to read should be considered. If alien is unable to read and claims ability to do so in the language or dialect of his native country, the fact should be noted, and he should be regarded as able to read.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs, as given in said list.

Special attention should be paid to the distinction between race and the country of which he may be a citizen or subject. The country of last permanent residence and country of birth, and inquiries should be answered by unquestioned reports. Words in this regard. For instance, "Turkey" appearing under the head of country does not mean Turkish, but may be Greek, Armenian, Syrian, Arabian, or Hebrew. "Russia" under the head of race or people does not mean Russian, but may be Polish, Finnish, Lithuanian, Hebrew, etc. "Austria" may be Bohemian, German, Polish, Slovak, Croatian, or Hebrew, etc. "Hungary" may be Magyar, German, Croatian, Slovak, Roumanian, Ruthenian, Hebrew, etc. "Germany" may be Hebrew, Polish, Bohemian, etc. "Scotland" may be Scotch, Highland Scotch, Lowland Scotch, Aberdeen Scotch, Kelt, Celt, etc. "England" may be English, Welsh, Cornish, Scotch, Irish, Manx, Hebrew, etc. "Ireland" may be Irish, Celtic, Kelt, Gaelic, Erse, Hebrew, etc. "Switzerland" may be German, French, Italian, Hebrew, etc. "Spain" may be Spanish, Catalonian, Basque, Hebrew, etc. "Portugal" may be Portuguese, Hebrew, etc. "Greece" may be Greek, Albanian, Hebrew, etc. "Syria" may be Syrian, Arabian, Hebrew, etc. "Africa" may be Hebrew, Arabian, Negro, Abyssinian, Kaffir, Zulu, Soudanese, Egyptian, Moorish, Berber, etc. "Asia" may be Hebrew, Arabian, Armenian, Japanese, Chinese, Turkish, Persian, Hindu, Afghan, Siamese, Asiatic Russian, or any other country should be classed as "Italian (North)." Most of these people speak a variation of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, comprising the provinces of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants. Race classed as "Italian (South)."

Column 11 (*Last permanent residence*).—A total stay of one year should constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more should be the last permanent residence, and hence the alien's race or people. The entries in this column should show the country and city or town of last permanent residence. It is important for statistical purposes that the terms "permanent residence" and "temporary visit" be clearly understood. Statistics are not required showing the race or people of last permanent residence of emigrants, or race.

Country of last permanent residence should also be given for persons who are permanent residents of the United States and are returning from a visit abroad.

Column 12 (*Name and complete address of relative or friend in country whence alien came*).—The entries in this column should show the name and complete address of the relative or friend.

Column 13 (*Final destination*).—The answer to this question should show the intended future permanent residence. An intended temporary visit should not be considered residence. The entry should show definitely the place of intended future permanent residence, if within the United States, country, if outside the United States.

Column 14 (*Whether having a ticket over to final destination*).—The answer should be either Yes (ticket) or No (cash).

Column 15 (*By whom passage was paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, another relative, friend, steamship company, etc.

Column 16 (*Whether in possession of $50 and by whom furnished*).—The answer should give in each case in the alien's own words the exact amount in his possession. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (*Whether ever before in U. S., and if so, when and where*).—The entries should show whether ever before in the United States, and if so, the year or period of years and place, as, 1903, Ellis Island; 1907, Philadelphia.

Column 18 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show whether going to join either relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 46.—These questions are self-explanatory and the answers like all others on the sheet are subject to re-open by immigrant officers in the examination of aliens. However, in answering question 26, if alien has been deported from the United States and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, [illegible] (State whether Master, First or Second Officer) MASTER, of the HOMERIC, from SOUTHAMPTON, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (Head tax status). — Steamship lines should make no entries in this column. The space is for use of inspectors at the ports.

Column 4 (Age). — The entry in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (Sex). — The entry should be either M (male) or F (female).

Column 6 (Married or single). — The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (Calling or occupation). — The entry should describe as accurately as possible the occupation, trade, or profession of each alien. Such designations as laborer, servant, clerk, etc., and not country expressions peculiar to races, should be avoided.

A distinction should be made between laborers and farm laborers, regardless of the amount of money shown, as follows:

A farm laborer is one who operates a farm, either for himself or for others.

A farmer is one who owns a farm and operates it.

Column 8 (Nationality). — [illegible] WEST INDIAN. — In answering this question [illegible] should be read and claims exemption from the reading requirement [illegible] such examination should [illegible]

Column 9 (Race or people). — The list of races printed on the back of this sheet. The entry should show the race or people to which each alien belongs.

Special attention should be paid to the distinction between race and the country of which a person is a subject or citizen, for many persons of one race, and consequently of such races immigrants should be carefully recorded by race. [illegible] appearing under the head of country, [illegible] French, by language or people, and, similarly, French appearing under the head of race [illegible] Canada, France, Haiti, Switzerland, Scotch-Irish, or any other country. In this connection the following definitions should be especially observed:

CUBAN

The term "Cuban" refers to the Cuban people of Negroes.

WEST INDIAN

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK)

"African (Black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., compartimenti of Piedmont, Liguria, Venezia and Lombardia, and their descendants, whether residing in Italy, Southern Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (North)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartimenti of Lazio, Umbria, the Marches, Abruzzi, Campania, Apulia, Basilicata, Calabria, Sicily and Sardinia, and [illegible] should be classed as "Italian (South)."

Column 11 (Last permanent residence). — Actual intention to abide permanently or for an indefinite period in a country other than that of birth constitutes a last permanent residence, however long or short the time may have been actually passed in the country of last residence. Thus citizens of one country who have resided with the intention of returning to their native country after a visit of business or pleasure to another country have not established a permanent residence there. It is important for statistical purposes that absolute accuracy be observed in recording the permanent residence of aliens, whether immigrants or returning citizens, and the entry should show the country of last permanent residence, irrespective of race, people, color, or allegiance.

Column 12 (Final destination). — The answer to this question should show the intended future permanent residence. An intended future permanent residence in the United States should be shown only when the alien intends to remain permanently or indefinitely in the United States. Temporary visits, even for considerable periods, to friends or relatives, or for business or pleasure, should not be considered as indicating a permanent residence in the United States. Intending immigrants who are merely passing through the United States en route to a foreign country should be reported as having the United States as their destination only when they have the definite intention of remaining permanently or indefinitely in the United States.

Column 13 (Whether ever before in United States). — The answer should be either Yes or No.

Column 14 (Ever in prison). — The answer should be either Yes or No.

Column 15 (Whether a polygamist). — The answer should be either Yes or No.

Column 16 (Whether coming by reason of any offer, etc.). — The answer should be either Yes or No.

Column 17 (By whom passage paid). — The entry should show definitely by whom the passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 18 (How much money in possession). — The answer should give in each case the individual amount in possession, and the money shown is to be that in the possession of the alien himself. Money brought by the head of a family should not be accredited to the several members of the family.

Column 19 (Whether ever in the United States and if so, when and where). — The entries should show whether or not the alien has ever been in the United States before, and if so, the year or period of years and place, as, 1906, New York; 1907–1910, Chicago.

Column 20 (Whether going to join relatives or friends and if so, what relative or friend). — The answer should show whether the alien has either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 21 to 23. — These questions are self-explanatory and the answers, like all others on the sheet, are subject to inquiry by inspectors who pass on the examination of aliens. However, in answering these questions, if aliens have been deported within one year and the Secretary of Labor has authorized them to reapply for admission, the authority for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.* Steamship lines should make no entries in this column. The space is for use of immigrant inspectors only.

Column 4. *Age.* The answer to this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. *Sex.* The entry should be either M male or F female.

Column 6. *Married or single.* The answer should be M married, S single, Wd widow(er), or D divorced.

Column 7. *Calling or occupation.* The entry should describe as accurately as possible the occupation, trade, or profession of each alien, as for example: Clerk, engineer, farmer, laborer, merchant, painter, tailor, weaver, wheelwright, or whatever it is, and not simply "worker," "laborer," "driver," "dealer," "manufacturer," or "agent."

A distinction should be made between farmers and farm laborers regardless of the amount of money shown as in hand.

A farmer is one who owns or rents a farm, either for himself or for others.

A farm laborer is one who works on a farm, but has not means of his own.

Stewards, cooks, and waiters on vessels are not laborers, and corrections should be made, if necessary, by inspectors in charge.

Column 8. *Able to read.* This column is provided to enable the alien to express himself. Read what he can read, if anything, and write what he can write. In answer to this question the last sentence of the Chinese Exclusion Act reads as follows: "Any person who is now or may hereafter be unlawfully in the United States, or who may not have been lawfully entitled to enter at the time of entering the United States, who could not read the English language or some other language or dialect, including Hebrew or Yiddish, shall be deported as provided in this act to the country whence he came." Under this requirement, therefore, the word "cannot" should be given.

Column 9. *Nationality.* Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.* See list of races printed on back of this sheet. The entry should show the race or people of which each alien belongs.

Special attention should be paid to the distinction between race and the country of which the alien is a citizen or subject. For example, Germans, Englishmen, Irishmen, Scotchmen, and Frenchmen should be returned by race or people and not by country or nationality. For instance, a person coming under the head of "German" may be a native of Germany, Austria, Russia, France, Switzerland, or Belgium, and should be returned as a Bohemian, Moravian, Slovak, Polish, Alsatian, Swiss, Belgian, or Russian, as the case may be. All Latin Germans, or Hebrew aliens by race should be returned as natives of the countries in which they have severally resided, and not as natives of Germany, Russia, or any other country. In this connection the following distinctions should be carefully observed.

CUBAN.

The term "Cuban" refers to the Cuban people not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the American Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this wording.

ITALIAN (NORTH).

The people who are native to the basin of the River Po, i. e., compartments of Piedmont, Lombardy, Venetia, and Tuscany, and those descended from these provinces, whether residing in Italy, Switzerland, Austria-Hungary, or other countries, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and those descended from these should be classed as "Italian (south)."

Column 11. *Last permanent residence.* Aliens who have acquired residence in some town should report it, even though they may have lived in another country for more than one year. If a person has resided in two countries for more than one year each, the country in which he has resided longest should be returned as the country of last permanent residence. It is important for statistical purposes that the question in regard to last permanent residence be accurately answered. Do not permit aliens to return "America" as their country of last permanent residence, unless they have resided in the United States for many years, or were born in the United States and are returning to their native land, and be careful to distinguish "United States" from "England."

Column 12. *Whether going to join a relative or friend, and if so, what relative or friend, and in country whence alien came.* The entry should give name and address of such relative. If such relative is dead, give name and address of friend.

Column 13. *Final destination.* The answer to this question should show the intended future permanent residence. An intended residence of one year should not be returned as permanent residence. The entry should state definitely the place, town, or city of intended future permanent residence if within the United States, and not simply the name of the State in the United States.

Column 14. *Whether has ticket through to final destination.* The answer should be either Yes or ticket or No or not ticket.

Column 15. *Whether in possession of money and if so, how much.* The entry should show definitely by which passage was paid for, as "self," "parent," "husband," "brother," "sister," "friend," "steamship company," etc.

Column 16. *Whether ever before in the United States, and if so, when and where.* The entries should show whether or not "never" in the United States before, and also, the year or period of years and place, as "1893, New York," "1895–1899, Philadelphia."

Column 17. *Whether going to join a relative or friend, and if so, what relative or friend.* The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 34. These questions are self explanatory and the answers, like all others on the sheet, are subject to be sworn to by the inspectors in the examination of aliens. However, in answering question 32, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, [redacted], of the HOMERIC, from [redacted], do solemnly, sincerely, and truly [redacted] that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [redacted] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.* Steamship lines should make no entries in this column. The space is for use of immigrant inspectors.

Column 4. *Age.* The answer to this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. *Sex.* The entry should be either M (male) or F (female).

Column 6 (*Married or single*). The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*). The entry should describe as accurately as possible the occupation, trade, or profession of each alien, such as farmer, carpenter, clerk, servant, engineer, laborer, painter, merchant, tailor, printer, shoemaker, wood turner, etc., and not simply laborer, clerk, tailor, servant, etc., unless no more definite description can be given.

A distinction should be made between farmers and laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm, for its owner or operator.

Steamship companies should state clearly in each case whether the alien is a skilled or unskilled laborer, by occupation, and register a decision regarding the right of each alien to land as a non-laborer.

Column 8. *Nearest relative.* Here should be entered the name and complete address of the wife, husband, father, mother, or other relative (near friend, steamship company, etc.) whom the alien intended to join or who had paid the passage. Do not answer by the word "friends." Do not state the name of a steamship company or agent. Be sure to state the name and address of the person mentioned. Initials and family names must not be used. Any unnecessary repetition of the answer should be avoided.

Column 9. *Nationality.* Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.* See list of races printed on back of this sheet. The entry should show the race or people to which the alien belongs.

Special attention should be paid to the distinction between race and the country of which he is a citizen or subject, country of last permanent residence, and country of birth, and inquiries should be carefully framed by those interrogating aliens in this regard. For instance, persons appearing under the head of countries not meaning thereby to refer to race or people and so state, French appearing under the head of race or people also not meant. France, Germany, Ireland, or Holland would be entered in answer to the question as to race or people. An Irish, German, or Holland subject, as the case may be, would answer for the Province of England, Scotland, or any other country. In this connection the following observations should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, who has come from Africa or other islands of the West Indies, North or South America, Europe, or Asia. An alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are natives of that portion of Italy north of the latitude of the River Po, i.e., compartimenti of Liguria, Piemonte, the Provinces of Lombardia, Venezia, and Emilia, and those born in the Provinces of Massa Carrara, Lucca, Pisa, Livorno, Siena, and Grosseto, Toscana, should be classed as "Italian (north)." Most of these people speak a dialect differing from the Italian language.

ITALIAN (SOUTH).

The people who are natives of that portion of Italy south of the latitude of the River Po, i.e., compartimenti of Umbria, Marche, the Provinces of Rome, the Provinces of Aquila, Teramo, Campobasso, Caserta, Napoli, Benevento, Avellino, Salerno, and Potenza, Basilicata, Calabria, Puglie, Sicilia, and Sardegna, should be classed as "Italian (south)."

Column 11. *Last permanent residence.* Answers to this question should show the country which constitutes the permanent residence of the alien. The last country specified must be considered as the determining factor in the case of an immigrant's admissibility, and not any country in which he may have resided temporarily. The question is not, Where did he last pay a head tax? Where did he last have a home? Where did he last reside for a short time? but, Where has he had his permanent residence? Care should be taken to ascertain whether the alien has been a traveling salesman, actor, artist, lecturer, etc., or has had a home in more than one country. Such cases require careful investigation. Do not accept the answer "U. S." unless it is clear that the alien has actually established a permanent residence in the United States. Do not accept the answer "Canada" unless it is clear that the alien is a Canadian by birth or has resided in Canada for a sufficient length of time to indicate that Canada is his country of last permanent residence.

Column 12. *Name and complete address of relative in country whence alien came.* The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13. *Final destination.* These answers to the question should show the intended future permanent residence. Any intended temporary residence should be stated in connection with the answer to question 14. Do not accept the answer "U. S." unless it is clear that the alien has actually established a permanent residence within the United States, as distinguished from temporary residence, or merely passing through the United States en route to another country.

Column 15. *Whether has a ticket through to final destination.* The answer should be either Yes (ticket) or No (no ticket).

Column 16. *By whom was passage paid.* The entry should show definitely by whom passage was paid, as self, husband, father, mother, or other relative (name it), steamship company, etc.

Column 17. *If in possession of $50 and over, how much.* The entry should give in each case the exact amount of money (if $50 or more) shown. Money in sight by the head of a family should not be considered as the property of the family.

Column 18. *Whether ever before in the United States, and if so, when and where.* The entries should show as to the foreigner whether he has ever been in the United States before, and if so, the year or period of years and place, as, 1893 (New York).

Column 19. *Whether going to join a relative or friend, and if so, what relative or friend.* The answer should show whether going to join husband, friend, sister, brother, or friend with name and complete address.

Columns 20 to 43. These questions relating to sex, race, and the questions following all others on the sheet, are subject to revision by the officers in the examination of aliens. However, in answering question 29, if an alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of their classification, the mother tongue to be used only to assist in determining the original stock.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, [illegible] MASTER, of the [illegible], from SOUTHAMPTON, do solemnly, sincerely, and truly [illegible] that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

[illegible]
Master or Commanding Officer.

Sworn to before me this [illegible] day of [illegible], 19[illegible]
at NEW YORK

[illegible]
Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Column 4. [illegible] in this column should be expressed in years or months, the latter [illegible]

Column 6. *Single or married.*—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7. *Calling or occupation.*—The entry should describe each alien as specifically as possible. [illegible] tion [illegible] such as "laborer," "servant," "gentleman," "no occupation," "wife," "child," "minor," "scholar," "student," "at home," "none," "invalid," "cripple," "blind," "deaf and dumb," "deformed," "idiot," "insane," "pauper," "vagrant," "convict," "polygamist," "anarchist," "seeking work," "no trade," "no profession," "peddler," "musician," "actor," "actress," "dancer," "showman," "artist," "lecturer," "author," "clergyman," "missionary," "physician," "surgeon," "nurse," "midwife," "engineer," "electrician," "soldier," "sailor," "machinist," "mechanic," "printer," "tailor," "tailoress," "seamstress," "milliner," "dressmaker," "hatter," "furrier," "shoemaker," "boot and shoe maker," "miner," "weaver," "spinner," "dyer," "bleacher," "potter," "glass worker," "cabinet maker," "carpenter," "wood turner," etc., and not simply "laborer," "clerk," "manufacturer," "agent," "dealer," "trader," or "merchant," unless the last-named terms are accompanied by a definite statement of the particular kind of goods manufactured, sold, or dealt in. A person formerly engaged in any occupation, but incapacitated from following it, should be returned as "formerly [illegible]," stating the occupation. Persons of no occupation should be returned as "none." Under no circumstances should the general terms "laborer," "clerk," "manufacturer," "agent," "dealer," "trader," or "merchant" be used unless specifically explained, as above directed, by the words which precede or follow them. A person who has been employed at different occupations during the past few years should be returned as having the occupation at which he was last employed.

A farmer owning or cultivating a farm should be returned as "farmer," and not as "planter."

A person having no occupation, but living on the income of property owned, should be returned as "gentleman" or "lady," as the case may be, and not as "capitalist" or "banker," unless he is actually engaged in the business of banking.

Students attending any school, college, or university should be returned as "students," and not by the name of the institution they attend.

Persons formerly engaged in any occupation, but now employed in some other occupation, should be returned as having the occupation in which employed at present.

Question 9 should be considered to mean the country of which alien was a citizen or subject.

Column 10. *Race or people.*—See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Last Address.*—Steamship lines should make no entries in this column. The space is for use of Government officials.

Column 3. Name in full of each person in the company should be expressed in years or months; the latter applying to those under 1 year of age.

Column 4. The entry should be either M (male) or F (female).

Column 5. *Married or single.*—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7. *Calling or occupation.*—The entry should describe as accurately as possible the occupation (trade or profession) of each person named. Children should be described as "child" or "infant." Persons of no occupation should be described as "none." Laborers, mechanics, servants, etc., should not be described by the general term only, but by the particular kind of labor performed.

A laborer should be distinguished from a skilled artisan, regardless of the amount of money shown to be in his possession.

A farmer means one who owns or hires and manages a farm; a farm laborer or farm hand works on a farm for wages.

A clerk of any sort who has a definite occupation should be described as such.

Servants should be described as domestic servants, cooks, waiters, or waitresses, as the case may be.

Compound terms, such as "engineer and machinist," should be used if necessary to [redacted]

Column 8. *Nation of last permanent residence.*—Here insert the name of the country of which the person named in the preceding column is a native, and which he has left to come to the United States. Do not abbreviate. Write the name out in full. Unless otherwise directed, the name of the present political division of European countries should be given, and not the name by which it was formerly known. Thus, Austria-Hungary, Russia, Germany, Turkey, Italy, France, Spain, Portugal, Great Britain, Ireland, Sweden, Norway, Denmark, Holland, Belgium, Switzerland, Greece, Roumania, Servia, Montenegro, Bulgaria, Asiatic Turkey, Arabia, Persia, China, Japan, India, Egypt, Mexico, Cuba, Central American States, South American States, Australia, New Zealand, and the Dominion of Canada should be used in preference to the name of any city, province, or other political division of any of said countries.

Column 9. *Race or people.*—See List of races printed on back of this sheet. The entry should show the race or people of which each person named is a member. Such races or peoples as the Bohemians, Bretons, Basques, Celts, Finns, Germans, Gypsies, Hebrews, Highlanders, Lapps, Magyars, Moors, Slavonians, Spanish, Welsh, and the like, should be distinguished from the general race or people to which they belong. Thus, Bohemians should be described as Slavonian or Hebrew; Basques as Spanish or French; Highlanders as Scotch, English, or Celtic; Lapps as Finnish or Scandinavian; Welsh as Celtic or Cymric; Moors as Arabian or Negro; Gypsies as Hungarian, Spanish, Turkish, or Egyptian, according to the country from which they came. AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, [illegible] MASTER, of the HOMERIC, from SOUTHAMPTON, do solemnly, sincerely, and truly [illegible] that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

[illegible]
MASTER
~~Officer.~~

Sworn to before me this [illegible] day of [illegible], 19[illegible].

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (Vessel or line).—Steamship lines should make no entries in this column. The space is for use of the examining officials only.

Column 4 (*Age*).—The answer to this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—Enter the letter M, male, or F, female.

Column 6 (*Married or single*).—The answer should be M, married, S, single, Wd, widowed, or D, divorced.

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each person, as far as possible. Clerk, mother, child, engineer, laborer, machinist, miner, painter, lawyer, student, tailor, teacher, typewriter, weaver, wife, and the like, are sufficiently definite. Such terms as "merchant," "manufacturer," "agent," "gentleman," "lady," "servant," "driver," "operator," "dealer," "peddler," "farmer," and other indefinite descriptions are not sufficient.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown to be in possession of the former.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this column the subject of careful attention, and corrections should be made, if necessary, by inspectors and assistants, before allowing the persons to whom such entries relate to land.

Column 8 (*Able to read and write*).—This column should be ruled so as to obtain the following question: "Read what language or dialect?" If a person is claimed upon what ground. In answering this question in the affirmative, the alien need not be required to read and write in any particular language, but the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs.

Special attention should be paid to the distinction between race and the country of which citizen or subject, or country of last permanent residence, and country of birth, and persons should be carefully examined and reports made in accordance with the facts stated. For instance, "France" appearing under the heading of country of last permanent residence may refer to any one of several races or peoples, such as Basque, Breton, French, Spanish, Italian, Jewish, Negro, Corsican, Alsatian, Lorraine, or Provençal. Similarly, the word "England" may refer to Welsh, Scotch, Irish, Scotch-Irish, Negro, Canadian, Australian, East Indian, Anglo-Saxon, or any other race or people. Consequently the heading of England, Scotland, Ireland, or any other country. In this connection the following distinctions should be especially observed.

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po (or northern Italy) (i. e., compartments of Piedmont, Lombardy, Venetia, or Emilia, and the provinces of Massa, Carrara, Lucca, Bologna, Ferrara, Ravenna, Forli, Pesaro, Urbino, Ancona, Macerata, and Perugia, or any of them), should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Leghorn, Tuscany, the Maritime and Roman States, the Abruzzi, and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their inhabitants) should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—A blank or a mark should not be used, but the word should be written. The last country in which a person resided with the intention of remaining one year or more should be stated as permanent residence, even though it be his former home. The entries in column 11 should show the countries and colonies of last permanent residence. It is important for statistical purposes that every immigrant accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Columns 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of each relative. If no such relative living give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An alien need not be sent to the city, village, or town of intended future permanent residence, if within the United States, merely in order to show final destination. The answer should be either Yes (ticket) or No (not ticket).

Column 15 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Columns 17, 18 (*Whether in possession of $50 and how much*).—The answer should be yes or no, and if yes, how much. Money brought by the head of a family should not be divided up on the several members of the family.

Column 18 (*Whether ever before in, or landed in, United States and if so, when and where*).—The entries should show whether or not alien was ever in the United States before, and if so, the year or period, 4 years and place, as 1894, 1897, Philadelphia.

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show whether going to join relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 37.—These questions are self-explanatory and the answers, like all others on the list, are subject to revision by inspectors at ports of the examination of aliens. However, in answer to question 29, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, [illegible], Surgeon of the [illegible], SAILING FROM [illegible], (State whether sailing from a foreign port or from a port in the United States) do solemnly, sincerely, and truly [illegible] that I have had [illegible] years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of [illegible], and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

NOTE. Full text of question 24 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, or who disbelieves in or is opposed to organized government, or who advocates the assassination of public officials, or who advocates or teaches the unlawful destruction of property, or is a member of or affiliated with any organization entertaining and teaching disbelief in or opposition to organized government or which teaches the unlawful destruction of property, or who advocates or teaches the duty, necessity, or propriety of the unlawful assaulting or killing of any officer or officers, either of specific individuals or of officers generally, of the Government of the United States or of any other organized government because of his or their official character.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, [illegible] MASTER, of the HOMERIC, from SOUTHAMPTON, do
(State whether Master, First, or Second Officer)
solemnly, sincerely, and truly [illegible] that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

[illegible]
Officer.

Sworn to before me this 16th day of [illegible], 1923.

at NEW YORK

[illegible]
Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer is to this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widow(er)), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as for example: Civil engineer, statistician, electrician, locomotive engineer, mining engineer, lawyer, physician, chemist, author, editor, teacher, clergyman, musician, painter, sculptor, architect, decorator, designer, draftsman, engraver, etc.; and not simply, as engineer, merchant, laborer, farmer, or other indefinite designation.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who employs him.

Steamship companies should not use the term "none" in the list of aliens, and correct terms should be made, if necessary, by the inspector at the time the list is presented for examination of aliens on arrival.

Column 8 (*Able to read and write*).—This column needs no explanation. It contains the following question: "Can I what language (or, if exact question is not used, upon what grounds)?" In answering this question the language or dialect that can be read should be stated. If alien can neither read and claims exemption from the reading requirement the ground upon which exemption is claimed should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs.

Special attention should be paid to the distinction between race and the country of which a citizen or subject. Country of last permanent residence and country of birth and nationality should be carefully recorded, as special records are kept in this regard. For instance, if alien appearing under the heading "Polish" is a native of Germany, the race or people, and similarly "French" appearing under the head of "Italian" people should not be entered. As a rule, German or Hebrew should not be used to describe race or people, and such words as "Italian," "Hungarian," "Spanish," "Irish," "Scotch," "English," "Swedish," "Dutch," "Finnish," etc., are to be used in the heading of English, Scotch-Irish, or any other country. In this connection the following instructions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH-AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are natives of that portion of Italy north of the basin of the River Po (i. e., comprising Piedmont, Liguria, Lombardy, Venetia and Emilia, and their descendants, whether born in the United States or elsewhere) should be classified as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are natives of that portion of Italy south of the basin of the River Po (i. e., comprising Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classified as "Italian (south)."

Column 11 (*Last permanent residence*).—A residence which, in alien's own belief, has existed for the period of one year shall constitute permanent residence. The last country in which alien has resided for the period of one year should be stated in the list, whether the same be a country or town of said alien's birth or not. It is important that the alien 11 should show the complete and city or town of last residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence of persons [illegible] departing from a port abroad [illegible] United States.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be stated [illegible] United States.

Column 12 (*Name and address of nearest relative or friend in country whence alien came*).—The entry should give name and addressed such relative. If no such relative is in the place name should be stated.

Column 13 (*Final destination*).—Place named in the question should show the intended future permanent residence. Mere intended residence of a year should not be regarded as permanent residence. Intended residence should definitely be stated as to town and intended future permanent residence, if within the United States (country, if abroad, for United States).

Column 14 (*Whether having a ticket to such place and final destination*).—The answer should be either Yes (ticked) or No (unticked).

Column 15 (*Whether in possession of $50 and if not, by whom amount was furnished and relationship, if any, to such person*).—The entry should show definitely by whom passage was paid, as by husband, father, brother, or other relative, friend, steamship company, etc.

Column 16 (*Whether in possession of $50 and if less than $50*).—The answer should give in each case cash in hand of family, the exact amount of money shown. Money brought by the head of a family should not be included as that of each member of the family.

Column 17 (*Whether ever before in the United States and if so, when and where*).—The entry should show whether or not the alien was ever in the United States before, and if so, the year or period of years and place, as 1906–1907, Philadelphia.

Column 18 (*Whether going to join relatives or friends, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Column 19 (*Sex*).—These questions need self-explanatory and the answers, like all others, the sheet are simple. In regard to [illegible] questions, etc., in the examination of aliens. However, in answering question 20, if alien has been excluded or deported heretofore and the Secretary of Labor has authorized him to reapply for admission, the number of such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officers only.

Column 4. *Age.*—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. *Sex.*—The entry should be either M (male) or F (female).

Column 6 (*Married or single.*—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation.*)—The entry should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as, for example: Coal shoveler, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, last molder, wood turner, etc., and not simply as laborer, polisher, molder, turner, or other indefinite designation.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and reentry cards bearing the personal examination of the aliens upon arrival.

Column 8. (*Able to read and write.*—The column should be filled to answer the following question: "Read what language (or dialect) the alien is able to read, and write?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9. *Nationality.*—Question 9 should be construed to mean the country of which alien is a [illegible]

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence.*—A final or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence, regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12. *Name and complete address of nearest relative or friend in country whence alien came.*—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination.*)—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

14

I, H. A. Cunningham, Master *(State whether Master, first, second or third Officer)*, *of the* S/S George Washington, *from* Bremen Southampton Cherbourg, *this solemnly, sincerely, and truly* affirm *that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets.* five *in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.*

H. A. Cunningham
Officer.

Sworn to before me this 20th. *day of* October, *19* 22

at New York

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*) - Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*) - The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*) - The entry should be either M (male) or F (female).

Column 6 (*Married or single*) - The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*) - The entry should describe as accurately as possible the occupation, trade or profession of each alien arrived as for example: Civil engineer, shipmaster, engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron moulder, wood turner, etc., and not simply as engineer, polisher, moulder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown as follows:

A farmer is one who *operates* a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make the distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*) - This column should be divided and contain the following question: "Read what language (or dialect)?" In answering this question in the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*) - Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*) - See list of races printed on back of this sheet. The entry should show the race or people to which alien belongs, even if such race or people is not mentioned in the printed list.

Special attention should be paid to the distinction between race and the country of which citizen or subject; country of last permanent residence and country of birth, and questions should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by nationality. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia and Emilia and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*) - Actual or intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more should be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of the country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*) - The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*) - The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city, or town, of intended future permanent residence, if within the United States country, if outside the United States.

Column 14 (*Whether having a ticket to such final destination*) - The answer should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom was passage paid*) - The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if not, how much*) - The answer should give, in each case (individual or family), the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*) - The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1891-1897, Philadelphia.

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend*) - The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33 - These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspectors in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each person arrived as, for example, coal engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel worker, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designation.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction at the immigrants' homes, and corrections should be made if necessary by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is needed and contains the following question: "Read what language (or, if exemption is claimed, read what ground)." In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of races or peoples does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the headings of England, Switzerland, or any other country. In this connection the following directions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other countries, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intent to remain one year or more shall be the last permanent residence, regardless of length of actual residence thereafter. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of immediate last residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city or town, of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (a ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, mother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less how much*).—The answer should give in each case individual or family the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894 1897, Philadelphia.

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 34.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, E. A. Cunningham *, of the* S/S George Washington *, from* Bremen Southampton Cherbourg *solemnly, sincerely, and truly* affirm *that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets.* five *in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.*

Master *Officer.*

Sworn to before me this 20th. *day of* October *, 1922*

at New York

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *(Head tax status).* — Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4. *Age.* — The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. *Sex.* — The entry should be either M for male, or F for female.

Column 6. *Married or single.* — The answer should be M (married), S (single), Wd. (widowed), or D (divorced).

Column 7. *Calling or occupation.* — The entry should describe as accurately as possible the occupation, trade, or profession of each alien, even if he is a child or woman, stating not merely whether a laborer, clerk, or servant, but what kind of laborer, clerk, or servant, as, for example, cotton planter, farmer, stock raiser, shoemaker, tailor, weaver, wood turner, etc., and not simply a gentleman, lady, merchant, student, or laborer, which terms do not sufficiently describe the occupation.

A distinction should be made between laborers and farm laborers, regardless of the amount of money shown as possessed.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for others for hire.

Common laborers, unskilled laborers, and laborers (not farm laborers) should be so described, if no trade, profession, or occupation can be stated, and in no case should the term "laborer" be used in connection with any other occupation, as, for example, "engineer (laborer)."

Column 8. *Able to read?* — The answer is to be recorded as either Yes or No. The following question is: Read what language or dialect? If a person can read any language or dialect, he is to be so recorded. Persons who can read only the characters or figures used to express numbers or only a portion of the letters of the alphabet are not to be recorded as able to read. Persons who can read only words and phrases memorized sufficiently to pass the ordinary literacy test, but who cannot read sentences disclosing the fact that they understand the meaning of the words read, are not to be recorded as able to read.

Column 9. *Nationality.* — Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.* — See list of races printed on back of this sheet. The entry should show the race or people as given in that list.

Care should be exercised to draw the distinction between race and the country of which the alien is a citizen or subject, as the latter is frequently stated erroneously by aliens who have become naturalized. Persons born in Scotland should be recorded as Scotch, those born in Wales as Welsh, those born in England as English, those born in Ireland, unless evidently of Celtic race, as Irish, and those born in Germany as Germans or Hebrews, according to the race or people to which they belong. Persons born in the British Dominions, other than those specifically mentioned under the heads of Scotch, Welsh, English, and Irish, should be recorded, as a rule, according to the race or people to which they belong, as, for example, Canadian (French), Canadian (not French), Hindu, Negro, etc. Persons born in the German Empire, Austria-Hungary, Switzerland, or Russia should be recorded as Germans, Hebrews, Poles, Bohemians, Slovaks, Croatians, Slovenians, Ruthenians, Dalmatians, Finns, Lithuanians, Russians, Bulgarians, Servians, Montenegrins, Roumanians, Greeks, Turks, Armenians, Syrians, Arabs, or Magyars, according to the race or people to which they belong. Persons born in Spain should be recorded as Spanish, Basque, Catalonian, Gallegan, Andalusian, Balearic Islander, Canarian, Castilian, Navarrese, Valencian, Asturian, Moor, or Gypsy, according to the race or people to which they belong. Persons born in Portugal should be recorded as Portuguese, Madeiran, Azorean, Cape Verdean, Brava, Fogo, Boa Vista, Maio, Sal, Santiago, Antam, Sao Thiago, Principe, or Timorese, according to the race or people to which they belong. Persons born in Mexico should be recorded as Mexican, Indian, Negro, Spanish, or Mixed, according to the race or people to which they belong. Persons born in Cuba should be recorded as Cuban, Spanish, Negro, or Mixed, according to the race or people to which they belong. Persons born in Haiti should be recorded as Haitian, Negro, or Mixed, according to the race or people to which they belong. Persons born in Santo Domingo should be recorded as Dominican, Negro, or Mixed, according to the race or people to which they belong. Persons born in Central or South America should be recorded as Central American, South American, Indian, Negro, Spanish, or Mixed, according to the race or people to which they belong. Persons born in the Philippine Islands should be recorded as Filipino, Negrito, Tinguian, Igorrote, Kalinga, Bontoc Igorrote, Isneg, Apayao, Calinga, Negro, Spanish, or Mixed, according to the race or people to which they belong. Persons born in Africa should be recorded as Negro, Hamite, Berber, Arab, Kabyle, Soudanese, Fulah, Liberian, Abyssinian, Basuto, Bechuana, Kaffir, Zulu, Hottentot, Bushman, or Mixed, according to the race or people to which they belong. Persons born in Australia should be recorded as Australian, Tasmanian, New Zealander (not Maori), Maori, Polynesian, Melanesian, Micronesian, Negrito, Papuan, Negro, or Mixed, according to the race or people to which they belong. Persons born in Asiatic Turkey should be recorded as Armenian, Syrian, Arab, Turk, Hebrew, Kurd, Greek, Negro, or Mixed, according to the race or people to which they belong. Persons born in China should be recorded as Chinese, Mongolian, Manchu, Tartar, Tibetan, Negro, or Mixed, according to the race or people to which they belong. Persons born in Japan should be recorded as Japanese, Kuman, Negro, or Mixed, according to the race or people to which they belong. Persons born in Siberia should be recorded as Siberian, Russian, Tartar, Finn, Lithuanian, Negro, or Mixed, according to the race or people to which they belong. Persons born in India should be recorded as Hindu, Bengali, Punjabi, Marathi, Gujarati, Pathan, Afghan, Beluchi, Tamil, Telugu, Kanarese, Malayalam, Sinhalese, Burman, Siamese, Malay, Negrito, Papuan, Negro, or Mixed, according to the race or people to which they belong. Persons born in Turkestan should be recorded as Turkestanian, Russian, Tartar, Finn, Lithuanian, Negro, or Mixed, according to the race or people to which they belong. Persons born in Arabia should be recorded as Arab, Hebrew, Negro, or Mixed, according to the race or people to which they belong. Persons born in Persia should be recorded as Persian, Parsee, Arab, Afghan, Beluchi, Negro, or Mixed, according to the race or people to which they belong. Persons born in Afghanistan should be recorded as Afghan, Beluchi, Persian, Parsee, Arab, Negro, or Mixed, according to the race or people to which they belong. Persons born in Beluchistan should be recorded as Beluchi, Afghan, Persian, Parsee, Arab, Negro, or Mixed, according to the race or people to which they belong. Persons born in Arabia should be recorded as Arab, Hebrew, Negro, or Mixed, according to the race or people to which they belong. Persons born in Persia should be recorded as Persian, Parsee, Arab, Afghan, Beluchi, Negro, or Mixed, according to the race or people to which they belong. Persons born in Afghanistan should be recorded as Afghan, Beluchi, Persian, Parsee, Arab, Negro, or Mixed, according to the race or people to which they belong. Persons born in Beluchistan should be recorded as Beluchi, Afghan, Persian, Parsee, Arab, Negro, or Mixed, according to the race or people to which they belong.

CUBAN

The term "Cuban" refers to the Cuban people not Negroes.

WEST INDIAN

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or the islands of the West Indies, Nova, or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to that part of Italy north of the basin of the River Po (i.e., departments of Piedmont, Liguria, Lombardy, Venetia, and Emilia, and those districts which were formerly in the Austrian Tyrol, Austrian Venetia, or Austrian Istria) should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that part of Italy south of the basin of the River Po (i.e., departments of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and those districts which were formerly in the Papal States, Kingdom of the Two Sicilies, and Kingdom of Sardinia) should be classed as "Italian (south)." The list contains words which are used in both the Italian and Spanish languages. The word should be classified according to the country from which the alien last came. Thus, if a Spaniard has resided in Italy for a short time, he should be classified as a Spaniard, and if an Italian has resided in Spain for a short time, he should be classified as an Italian.

Column 11. *If a passage ticket, etc.* — The answer should be Yes or No, as the case may be.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, H. A. Cunningham, *of the* S/S George Washington, *from* Bremen Cherbourg & Southampton *solemnly, sincerely, and truly* affirm *that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets,* five *in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.*

Officer.

Sworn to before me this twentieth *day of* October, *19* 22

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officers.

Column 4 (*Age*).—The age given in this column should be expressed in years or months, the latter applied only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien, as "laborer," "clerk," "servant," "cook," "seamstress," "housekeeper," "merchant," "tailor," "tailoress," "shoemaker," "baker," "butcher," "carpenter," "blacksmith," "miner," "farmer," "stockraiser," "engineer," "machinist," "weaver," "spinner," "dressmaker," "milliner," "bookkeeper," "stenographer," "typewriter," "clergyman," "lawyer," "physician," "musician," "actor," "actress," "painter," "sculptor," "author," "editor," "reporter," "teacher," "professor," "student," "boy," "girl," "gentleman," "lady," "no occupation," etc., and not simply "laborer" (or "farmer") for persons customarily engaged in other occupations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown as in hand.

A laborer is one who performs work requiring no particular skill or special training.

A servant is one who performs household service for wages or compensation.

Persons having no occupation, including children, should be returned as such.

Column 8 (*Nationality*).—This column should not be confused with that headed "Race." Read what is required as to allegiance, and write the name of the country to which the alien owes allegiance, not that in which he was born or may have resided. If alien is entitled to land and claims exemption from the application of the head tax, he should be questioned closely.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people to which he belongs.

Special attention should be paid to the distinction between race and the country of which citizen or subject. Country of last permanent residence and country of birth and governments should be carefully noted in order that all necessary information may be had. For instance, "Irish" appearing under the head of race, country, or nationality, "French" in place of people, and "Swiss," "English," appearing under the head of race, people, or nationality, "Austrian, German, or Hebrew" alone is not sufficient, as persons of these races may be natives of England, Switzerland, or any other country. In this connection the following discussions should be carefully observed.

CUBAN.

The term "Cuban" refers to the Cuban people and Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cuban or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are natives of the basin of the Po or Pearl River Delta in northern Italy, i. e., the departments of Piedmont, Liguria, Lombardy, Venetia, and Emilia, and those descended of ancestors resident in these sections, shall be classified as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are natives of that portion of Italy south of the basin of the River Po, i. e., the departments of Leghorn, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, shall be classified as "Italian (south)."

Column 11 (*Last permanent residence*).—Answer should be the country in which alien has last resided permanently for a year or more. The last permanent residence should not be confused with the country of birth or nationality. If alien has been in the United States or Canada for a year or more and has returned to his native country for a visit, the country of last permanent residence is the United States or Canada. If alien has resided in two countries for a year or more each, the country in which he has resided last should be returned as the country of last permanent residence. If alien has resided for a year or more in the United States or Canada, and has returned to his native country, and has resided there for a year or more, the country of last permanent residence is the country in which he has resided last prior to coming to the United States or Canada.

Columns 12 (*Name of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to the question should show the intended future permanent residence. Any intended residence of one year shall be considered permanent residence. The entry should be determined by the alien at the time of arrival. Intended future permanent residence within the United States cannot be outside the United States.

Column 14 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom was person paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50 and by whom furnished*).—The answer should show each case individually and fully the exact amount in possession of alien. Money brought by the head of family should not be divided among the several members of the family.

Column 18 (*Whether ever before in U. S., and if so, when and where*).—The entry must show whether or not a Yes or No in the United States before, and if so, the year, or several dates, and place, as 1890, 1895, Philadelphia.

Column 19 (*Whether going to join relatives or friends, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 34.—These questions are self-explanatory, and the answers, like all others on the sheet, are subject to inquiry by immigration officers at the various ports of arrival. However, to answer these questions 26, 27, 28, 29, 30, 31, 32, 33, and 34, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widow(er)), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of an alien at arrival, as, for example, civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, cabinetmaker, printer, molder, turner, weather-boarding dresser, etc.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make the distinction on the manifests, and corrections should be made, if necessary, by the registry clerks during the personal examination of aliens at ports.

Column 8 (*Can read and write*).—This column is subdivided and contains the following question: "Read what language (or, if exemption is claimed, upon what ground)?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed.

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia), and their descendants, should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence, regardless of length of actual residence thereon. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Countries of last permanent residence do not mean where permanent residents of the United States are returning from a visit abroad (should be recorded "United States").

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely by the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid (as self, husband, father, brother, or other relative, friend, steamship company, etc.).

Column 16 (*Whether in possession of $50, and if less how much*).—The answer should give in each case cash in order (or family, the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) alien in the United States before, and if so, the year (or period of years) and place, as, 1893, Philadelphia.

Column 18 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 23.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

I, H.A.Cunningham MASTER, of the S.S.George Washington, from Bremen,Southampton & Cherbourg, 19
(State whether Master, First or Second Officer)

solemnly, sincerely, and truly affirm that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 9 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax (status)*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make the distinction on the manifests, and corrections should be made, if necessary, by the aliens and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following questions: "Read what language [or, if exemption is claimed, upon what ground]." In answering this question in the case of aliens the alien is asked to read a short sentence. If alien is unable to read, and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 11 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject. The country of last permanent residence and country of birth, and manifests should be carefully revised by inspectors and reentry clerks in this regard. For instance, "France" appearing under the heading country does not mean "French" by race or people and, similarly, "French" appearing under the heading race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race or nationality properly come under the heading of England, Scotland, or any other country. In this connection the following distinctions should be especially observed.

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual origin intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence there. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies furnish, when country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be held to be "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city or town of intended future permanent residence, if within the United States, country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less how much*).—The answer should give in each case individual or family the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not Yes or No in the United States before, and if so, the year (or period of years) and place, as, 1894–1897, Philadelphia.

Column 19 (*Whether coming to join relative or friend; and if so, what relative or friend*).—The answer should show who the person is coming to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—Those questions are self explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, H.J.Cunningham Master *, of the* S.S.George Washington *, from* Bremen, Southampton& Cherbourg *solemnly, sincerely, and truly* affirm *that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets,* 9 *in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.*

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or laborer, but so designated.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and reentry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language [or if exemption is claimed, upon what ground]?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and reentry clerks in this regard. For instance, "France" appearing under the heads of country does not mean "French" by race or people, and similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia and Emilia and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence (aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States").

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 17 (*Whether in possession of $50, and if less how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States; and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1894 1897, Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

17

30

I, P.F.Sondern, Surgeon of the S/S George Washington, Sailing therewith, do solemnly, sincerely, and truly affirm that I have had 25 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the University of the State of New York, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 9 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Sworn to before me this 20th. day of October, 1922

at New York

(Signature and title of immigration or other officer authorized to administer oaths)

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

NOTE.—Full text of question 24 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, or who disbelieves in or is opposed to organized government, or who advocates the assassination of public officials, or who advocates or teaches the unlawful destruction of property, or is a member of or affiliated with any organization entertaining and teaching disbelief in or opposition to organized government or which teaches the unlawful destruction of property, or who advocates or teaches the duty, necessity, or propriety of the unlawful assaulting or killing of any officer or officers, either of specific individuals or of officers generally, of the Government of the United States or of any other organized government because of his or their official character.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, H.A. Cunningham Master ..., of the S.S.George Washington ..., from Bremen, Southampton & Cherbourg ..., do solemnly, sincerely, and truly affirm that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 9 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M, male; or F, female.

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as, for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens arrivals.

Column 8 (*Able to read and write*).—This column is divided and contains the following question: "Read what language [or, if exemption is claimed, upon what ground]?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "Irish" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or South American, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Liguria) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, mother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894–1897, Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

32

I, P.F. Sondern, Surgeon of the S.S.George Washington, sailing therewith, (State whether master, surgeon, or purser, as the case may be) do solemnly, sincerely, and truly affirm that I have had 25 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the University of the State of New York, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 9 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

LIST OF RACES OR PEOPLES

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (Head-tax status).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designation.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column should be divided and contains the following question: "Read what language (or, if exempt, is he) (is she) (are they) exempt upon what ground?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual and intended residence of one year shall constitute permanent residence. The last country in which he has resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, mother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States; and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894 (1897, Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read or write*).—This column is subdivided and contains the following question: "Read what language [or, if exemption is claimed, upon what ground]." In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9. *Nationality.*—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Liguria) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Countries of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12. *Name and complete address of nearest relative or friend in country whence alien came.*—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city, or town of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should agree in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18. *Whether ever before in the United States, and if so, when and where.*—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894, 18-7, Philadelphia.

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

I, H.A.Cunningham MASTER *, of the* S.S. George Washington *, from* Bremen, Southampton & Cherbourg
solemnly, sincerely, and truly affirm *that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets,* 9 *in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.*

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, H.A.Cunningham MASTER *(State whether Master, First, or Second Officer)*, *of the* S.S.George Washington, *from* Bremen,Southampton & Cherbourg *solemnly, sincerely, and truly* affirm *that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets,* 9 *in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.*

~~Officer.~~ MASTER

Sworn to before me this 20 *day of* October, *1922*

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, miner, engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as laborer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm or the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language (or, if exemption is claimed, upon what ground)." In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Liguria and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with that intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States, country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case individual or family (the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States; and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894–1897, Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 31.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to review by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, P.F.Sondern, Surgeon of the S.S.George Washington, sailing therewith (State whether "sailing herewith" or "to be employed by owners thereof" as the case may be), do solemnly, sincerely, and truly affirm that I have had 25 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the University of the State of New York, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 9 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

P F Sondern M.D.

Sworn to before me this 20th. day of October, 19 22

at New York

(Signature and title of immigration or other officer authorized to administer oaths)

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, H.A.Cunningham Master, of the S.S.George Washington, from Bremen,Southampton & Cherbourg, do solemnly, sincerely, and truly affirm that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 9 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example, civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and secretary clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is ruled and contains the following question: "Read what language or dialect the alien named herein can read?" If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully reviewed by inspectors and secretary clerks in this regards. For instance, "France" appearing under the headings country of last permanent residence and country of birth should be followed by "French" appearing under the heading race or people. Also, "French" appearing under the heading race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly commence the heading or England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia; and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereon. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city or town, of intended future permanent residence, if within the United States, country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894, 1897, Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, H.A.Cunningham Master *(State whether Master, First, or Second Officer)*, *of the* S.S.George Washington, *from* Bremen,Southampton & Cherbourg, *solemnly, sincerely, and truly* affirm *that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets,* 9 *in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.*

Column 8 (*Able to read and write*).—This column is equally divided and contains the following question: "Read what language (or, if exemption is claimed, upon what ground)?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9. *Nationality.*—Question 9 should be construed to mean the country of which alien is a citizen or subject.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as, for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designation.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens on arrival.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language [or, if exemption is claimed, upon what ground]?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed.

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Liguria and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States, country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give, in each case (individual or family), the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States; and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1894–1897, Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, H A Cunningham, of the S S George Washington, from Cuxhaven, Germany
(State whether Master, First or Second Officer)
solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 23 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

H A Cunningham
Master
Officer.

Sworn to before me this 20 day of October, 1922,
at New York

M F Cunnie
Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money owned, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction clear, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of the aliens.

Column 8 (*Able to read and write*).—This column is sub-headed and contains the following question: "Read what language (or if exemption is claimed, upon what ground)?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race could properly come under the headings of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (Black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia and Liguria and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Countries of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, mother, other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50 and if less, how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894–1897, Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Hon Cunningham Master, of the S.S. George Washington, from Bremen, Southampton & Cherbourg, do solemnly, sincerely, and truly affirm that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 24 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation (trade, or profession) of each alien over 14 years of age, such as farmer, clerk, secretary, engineer, lawyer, tailor, cabinetmaker, bricklayer, brassfounder, steelworker, ironmolder, wheelwright, cooper, and not simply laborer, mechanic, worker, or other indefinite description.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, and between

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Stewards, cooks, waiters, and others who serve the passengers and crew should be marked, if necessary, by inspectors and secretary clerks during the personal examination of the aliens.

Column 8 (*Able to read or not*).—Every alien passenger coming under the following question: "Can read what language (or dialect)?" is to be examined, irrespective of what country he may be a native or citizen of, and the ability or inability to read should be stated. If alien is able to read and claims exemption from the reading requirement, the fact and the reason therefor should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as classified in that list.

Special attention should be paid to the distinction between race and the country of which citizen or subject. Countries of birth, nationality, and race or people should be carefully noted by inspectional officers examining aliens at their port of entry. For instance, a native of France, applying under the head of "French," is to be entered as "French" by race or people, and similarly, a native of Ireland, applying under the head of "Irish," is to be entered as "Irish" by race or people, and not as "British," "English," or "Scotch." An Irish, German, or Hebrew alien may be a native, a citizen, or a subject of England, Scotland, Ireland, or any other country. In this connection the following instructions should be carefully observed.

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are natives of the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Liguria, and their immediate western coast neighbors, the Southern Tyrol, Austria (Trentino), or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are natives of that part of Italy south of the basin of the River Po (i. e., compartments of Tuscany, the Marches, Umbria, Rome, the Abruzzi, and Molise, and Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia and their dependencies) should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Value to be derived from answers to this question is to ascertain permanent residence. The instructions in which aliens intending to return to countries of temporary residence after a year or more shall be the last permanent residence as admitted upon the last previous arrival. These instructions shall show the country and not a city. The permanent residence should be stated for the purpose that the immigration officials may classify the country of last permanent residence as the country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence does not mean where aliens pass as residents of the United States and are returning from a visit abroad (should be recorded "United States").

Column 12 (*Name and complete address of relative in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. As regards persons coming to the United States for temporary residence only, it should show definitely the place in the United States for which alien has taken passage, as the intention to return to country whence he came is presumed to exist. If destined to some permanent residence in the United States, country of, outside the United States.

Column 14 (*Whether having ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom passage was paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, mother, other relative, friend, steamship company, etc.

Column 16 (*Whether in possession of $50 and if not, how much*).—The purpose should be to show whether the immediate family, the group, or the individual alien has sufficient funds to land. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (*Whether ever before in the United States, and if so, when and where*).—The answer should show whether or not Yes or No in the United States before, and if so, the year (or period of years, and place, as, 1903, 1907, Philadelphia).

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 34.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspectors in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, H.E. Cunningham Master, of the S.S. George Washington, from Bremen, Southampton & Cherbourg, do solemnly, sincerely, and truly affirm that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 24 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

H E Cunningham Master
(~~Officer.~~)

Sworn to before me this twentieth day of October, 1922

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax (if any)*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or calling to which each person arriving, as for example, Coal miner, shoemaker, tailor, mason, locomotive engineer, printer, engraver, brass polisher, steel polisher, moulder, wood turner, etc., and not simply as laborer, servant, gentleman, lady, farmer, or without occupation or calling.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the farm owner or tenant.

Separate entry should be made for the latter class in the list or lists, and corrections should be made, if necessary, by the agents and surgeons before sending the lists and examined aliens aboard.

Column 8 (*Nationality, and if race*).—This column is to be filled in and completed [illegible] by the question "Read what languages [illegible] exemption contained upon what ground?" The answer to the question should be expressed in good English so as to be understood [illegible]. If [illegible] to read and [illegible] examination should be [illegible].

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a [illegible] subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people [illegible] even though [illegible].

Special attention is to be paid to the discrimination between race and the country of which a person is a native or last permanent resident, and a country of final and intended future permanent residence, as [illegible] recorded in separate columns in the manifest. For instance, Germans appearing under the heads of country or nation [illegible] Prussia, Bavaria, Saxony, etc., as the case may be. Persons appearing under the heads of country or nation [illegible] Ireland, Scotland, Wales, etc., as the case may be. Persons appearing under the heads of country or nation [illegible] Russia, Poland, Bohemia, etc., as the case may be. Persons appearing under the heads of country or nation [illegible] France, Spain, Portugal, etc., as the case may be. Persons appearing under the heads of country or nation [illegible] Turkey, Greece, Italy, etc., as the case may be. Persons appearing under the heads of country or nation [illegible] Mexico, Cuba, Haiti, Santo Domingo, etc., as the case may be. Persons appearing under the heads of country or nation [illegible] China, Japan, India, etc., as the case may be. Persons appearing under the heads of country or nation [illegible] Africa, Australia, etc., as the case may be. Persons appearing under the heads of country or nation [illegible] Scotch, English, German, or Hebrew do not by race or people belong under the headings of England, Germany, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the peoples of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are natives of the basin of the River Po in northern Italy, i.e., comprising the provinces of Piedmont, Lombardy, Venetia, and Liguria, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are natives of that part of Italy south of the basin of the River Po, i.e., comprising the provinces of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Only the name of the country to which the alien has come to permanently reside [illegible] should be entered. Thus, a person who has resided for a number of years in Canada, but who has always retained his residence in Ireland, should be entered as a resident of Ireland. If he has resided in Canada for a number of years, and has become a naturalized citizen of that country, he should be entered as a resident of Canada. The purpose of this column is to obtain information as to the country from which the immigrant has come for permanent residence in the United States, and not merely the country where he may have resided for a few months or a year or two while en route to the United States.

Column 12 (*Name and complete address of person, if any, in the United States whom alien intends to join*).—The entry should give name and address of such relative. If no one in relative's immediate family, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question should show the city to which the person is destined for permanent residence. An intended residence of one year should not be considered sufficient to entitle the person to be entered as destined for the United States, unless it is definitely known that the residence is intended for the permanent residence of within the United States, country of which alien is a native, or country of last permanent residence, if within the United States, country of which alien is a native, or country of last permanent residence, if within the United States, country of which alien is a native, or country of last permanent residence, if

AFFIDAVIT OF SURGEON

I, F.F. Sondern, Surgeon of the U.S. George Washington sailing therewith, do solemnly, sincerely, and truly affirm that I have had 25 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the University of the State of New York, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 15 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

I, H... Cunningham master *, of the* S.S. George Washington *, from* Bremen, Southampton & *, do solemnly, sincerely, and truly* affirm *that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets,* 15 *in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.*

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officers only.

Column 4 (*Age*).—Ages under 1 year of age should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M, male, or F, female.

Column 6 (*Married or single*).—The answer should be M, married, S, single, Wd, widowed, or D, divorced.

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of every person, age 10 years or over, even if a housewife, child, servant, laborer, or without occupation, naming specifically such occupations as spinner, weaver, dressmaker, seamstress, laundress, cook, housekeeper, nurse, tailor, tailoress, wood turner, etc., and not simply as operative, mechanic, worker, laborer, or dressmaker, without stating the kind.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, see Rule 9.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm, or the more general term.

Spelling, punctuation, and abbreviations should be avoided, and corrections should be made, if necessary, by drawing lines through incorrect entries and not by erasures, which are prohibited.

Column 8 (*Able to read or write*).—Every person 14 years of age and over should be asked the question: "Read what language (or dialect)?" In answering this question, the statement of any person that he can read his own language should be accepted, and the word "read" should be entered opposite his name, even though he may not be able to read English. It is sufficient to show "read" and blanks or "can read" and "cannot read" should not be used. Persons who can not read at all should be entered as "cannot read."

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the relation between race and the country of which he is citizen or subject, country of last permanent residence, and country of birth, and corrections should be made, if required by these entries and reports, entries in this record. For instance, persons appearing under the head of countries described in Group I, race or people and, generally, French, appearing under the head of races or peoples described in Group II, as a rule, should be entered as natives of France. An Irish, German, or Hebrew alien by race should not be entered as a native of England, Switzerland, or any other country. In this connection the following descriptions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., the departments of Piedmont, Liguria, Venetia, and Lombardy, and those descendants, whether residing in Europe, Central America, South America, or elsewhere, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartimenti of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Lucania, Calabria, Sicily, and Sardinia, and those descendants, wherever residing, should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—An alien who has resided (or intends to reside) permanently in a country other than that of his birth should be entered as a native of the country of his last permanent residence. If he has resided in two countries for the same length of time, the country in which he has resided last should be entered. It may happen that for certain purposes that alien's permanent residence is one country and for other purposes another country. In case of temporary residence, regardless of length of time.

Country of last permanent residence should show only those persons who have resided in the United States and who are returning from a visit abroad. Use no ditto marks.

Column 12 (*Name and complete address of relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative is living, give name and address of friend.

Column 13 (*Final destination*).—The answer to the question shall show the intended future permanent residence. An intended residence in the United States should be entered by the name of the city, town, or village where such residence is intended to be established. Persons who intend to reside permanently in the United States should not be entered as visitors.

Column 14 (*Whether having ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, mother, or other relative (name relationship), friend (name), etc.

Column 16 (*Whether in possession of $50 and if not, how much*).—The answer should show whether the individual alien has the amount in his own possession. Money brought by the head of a family should not be included as the personal property of the members of the family.

Column 18 (*Ever in the United States, and if so, when and where*).—The entries should show whether or not the alien was in the United States before, and if so, the year, or period of years, and place, as 1890, 1891, Philadelphia.

Column 19 (*Whether going to join a relative or friend, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 34.—These questions are self explanatory and the answers, like all others on the sheet are subject to revision by immigration officers in the examination of aliens. The exception to question 28, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

33

I, H.A. Cunningham Master, of the S.S. George Washington, from Bremen, Southampton & Cherbourg, do solemnly, sincerely, and truly affirm that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [7] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

H A Cunningham
Officer.
Master

Sworn to before me this twentieth day of October, 1922

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.*—Steamship lines should make no entries in this column. The space is for use of Government officers.

Column 4. *Ages.*—The answer in this column should be expressed in years or months, the latter appearing as fractions of a year.

Column 5. *Sex.*—The entry should be either M male, or F female.

Column 6. *Married or single.*—The answer should be M married, S single, Wd widowed, or D divorced.

Column 7. *Calling or occupation.*—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived as, for example, Good engineer, stationary engineer, locomotive engineer, civil engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply laborer, servant, farmer, or clerk, unless such be the actual occupation.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown on hand.

A farmer means one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for others, who is employed.

Stock raisers and stockmen should make their entries in such manner that a distinction may be made, if necessary, between owners and employees, the latter to be entered as laborers, herders, etc.

Column 8. *Able to read and not.*—The answer to this question should be "Yes" or "No." In answering this question the word "read" is to be understood as meaning the ability to read and write or read and understand some language. If the alien is able to read and claims exemption on the ground mentioned, "Yes" and "Exempt" for each exemption claimed should be given.

Column 9. *Nationality.*—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.*—See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs, as Irish, English, Scotch, French, German, Italian (North), Italian (South), Spanish, Spanish American, Portuguese, Dutch, Flemish, Greek, Russian, Polish, Bohemian, Magyar, Finnish, Scandinavian, Hebrew, Negro (African), Negro (West Indian), Mexican, Indian, Chinese, Japanese, Turanian, Armenian, Syrian, Pacific Islander, East Indian, Other Asiatic, or other races or peoples, according to the above classification. Immigrants belonging to the Slavic race will not be described as Austrian, Hungarian, German, Russian, or Turkish, but as Bohemian, Moravian, Slovak, Polish, Dalmatian, Croatian, Servian, Ruthenian, Carpatho-Russian, Bulgarian, Montenegrin, Herzegovinian, or Slavic, according to the claim of the immigrant. Immigrants who are natives of Palestine will be described as Hebrews. Natives of Wales will not be described as English, but as Welsh. Natives of Scotland will not be described as Scotch, but as Highlander, Lowlander, Celt, or Gaelic, according to the claim of the immigrant. Natives of Ireland will not be described as Irish, but as Celtic, Gaelic, Anglo-Irish, Scotch-Irish, or Irish, according to the claim of the immigrant. Natives of Mexico will not be described as Spanish, but as Mexican. Natives of Cuba will not be described as Spanish, but as Cuban. Natives of Canada will not be described as English, but as Canadian, French Canadian, Acadian, or Canadian (French), according to the claim of the immigrant. Natives of Switzerland will not be described as German, French, Italian, or Hebrew, but as Swiss. Natives of Belgium will not be described as German, French, or Flemish, but as Belgian. Natives of Luxemburg will not be described as German or French, but as Luxemburger. Natives of Iceland will not be described as Danish, but as Icelandic. Natives of Australia will not be described as English, but as Australian. Natives of Egypt will not be described as Turkish, but as Egyptian. Natives of Arabia will not be described as Turkish, but as Arabian. Natives of Persia will not be described as Turkish, but as Persian. Natives of Liberia will not be described as Negro, but as Liberian. Natives of Hayti will not be described as Negro, but as Haytian. Natives of Abyssinia will not be described as Negro, but as Abyssinian. Natives of Afghanistan will not be described as Turkish, but as Afghan. Natives of Siam will not be described as Chinese, but as Siamese. Natives of Corea will not be described as Chinese, but as Corean. Natives of Nepal will not be described as Chinese, but as Nepalese. Natives of Thibet will not be described as Chinese, but as Thibetan. Natives of Bhutan will not be described as Chinese, but as Bhutanese. Natives of Sikkim will not be described as Chinese, but as Sikkimese. Natives of Burma will not be described as Chinese, but as Burmese. Natives of Siberia will not be described as Russian, but as Siberian. Natives of Finland will not be described as Russian, but as Finnish. Natives of Lapland will not be described as Russian, but as Lapp. Natives of Malta will not be described as Italian, but as Maltese. Natives of Gibraltar will not be described as Spanish, but as Gibraltarian. Natives of Crete will not be described as Turkish, but as Cretan. Natives of Cyprus will not be described as Turkish, but as Cyprian. Natives of Iceland will not be described as Danish, but as Icelandic. Natives of Australia will not be described as English, but as Australian. Natives of Egypt will not be described as Turkish, but as Egyptian. Natives of Arabia will not be described as Turkish, but as Arabian. Natives of Persia will not be described as Turkish, but as Persian. Natives of Liberia will not be described as Negro, but as Liberian. Natives of Hayti will not be described as Negro, but as Haytian. Natives of Abyssinia will not be described as Negro, but as Abyssinian. Natives of Afghanistan will not be described as Turkish, but as Afghan. Natives of Gibraltar will not be described as Spanish, but as Gibraltarian. Natives of Crete will not be described as Turkish, but as Cretan. Natives of Cyprus will not be described as Turkish, but as Cyprian.

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (Black)" refers to the African Negro who is coming from Cuba or other islands of the West Indies, South or Central America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i.e., the compartments of Piedmont, Lombardy, Venetia, and Emilia, and their dependencies), who are referred to in Italy as Settentrionali, Veneti, Lombardi, or simply as natives of Upper Italy, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that part of Italy south of the basin of the River Po (i.e., the compartments of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia and their dependencies) and the city of Trieste.

Column 11. *Last permanent residence.*—Verbal answers such as "Italy" or "Austria" are not held sufficient to indicate permanent residence. The desire to return to the native country at some indefinite time is not to be construed as residence therein. The entry must show the place where the alien has his permanent home and not where he happens to be temporarily. Thus, if a person who has resided in the United States for years returns to Europe for a visit, intending to remain only a few months, the entry should show the United States as the country of last permanent residence, and not the country to which he goes on a visit. Persons who have lived in many countries should name the country of last permanent residence only if it was for a period sufficiently long to establish a residence therein.

Country of last permanent residence of aliens who are not permanent residents of the United States and are returning to their homes should be recorded "United States."

Column 12. *Name and complete address of nearest relative or friend in country whence they came.*—The entry should give name and address of such relative. If no such relative is living, give name and address of friend.

Column 13. *Final destination.*—The answer to this question shall show the intended future permanent residence. An intended temporary visit, however long contemplated, is not sufficient. The entry should show definitely the place, city, or town of intended future permanent residence, if within the United States, country, if outside the United States.

Column 14. *Whether having a ticket to said final destination.*—The answer should be either Yes or No, Ticket or No ticket.

Column 15. *By whom was passage paid.*—The entry should show definitely by whom passage was paid, as self, father, brother, other relative, friend, steamship company, etc.

Column 17. *Whether in possession of $50, and if less how much.*—These questions should give to each immigrant individual attention. The exact amount should be shown. Money brought by the head of a family should not be described as in the possession of the family.

Columns 20 to 31.—*Whether ever before in the United States, and if so, when and where.*—The entries should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as 1890 (N.Y.), Philadelphia.

Column 32. *Whether going to join relative or friend, and if so, what relative or friend.*—The answer should show who the person is going to join either a relative or friend, and if so, what relative or friend, with name and complete address thereof.

Columns 20 to 31.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers at the time of inspection at the port. If, however, in answering question 26, if aliens have been deported within one year and the Secretary of Labor has authorized them to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Hein Cunningham Master, of the S.S. George Washington, from Bremen, Southampton & Cherbourg, do solemnly, sincerely, and truly affirm that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 25 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Heinrich Cunningham
Master

Sworn to before me this twentieth day of October, 19 12

at New York

W. J. Coyne
Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head for entry.* — Steamship lines should make no entries in this column. The space is for use of Government officers only.

Column 3. *Age.* — Ages given in this column should be expressed in years or months, the latter applying to children under 1 year of age.

Column 4. *Sex.* — Enter in this column the word Male or Female.

Column 5. *Married or single.* — The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 6. *Calling or occupation.* — The entry should describe as accurately as possible the occupation, trade, or profession of each alien. Such terms as "laborer," "farmer," "clerk," "manufacturer," "gentleman," "merchant," "capitalist," "tailor," "dressmaker," "servant," etc., are not sufficiently descriptive. Such terms as "mechanic," "engineer," etc., should be modified by a word indicating the kind of mechanic or engineer, as "machinist," "civil engineer," etc.

A distinction should be made between farmers and laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either his own or that of another.

A farm laborer is one who works on a farm for another, who pays him wages.

Steamship companies should not use the symbols "do," "ditto," or lines.

Column 7. *Nation, or people.* — The answer to this question should be a country, as "England," "Germany," "Sweden," "France," "Italy," "Russia," "Turkey," "Austria," "Ireland," "Scotland," "Wales," etc., and not a race, people, or language, as "Hebrew," "German," "Swede," "French," "Italian," "Russian," "Turkish," "Austrian," "Irish," "Scotch," "Welsh," etc. Specific information as to race, people, or language should be given in answer to other questions.

Column 8. *Last residence.* — The answer to this question should be the country of which the alien is a citizen or subject.

Column 9. *Passage paid by.* — See list of names printed on back of this sheet. The entry should show the name of the person who paid the passage, even if a relative.

Column 10. *Ever in U. S.* — Specify whether or not each alien has been in the United States before, and if so, when and where.

Column 11. *Ever in prison, etc.* — Specify whether or not each alien has been in prison or almshouse or an institution for the insane or supported by charity within five years, and if so, which.

Column 12. *Final destination.* — Write the name of the State for which each alien is destined. If going to a relative, write the name, relationship, and complete address of such relative.

Column 13. *Have ticket through?* — Answer "Yes" or "No."

Column 14. *Whether going to join relative or friend, and if so, what relative or friend, with name and complete address.* — These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 29, if alien has been deported, write one word, and if the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

CUBAN

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN

"West Indian" refers to the people of the West Indies (other than Cubans or Negroes).

SPANISH AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK)

"African (black)" refers to the African Negro, whether a native of an Caribbean island, the West Indies, South or South America, Europe, Africa, Asia, Africa, or elsewhere. All of the African Negro blood is classified under this heading.

ITALIAN (NORTH)

The people who are natives of the basin of the River Po in northern Italy (i. e., comprising the provinces of Liguria, Piedmont, Lombardy, Venetia, and Emilia), and also of the western Tyrol (or South Tyrol), Istria, and Dalmatia. Also the natives of the other provinces of Italy who have emigrated from the above-named districts. These people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are natives of that portion of Italy south of the basin of the River Po (i. e., comprising the provinces of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Puglia, Basilicata, Calabria, Sicily, and Sardinia), and also of the other provinces of Italy who have emigrated from the above-named districts. These people speak a Tuscan dialect of the Italian language.

PASSAGE PAID BY.

Column 9. *Paid passage of* — Actual citizens, or legal residents of the United States, should write in this column the name of the person who paid the passage of the alien. The word "self" should be written if the alien paid his own passage. If the passage was paid by the alien's employer, the word "employer" should be written. The word "friend" should not be used. If the passage was paid by the alien's father, husband, mother, wife, brother, sister, uncle, aunt, grandfather, grandmother, or guardian, the word should be written. If the passage was paid by a relative not mentioned above, the exact relationship should be stated. It is desired that for statistical purposes the steamship companies carefully observe instructions as to permanent residence indicated in paragraphs 2 and 3 of these instructions.

Contract labor passengers and others who are not actual residents of the United States and are returning to their homes should be marked "Emigrant."

Column 10. *Name and complete address.* — Every alien should write in the name and address of some relative or friend whom he intends to join or who intends to join him in the United States, or some person in the United States whom he intends to visit, and the name and address of such relative or friend.

Column 11. *Final destination.* — The answer to this question should show the intended bona fide permanent residence. An intended destination to a city should be followed by the name of the State. Aliens should not be destined to the place of residence of persons who are not actual residents of the United States. If destined to a place in Canada, Mexico, Cuba, or Panama, the intended future permanent residence in the United States should also be given.

Column 12. *Whether having ticket through to final destination.* — The answer should be either Yes (ticket) or No (not ticket).

Column 13. *By whom was passage paid.* — The entry should show distinctively by whom passage was paid, as self, husband, father, brother, sister, other relative (stating which), friend, employer, etc.

Column 14. *Whether in possession of $50 and how received.* — The answer should be "Yes" or "No," and if "Yes" should show whether the money was received from the alien himself, from his father, husband, brother, sister, or other relative or friend (stating which), or from charitable or other institution (stating which). Money brought by the head of a family should be considered as belonging to the family unless the contrary is shown. Money brought by the head of a family should include that of all persons of the family dependent upon him.

Column 15. *Whether ever before in the United States, and if so, when and where.* — The answers should show whether or not a Passport No. in the United States has been issued, and if so, the year or period of years and place, as, 1901, Philadelphia.

Column 16. *Whether coming to join relative or friend, and if so, what relative or friend.* — The answer should tell whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Column 17 to 33. — These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 29, if alien has been deported, write one word, and if the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

(28)

Cherbourg

I, H.A. Cunningham Master, of the S.S. George Washington, from Bremen, Southampton & , do solemnly, sincerely, and truly affirm that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 29 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

[illegible]
Affirmed.

Sworn to before me this Twentieth day of October, 1922

at New York.

[signature]
Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax at this*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien on arrival as Seamstress, Coal miner, Mason, Engineer, Laborer, Merchant, Clerk, Servant, Gentleman, Lady, Farmer, Tailor, Carpenter, Blacksmith, Weaver, Butcher, Wood turner, etc., and not simply "worker," "laborer," "driver," "dealer," farmer, or "servant" as a designation.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown as in hand.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should not mark the letter A on the manifests, and corrections should be made, if necessary, by inspectors and assistants checking the lists of examined aliens, as well.

Column 8 (*Literacy and nationality*).—Head tax law provides: Each and every alien [illegible] Read what he can be, if exemption is claimed upon what grounds?" In answering this question the examining officer should ascertain whether the alien is able to read and claims exemption from the reading requirement, the ground for such exemption should be noted.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which he is citizen or subject, country of last permanent residence, and country of birth, and sometimes should the entry be modified by the use of descriptive terms to that end. For instance, a native of Italy, apparently under the head of race should be described as Italian, by race or people and, similarly, a French subject, coming under the head of race or people as a Frenchman or Frenchwoman. An Irish, German, or Hebrew also may be a native, a citizen or subject of any one of several countries. An Irish subject may be of the Celtic race or people, or may be of the Anglo-Saxon race, and may be classified under the heading of England, Scotland, or any other country. In this connection the following directions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or North America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are natives of the basin of the River Po in northern Italy, i. e., comprising the provinces of Piedmont, Liguria, Venetia, and Lombardy, and their descendants, whatever may be their present nationality, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are natives of that part of Italy south of the basin of the River Po, i. e., comprising the provinces of Leguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, whatever may be their present nationality, should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual place of residence, not country, except in case of permanent residence. The last country in which alien has resided for one year or more should be the last permanent residence entered. The entry should not be changed for the casual purposes that alien may have visited a country other than that of permanent residence. Under no circumstances should "America," "United States," or "Europe" be entered as the country of last permanent residence.

Country of last permanent residence includes those who are not citizens or subjects of the United States and are returning to a land abroad from the United States.

Column 12 (*Name and complete address of relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question should show the intended future permanent residence. An intention to remain for one year or more should be considered sufficient. Temporary visitors should show definitely the place to which they are destined. Intended future permanent residence, if within the United States, especially if outside the United States.

Column 14 (*Whether having a ticket to final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show whether passage was paid by self, by relative, by other person, or by charitable institution, by steamship company, etc.

Column 17 (*Whether in possession of $50 and if not, how much*).—The object of this question is to show whether the alien has sufficient means to support himself until he obtains employment. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in U. S. and if so, when and where*).—The entries should show whether or not alien was ever in the United States before, and if so, the year or period of years and place, as 1901, 1905, Philadelphia.

Column 19 (*Whether going to join relatives or friend; and if so, what relatives or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 34.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to re-vision by inspectors or others in the event of error or omission. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given

AFFIDAVIT OF SURGEON

I, P.F. Condern, *Surgeon of the* George Washington *sailing therewith*, *do solemnly, sincerely, and truly* affirm *that I have had* 25 *years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of* the University of the State of New York, *and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets.* 29 *in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.*

P.F. Condern M.D.

Sworn to before me this twentieth *day of* October, 1922

at New York

(Signature and title of immigrant inspector before whom oath is taken. If sworn to before a notary public or a commissioner of deeds, add his official designation and the name of the city for which he is appointed.)

NOTE.—If a surgeon sails with the vessel, this affidavit, executed as above, shall be presented to the immigrant inspector at the port of arrival, and any changes that may have occurred in the condition of the aliens since the medical inspection at the last port of call shall be noted thereon. If no surgeon sails with the vessel, the attached certificate shall be executed at the port of departure by the surgeon of the line designated by the commissioner of immigration at that port.

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

NOTE. Full text of question 24 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, or who disbelieves in or is opposed to organized government, or who advocates the assassination of public officials, or who advocates or teaches the unlawful destruction of property, or is a member of or affiliated with any organization entertaining and teaching disbelief in or opposition to organized government or which teaches the unlawful destruction of property, or who advocates or teaches the duty, necessity, or propriety of the unlawful assaulting or killing of any officer or officers, either of specific individuals or of officers generally, of the Government of the United States or of any other organized government because of his or their official character.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, H.... Cunningham Master *, of the* U.S. George Washington *, from* Bremen, Southampton & Cherbourg *, solemnly, sincerely, and truly* affirm *that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets,* 29 *in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.*

27

Master.

Sworn to before me this Twentieth *day of* October *, 1922*

at New York

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (Head tax status).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (Sex). Under this caption, this column should be expressed in years or months, the latter applying only to infants under 1 year of age.

Column 5 (Married or single). The entry should be either Married, Single, Widowed, or Divorced.

Column 7 (Calling or occupation). The entry should describe as accurately as possible the occupation, trade, or profession of each alien, as for example: Coal miner, shipping clerk, farmer, laborer, tailor, milliner, engineer, author, editor, stenographer, steel worker, printer, weaver, wood turner, etc., and not simply laborer, engineer, mechanic, worker, dressmaker, or other indefinite statement.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown in possession.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for wages paid by others.

Skilled and unskilled workers should be distinguished as far as possible, and correct terms should be used, if possible, to indicate the degree of skill, always bearing in mind the proper classification of these aliens.

Column 8 (Nationality of race or people). This column is provided and contains the following question: "Race or people (for example, whether Negro, Hebrew, Italian, German, English, Irish, Scotch, Polish, Spanish, Russian, Bohemian, Croatian, Slovak, Dalmatian, Roumanian, Portuguese, Mexican, East Indian, Chinese, Japanese, Turkish, Armenian, Finnish, Lithuanian, Magyar, Bulgarian, Servian, Greek, Syrian, Ruthenian, Corsican, Scandinavian, Arabian, Moorish, Basque, Welsh, Scottish, Dutch, Flemish, Canadian (French), Canadian (other), Indian (Hindu), Indian (Native), Pacific Islander, Ethiopian, Egyptian, Australian, New Zealander, West Indian, Cuban, Porto Rican, Central American, South American, or other race or people)." In answering this question the statement of "race or people" should be used. Italian should not be used, and claims as to "race" made by aliens, or statements of the consul for such nationality, should be given.

Column 9 (Nationality). Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (Last residence). See list of races printed on back of this sheet. The entry should show the race or people mentioned in said list.

Care should be exercised to distinguish between race and the country of which citizen or subject, the name of last permanent residence and country of birth, and inquiries should be made, if necessary, of the proper consular officer in this regard. For instance, persons coming under the United States laws as "French" belong to one people, and similarly, "French" appear under other headings. However, persons do not mean "races" by saying "Austrian, German, or Hebrew alien by race, people, nationality, or country under the heading of husband, wife, or child, as the case may be."

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i.e., the departments of Piedmont, Liguria, Lombardy, Venetia, and Emilia and their dependencies) or who are natives of Istria, Southern Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that part of Italy south of the basin of the River Po (i.e., departments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, and Sicily, and their dependencies) or who are natives of Sardinia, or any other country, should be classed as "Italian (south)."

Column 11 (Last permanent residence). A definite statement is desired as to the country which constitutes permanent residence. The fact that an alien has been in the United States for a year or more does not necessarily indicate that the place of last residence was in the United States. Persons coming under Column 11 should be carefully questioned as to the country of last permanent residence. The intention of the alien to return to the country of last permanent residence after a temporary visit for business or pleasure purposes should be carefully noted. Last permanent residence indicates the country of future permanent residence. Country of birth is not the case.

Country of last permanent residence does not include countries which are temporary residences of the United States and are returning from a visit abroad, but the country of last "Permanent Residence."

Column 12 (Name and complete address of relative in country whence alien came). The entry should give name and address of such relative. If no such relative is living, give name and address of nearest friend.

Column 13 (Final destination). The answer to this question should show the intended future permanent residence. An intended residence of one year or less is not sufficient. Persons coming to visit should show definitely the place, city, or town of intended future permanent residence, if within the United States, country if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The answer should be either Yes (ticket), or No (no ticket).

Column 15 (By whom was passage paid).—The entry should show definitely by whom passage was paid as well as by whom last money was furnished. Such as self, steamship company, etc.

Column 17 (Whether in possession of $50 and by whom furnished).—Persons over 15 should give yes or no (in circles under family column). Their exact amount is not necessary. Money brought by the head of a family should not be included as the property of members of the family.

Column 18 (Whether ever before in the United States, and if so, when and where).—The entries should show whether or not alien was ever in the United States before, and if so, the year, or period of years and place, as, 1911 (N. Y.), Philadelphia.

Column 19 (Whether going to join relatives or friends, and if so, what relatives or friends).—The answer should show whether going to join either a relative or friend, and if so, what relatives or friend with name and complete address.

Columns 20 to 34.—These questions are self explanatory, and the answers, like all others on the sheet, are subject to revision by the inspector or other officers in the examination of the alien. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, F. F. Londerm, Surgeon of the U.S. George Washington sailing therewith, (state whether sailing alone or in company, and if in company, name vessels) do solemnly, sincerely, and truly affirm that I have had 25 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the University of the State of New York, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 13 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

F. F. Londerm M.D.

Sworn to before me this twentieth day of October, 1922

at 2 New York

(Signature and title of immigration or other officer authorized to administer oaths)

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition [illegible] shall be noted thereon before the certificate is executed.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

(21)

I, ... n.m. Cunningham ..... master, of the S.S. George Washington ..... from Bremen, Southampton & Cherbourg ....., do solemnly, sincerely, and truly affirm that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

(Affirm) Master

Sworn to before me this twentieth day of October, 1922

at New York

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax (8 tax).* - Steamship lines should make no entries in this column. The space is for use of Government officers only.

Column 4. *Age.* - The answer to this column should be expressed in years or months, the latter appliance only to children under 1 year of age.

Column 5. *Sex.* - The entry should be either M male or F female.

Column 6. *Married or single.* - The answer should be M married, S single, Wd widowed, or D divorced.

Column 7. *Calling or occupation.* - The entry should describe as accurately as possible the occupation (trade or profession) of each person aged 14 years or over, stating carefully whether he is a mechanic, laborer, manufacturer, or dealer, and the particular kind of each, as cotton operative, iron worker, wood turner, etc., and not simply "mechanic," "laborer," "manufacturer," or "dealer," unless absolutely nothing more definite can be ascertained.

A distinction should be made between farmers and farm laborers, regardless of the amount of money she may have.

A *farmer* is one who operates a farm either for himself or for others.

A *farm laborer* is one who works on a farm for others for wages.

Stock, crops, implements, and farm buildings should not be inquired about, and corrections should be made if necessary. Do not return "Farmer" for a laborer, or vice versa, under any circumstances.

Column 8. *Nationality. (Last country of which citizen or subject.)* - Specific inquiry should be made concerning this item, the question "Race or people?" (or if necessary to be more explicit, "To what race or people do you belong?") being asked in every case. In cases where the answer to the question as to the nationality of the alien is not satisfactory, the examining officer will be unable to record the nationality correctly. Persons of composite race should be described according to the race or people with which they most closely affiliate themselves, as Scotch, Welsh, Irish, French, Spanish, Portuguese, Italian, Polish, Russian, Finnish, Bohemian, Moravian, Slovak, Dalmatian, Croatian, Servian, Bulgarian, Roumanian, Greek, Syrian, Turkish, Armenian, Arabian, Japanese, Chinese, Hindu, Mexican, West Indian, East Indian, Scandinavian, Negro, Pacific Islander, or other race or people, indicating, in case of a mixture of white and black blood, whether the person is a mulatto, quadroon, octoroon, or other mixture.

Column 9. *Nationality.* - Question 9 should be construed to mean the country of which alien was a citizen or subject.

Column 10. *Race or people.* - See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs.

Special care must be exercised in the case of persons coming from countries other than those of their birth and which countries of last permanent residence and country of birth and nationality should be carefully noted. Every effort should be made to avoid the return of persons deported from the United States because they have been found to belong to the class of persons excluded by the law of February 5, 1917, relating to illiterates, persons of certain mental and physical defects, etc., on the ground that they have been returned to the country whence they came, or to the country of birth or nationality, instead of to the country of last permanent residence.

Persons coming from countries in which they have resided for a long time should be questioned closely as to their actual race or people, and, similarly, "French" Canadians, Acadians, Creoles, Basques, Hebrews, Germans, Irish, Scotch, Welsh, Cornish, Australians, New Zealanders, Canadians, Mexicans, Cubans, Porto Ricans, Central and South Americans, West Indians, East Indians, Portuguese, Spanish, Italians, Armenians, Syrians, Arabians, Africans, Chinese, Japanese, Hindus, Russians, Finns, Scandinavians, Turks, Bulgarians, Servians, Roumanians, Greeks, Dalmatians, Croatians, Slovaks, Bohemians, Moravians, Poles, Magyars, Ruthenians, Spanish Americans, Mexicans, Indians, Negroes, Pacific Islanders, and other races or peoples should be correctly described.

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the peoples of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Mexico, South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are natives of the basin of the River Po in northern Italy, i. e., departments of Piedmont, Liguria, Lombardy, Venetia, Emilia, and Romagna, and their descendants, even if born in the United States, should be classed as "Italian (north)." Most of these people speak a Gaulic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, and Sicily, and their descendants, even if born in the United States, should be classed as "Italian (south)."

Column 11. *Last permanent residence.* - Alien should be questioned concerning permanent residence. The last country in which alien has resided continuously for one year or more should be given. The fact that a person may have formerly resided in a country for a long period of years will not warrant the return of that country as the country of last permanent residence, if it subsequently appears that such residence was not continuous. It should also be borne in mind that temporary visits to a country for the purpose of transacting business do not constitute residence therein, nor does the fact that a person has been engaged in business in a country for a long period of years constitute residence unless combined with residence therein.

Country of last permanent residence of persons who are in transit to residents of the United States and are returning to a foreign country to which they belong should be entered "In transit."

Column 12. *Name and complete address of relative or friend in country whence alien came.* - The entry should give name and address of such relative. If unknown relative living, give name and address of friend.

Column 13. *Final destination.* - The answer to this question shall show the intended future permanent residence. An intention to return to a country of which alien is a citizen or subject constitutes a permanent residence. The entry should show definitely the place, city or town, of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14. *Whether having a ticket to such final destination.* - The answer should be either Yes (ticket) or No (no ticket).

Column 15. *Who paid passage.* - The entry should show definitely by whom passage was paid, as self, husband, father, mother, or other relative, friend, steamship company, etc.

Column 16. *Whether in possession of $50, and if less than $50.* - The exact sum of money in possession of the alien should be given. Money brought by the head of a family to be used for the support of the family should be included in the amount reported by each member of the family.

Column 17. *Whether ever before in the United States, and if so, when and where.* - The purpose should be shown as visit, temporary business, permanent residence, etc., and if so, the year (or period of years) and place, as 1906, Philadelphia.

Column 18. *Whether going to join a relative or friend, and if so, what relative or friend.* - The answer should show whether going to join either a relative or friend and if so, what relative or friend, with name and complete address.

Column 20 to 31. - These questions are self explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers at the port of arrival. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

(21)

I, ... n.m. Cunningham master, of the S.S. George Washington, from Bremen, Southampton & Cherbourg, do solemnly, sincerely, and truly affirm that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 *Head tax status.*—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 *Age.*—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 *Sex.*—The entry should be either M (male) or F (female).

Column 6 (*Married or single.*)—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation.*)—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrived as for example: Coal miner, shoe factory operative, tailor, seamstress, farmer, laborer, engineer, brass polisher, steel worker, moulder, weaver, wood turner, etc., and not simply laborer, worker, mother, housework, or none, or no occupation.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer means one who works on a farm for the operator or owner.

Stenographer, copyist, secretary, bookkeeper, clerk, salesman, etc., are terms which should be made, if more specific, to indicate the character of the work usually done and not merely a general term.

Column 8 (*Can read or cannot read.*)—This column can be left blank if the answer to question 9 "Read what language or dialect?" is entered. In answering this question the examining officer will be governed by the ability of the alien to read the English language or any other language or dialect. It is not to be required that the alien actually read a printed or written slip or page. If it is ascertained that the alien can read, he is to be entered as such, irrespective of whether he can write or not.

Column 9 (*Nationality.*)—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people.*)—See list of races printed on back of this sheet. The entry should show the race or people to which alien belongs.

Special attention should be paid to the distinction between race and the country of which alien is a citizen or subject. Country of birth and race or country of birth and race or people should be stated by entries in separate columns. Entries in the former column (country of birth) answering to the heads of countries mentioned. Entries in the latter column (race or people) answering to the head of a race or people, as the Irish, German, or Hebrew race, etc. Many persons born in the British Dominion of Canada are of the Irish race; persons born in the German Empire are frequently of the Polish race; persons born in the Austro-Hungarian Empire are frequently of the Bohemian (Czech) race; persons born in the Republic of Switzerland are frequently of the French, German, or Italian race; persons born in the Republic of Mexico are frequently of the Indian race; persons born in the Republic of Cuba are frequently of the African (black) race; persons born in the Republic of Haiti are of the African (black) race; persons born in the Republic of Liberia are of the African (black) race; persons born in the Dominion of Canada are frequently of the French race; persons born in the Commonwealth of Australia are frequently of the Anglo-Saxon race; persons born in the Dominion of New Zealand are frequently of the Anglo-Saxon race; persons born in the Union of South Africa are frequently of the Dutch race; persons born in the Republic of Ireland are frequently of the Irish race; persons born in the Kingdom of Scotland are frequently of the Scotch race; persons born in the Principality of Wales are frequently of the Welsh

AFFIDAVIT OF SURGEON

I, [illegible] Mondern, Surgeon of the George Washington, sailing therewith, do solemnly, sincerely, and truly affirm that I have had 25 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the University of the State of New York, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 24 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

(18)

Cherbourg

I, ...S... Cunningham master, of the S.S. George Washington, from Bremen, Southampton & , do solemnly, sincerely, and truly affirm that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners [illegible] to make a careful examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 28 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Master

Sworn to before me this twentieth day of October, 19 22

at New York

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.* — Steamship line should make no entries in this column. The space is left [illegible]

Column 3. *Age.* — The age in each case in this column should be expressed in years or months, the latter applying only to children under 1 year of age.

Column 4. *Sex.* — The sex should be indicated by the letter M for male or F for female.

Column 5. *Married or single.* — The answer should be M married, S single, Wd widowed, or D divorced.

Column 7. *Calling or occupation.* — The entry should describe as precisely as possible the occupation, trade, or profession of each alien, whether he has a definite employment or position to go to, and whether he has been employed at that occupation in the country from which he comes. Such terms as "laborer," "servant," "farmer," "clerk," "manufacturer," "merchant," "gentleman," and "housewife" are not sufficiently descriptive.

Attention should be made to correct terms as applied to aliens of the various races and peoples shown on the list, as follows:

A Hebrew is one who originates from either Palestine or Judea.

A German is one who originates from either Germany or Austria.

Several questions should be put to ascertain the nationality of each alien, and the answers recorded, if necessary, [illegible]

Column 8. *Nationality.* — The answer should be the country to which the alien belongs politically. Do not answer "Russia," "Austria-Hungary," "Turkey," or "Great Britain," unless the alien belongs politically to one of these countries. In answering this question the statements of aliens as to their place of birth should be carefully noted. It sometimes happens that persons born in one country of parents belonging temporarily to another country are entered as citizens of the country of birth of their parents. Care should be taken to avoid such errors. Persons born in Canada, Mexico, Cuba, or Newfoundland should be considered as natives of those countries.

Column 9. *Whether a citizen of the United States.* — Question 9 should be answered to indicate the country of which the alien is a citizen or subject.

Column 10. *Race or people.* — See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs.

Special attention should be given to the distinction between race and the country of which the alien is a citizen or subject. The country of his nationality is not sufficient, and specific entries should be carefully required. Thus, natives of Scotland, England, Ireland, Wales, France, Germany, Spain, Italy, Russia, Turkey, Sweden, Norway, Mexico, Cuba, Canada, Newfoundland, and other countries should be described as Scotch, English, Irish, Welsh, French, German, Spanish, Italian, Russian, Turkish, Swedish, Norwegian, Mexican, Cuban, Canadian, Newfoundland, or other nationality, as the case may be, and not as Europeans, Americans, Asiatics, Africans, or Australians. Persons born in the United States, of foreign parents, should be described as Americans, and not specifically as Germans, Irish, Swedish, or any other country. In this connection the following enumerations should be carefully observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies, other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Africa or the islands of the West Indies, North or South America, Europe, or Africa. All women and children of African Negro should be recorded under this heading.

ITALIAN, NORTH.

The people who are native to the basin of the River Po in northern Italy, i. e., the departments of Piedmont, Liguria, Lombardy, Venetia, and Emilia, and those who are natives of the Provinces of Massa and Carrara, Leghorn, Lucca, Pisa, Florence, Pistoia, Arezzo, Siena, Grosseto, Perugia, Rieti, Ancona, Pesaro, Urbino, Macerata, and Ascoli Piceno, should be classed as Italian, north. Most of these people speak a Gallic dialect of the Italian language.

ITALIAN, SOUTH.

The people who are native to that portion of Italy south of the basin of the River Po, i. e., comprising the Provinces of Caserta, Benevento, Naples, Rome, Aquila, Teramo, Campobasso, Foggia, Bari, Lecce, Avellino, Salerno, Potenza, Cosenza, Catanzaro, Reggio di Calabria, Trapani, Palermo, Girgenti, Caltanissetta, Catania, Siracusa, Messina, Trapani, Cagliari, Sassari, Nuoro, and Porto Maurizio, should be classed as Italian, south. Most of these people speak a Latin dialect of the Italian language.

Column 11. *Last permanent residence.* — Actual residence should be stated. No city shall constitute permanent residence. The question always must be answered [illegible] Residence should be stated in such manner as to indicate whether the alien has been in the habit of residing in a village, town, or city, and the name of the village, town, or city should be stated. Permanent residence in the United States should not be entered unless the alien has resided therein for at least one year immediately preceding the time of his last departure from the United States, with the intention of permanently residing therein, and has not since gone abroad with the intention of residing permanently outside of the United States. Intending immigrants who have been in the United States for less than one year, or who have been abroad for a year or more, should be described as residents of the country in which they have resided during the time intervening between their departure from the United States and their return thereto. Aliens who have been in the United States for one year or more, but who have not resided therein with the intention of permanently residing therein, should be described as residents of the country in which they have resided during the time intervening between their departure from the United States and their return thereto. Aliens who have been in the United States for one year or more, but who have not resided therein with the intention of permanently residing therein, should be described as residents of the country in which they have resided during the time intervening between their departure from the United States and their return thereto.

Column 12. *Whether going to join relative or friend, and if so, what relative or friend, and name and complete address.* — The answer should be either Yes or No. If the alien is going to join a relative, the name of such relative, his relationship to the alien, and his complete address should be given. If the alien is going to join a friend, the name and complete address of such friend should be given.

Column 13. *Ever in prison or almshouse.* — The answer to this question should show whether the alien has been in prison or in an almshouse within the year immediately preceding the date of his application for admission to the United States. Persons who have been in prison or in almshouses within one year from the date of application are not to be admitted to the United States.

Column 14. *Whether going to join a society or church and name of same.* — The answer should be either Yes or No. If the alien is going to join a society or church in the United States, the name of such society or church should be given.

Column 15. *Whether in possession of $50 and if less, how much.* — The answer should be either Yes or No. If the alien has in his possession less than $50, the exact amount should be stated.

Column 16. *Whether ticket is paid by himself or by other person or society.* — The entry should show by whom passage was paid, as "Self," "Father," "Mother," "Husband," "Wife," "Friend," "Steamship Co.," "Railroad Co.," or other relative, friend, or corporation.

Column 17. *Whether in possession of railroad or other ticket to destination.* — The answer should be Yes or No. If the alien has a ticket to his destination, the name of the railroad or other company issuing the ticket should be shown. Money brought by the head of a family should be included in the amount mentioned in the preceding column.

Column 18. *Whether coming under contract, and if so, what.* — The entry should show whether or not the alien is coming to the United States under contract to perform labor, and if so, what labor.

Column 19. *Whether ever in the United States before, when and where.* — The entries should show whether or not the alien has been in the United States before, and if so, the year or period of years and place, as "1903, New York."

Column 20. *Whether going to join relatives or friends, and if so, what relatives or friends.* — The answer should be Yes or No. If the alien is going to join relatives or friends, the name and complete address of such relatives or friends should be given.

Columns 21 to 29. — These questions are self-explanatory, and the answers, like all others on the sheet, are subject to verification by inspectors, clerks, or other officials conducting the examination. However, in answering question 27, if the alien has been convicted of a crime, the nature of the crime should be stated, and if the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, H.A. Cunningham Master, of the George Washington, from Bremen, Southampton & Cherbourg, do solemnly, sincerely, and truly affirm that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 28 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Master

Sworn to before me this Twentieth day of October, 19 22

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Number in party.* Steamship lines should make no entries in this column. This space is for use at the port of arrival.

Column 3. *Name.* The name of each alien should be expressed in years or months, the latter applying to infants under 1 year of age.

Column 4. *Sex.* Opposite each name should be written Male or Female.

Column 5. *Married or single.* The answer should be Married, Single, Widowed, or Divorced.

Column 7. *Calling or occupation.* The entry should describe as accurately as possible the occupation (trade, or profession) of each alien. Such terms as "laborer," "servant," "student," and "none" should not be used unless the person has no occupation. Persons formerly engaged in any occupation, but incapacitated therefor at present, should be returned as laborers, farmers, servants, etc., according to the occupation at which they were formerly employed.

Women and children should be made to report their occupations, regardless of the amount of money shown, as follows:

A farmer's wife who owns the farm, rather than her husband, or for others.

A farm laborer's wife who works on a farm, rather than "none."

Steamship companies are requested to call the attention of their agents to the necessity for making the above corrections, and to the importance of carefully following the instructions in filling out the lists.

Column 8. *Can read.* Before the question "Can read?" is asked, each alien should be required to read aloud a few lines of printed matter in the language or dialect he may select. If he can read, write the word "Yes" in the column; if he cannot read, write the word "No."

Column 9. *Nationality.* Questions 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.* See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs.

Special attention is called to the instruction to enter as to each alien the country of which he is a citizen or subject, as distinguished from the country from which he last came. Aliens coming from foreign countries, but who have been naturalized in the United States, should be correctly returned by country and race. Thus, a native of Germany, but naturalized in the United States, coming from Germany, should be returned as a German, and not as an American. Persons coming from Ireland, whether subjects of Great Britain or citizens of the Irish Free State, should be returned as Irish, and not as English or Scotch. Persons coming from Mexico, Cuba, or Panama, whether natives of those countries or citizens of the United States, should be returned as Mexicans, Cubans, or Panamans, as the case may be, and not as Americans. Persons coming from Scotland should be returned as Scotch, and not as British or English. Persons coming from Wales should be returned as Welsh, and not as British or English. Persons coming from Canada should be returned as Canadian, except that citizens of the United States, returning after a temporary visit to Canada, should be returned as Americans. Persons coming from Turkey should be returned as Turks, Armenians, Syrians, Arabs, Kurds, Greeks, or Hebrews, as the case may be, if such is their race or people, and not as Ottomans or Turkish subjects, unless it affirmatively appears that they belong to the ruling race. Persons coming from Austria-Hungary should be returned as Austrian, Hungarian (Magyar), Slovak, Croatian, Slovenian, Ruthenian (Russniak), Polish, Dalmatian, Bosnian, Herzegovinian, or Montenegrin, as the case may be, and not as Austrians, Hungarians, Austro-Hungarians, or Austro-Hungarian subjects, unless it affirmatively appears that they belong to the ruling race. Persons coming from Russia should be returned as Russian, Finn, Lithuanian, Polish, Lettish, Russian Hebrew, Russian Scandinavian, Georgian, Armenian, Tartar, Siberian, etc., as the case may be, and not as Russians, unless it affirmatively appears that they belong to the ruling race. Persons coming from Germany should be returned as German, Austrian, Hungarian, Bohemian, Moravian, Polish, Slovak, Croatian, Slovenian, Dalmatian, Bosnian, Herzegovinian, Montenegrin, Ruthenian (Russniak), Lithuanian, Lettish, Wendish, Alsatian, Luxemburger, Schleswig-Holsteiner, Hanoverian, Hessian, Hessian Prussian, Saxon, Bavarian, Wurtemburger, Baden, Rhinelander, Westphalian, Oldenburger, Mecklenburger, Thuringian, Brunswicker, Anhalter, Lippe, Schaumburg-Lippe, Waldeck, Prussian, Schleswig, Posnanian, Hessian Nassau, Pomeranian, Hanoverian Guelph, Rhenish Prussian, Silesian, Brandenburger, Saxon Prussian, Westphalian, Hohenzollern, Hamburger, Lubecker, Bremer, Alsatian, Swiss, or Luxemburger, as the case may be, and not as Germans or Germany, unless it affirmatively appears that they belong to the ruling race. Persons coming from Switzerland should be returned as Swiss, and not as German, French, Italian, or any other country. In this connection the following discussion should be carefully considered:

CUBAN

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN

West Indian refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

AMERICAN NEGRO

"African (black)" refers to the African Negro who has come from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. All aliens with admixture of black blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i.e., compartimenti of Piedmont, Liguria, Venezia, Emilia, and those districts of Lombardia, Trentino, Venezia Tridentina, Marche, or any other district, should be classed as "Italian, north." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that part of Italy south of the basin of the River Po, i.e., compartimenti of Liguria, Toscana, the Marches, Umbria, Roma, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and those districts of Lombardia, Venezia Tridentina, Marche, or any other district, should be classed as "Italian, south."

Column 11. *Last permanent residence.* Write full name of city or town and country. Do not use such indefinite terms as "Europe" or "Asia." The last country in which aliens resided with the intention of remaining one year or more should be the permanent residence regardless of previous visits to other countries. The entry "America" should not be made. If the country and city of last permanent residence are the same, it should be so stated. Thus, if a person has resided in Paris, France, for years, and has never established a permanent residence anywhere else, the entry should be "Paris, France." If a person has resided in different countries, the last permanent residence should be entered. Thus, if a person has resided in Paris, France, for years, and has then resided in London, England, for years, and has then come to the United States, the entry should be "London, England."

Columns 12. *Name and complete address of relative in country whence alien came.* The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13. *Final destination.* The answer to this question should be the intended future permanent residence. No alien can be admitted who says that he intends to return to his native country. The entry should be definite, the place of intended future permanent residence, if within the United States, stated, as "Canada" is not the United States.

Columns 14 and 15. *Whether having a ticket through and whether paid for by self or other person or corporation, and by whom.* The answer should be either Yes or No, as the case may be.

Column 16. *Whether in possession of $50 and if not, how much.* The entry should show definitely by which passage was paid, as self, husband, father, brother, other relative, friend, steamship company, etc.

Column 17. *Whether in possession of railroad ticket to point beyond port of debarkation, and if not, how much.* The answer should be given in each case under this caption. Family tickets are not sufficient. The price of any ticket purchased for the alien should be stated. Money brought by the head of a family should not be credited to any of the several members of the family.

Column 18. *Whether ever before in the United States and if so, when and where.* The entries should show whether the alien has been in the United States before, and if so, the year or period of years and place, as 1901, N.Y.; Philadelphia.

Column 19. *Whether coming to join relative or friend, and if so, what relative or friend.* The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33. These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspector or other officer in the exercise of his duty. However, in connection with question 30, if alien has been deported within a one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, H... Cunningham Master *(Name of Master, First or Second Officer)*, *of the* S.S. George Washington, *from* Bremen, Southampton & Cherbourg, *do solemnly, sincerely, and truly* affirm *that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets,* 9 *in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.*

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax (if any).*—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4. *Age.*—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. *Sex.*—The entry should be either M (male) or F (female).

Column 6. *Married or single.*—The answer should be M (married), S (single), Wd (widow[er]), or D (divorced).

Column 7. *Calling or occupation.*—The entry should describe as accurately as possible the occupation, trade, or profession of each person aged 10 or more, whether actually employed or not. Such terms as "laborer," "servant," "clerk," "engineer," "agent," "boss," "driver," "foreman," "helper," "operator," "manufacturer," "dealer," "trader," "contractor," "gentleman," "lady," "housekeeping," "at home," "none," and "student" are indefinite and unsatisfactory, and should not be used unless specified as to character or line of work.

A laborer is one who performs manual labor of any kind, and a farmer is one who owns or operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Stenographers, typewriters, bookkeepers, clerks, etc., should be described as such, and not as "secretary," "agent," "manager," etc., unless they are actually secretaries, agents, managers, etc., of business concerns.

Column 8. *Last permanent residence.*—The information required is to be given in answer to the question: "Remain permanently in what country?" In answering this question the country or island should be stated which is the real home of the alien, as distinguished from the temporary residence in which he may happen to be living at the time of emigration. Thus, a Hungarian alien who has been living in Germany for a few years, but who has not become naturalized there, should write Hungary in answering this question. Aliens who have been naturalized should write the country from which they secured naturalization as the country of their last permanent residence.

Column 9. *Nationality.*—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.*—See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and particular care should be exercised by agents and others in this regard. For instance, Hebrew, apportioned under the numerical limitation to the French quota, is a race or people, and similarly, Spanish appearing under the head of race or people does not mean Spain or the Spanish country. So with German, or Hebrew, which may not be proper to name under the heading of England, Scotland, or any other country. In this connection the following instructions should be especially observed.

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN, NORTH.

The people who are natives of that portion of Italy south of the boundary of the River Po, i.e., the departments of Piedmont, Liguria, Lombardy, Venetia, and Emilia, and those who are natives of the provinces of Massa and Carrara, Lucca, Pisa, Leghorn, Grosseto, Florence, Pistoia, Arezzo, Perugia, Pesaro, Urbino, Ancona, Macerata, and Camerino, in the department of Rome, should be classified as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN, SOUTH.

The people who are natives of that portion of Italy south of the boundary of the River Po, i.e., the departments of Umbria, Rome (except the provinces of Massa and Carrara, Lucca, Pisa, Leghorn, Grosseto, Florence, Pistoia, Arezzo, Perugia, Pesaro, Urbino, Ancona, Macerata, and Camerino, in the department of Rome), Aquila, Teramo, Campobasso, Caserta, Naples, Benevento, Avellino, Salerno, Foggia, Bari, Lecce, Trapani, Palermo, Girgenti, Caltanissetta, Catania, Siracusa, Messina, Reggio di Calabria, Catanzaro, Cosenza, Sassari, and Cagliari should be classified as "Italian (south)." Most of these people speak a Latin dialect of the Italian language.

Column 11. *Last permanent residence.*—Where a person has lived in several places, the last place of residence should be given. The last place in which a person has lived for one year is usually considered his last permanent residence. If he has lived there less than one year, the place which was his last previous residence for one year or more should be given. The purpose of this question is to ascertain definitely whether the alien has been living in a country which is contiguous to the country to which he is going, or has been living in his native country, and to which he may be returned in case he becomes a public charge. The name of the country, not the city, should be given in answer to this question.

Column 12. *Name and complete address of person in the United States whom alien is joining or going to.*—The answer should give name and address of such relative. If no such relative exists, give name and address of friend.

Column 13. *Final destination.*—The answer to this question should show the intended future permanent residence. An intended residence for only a few months is not a permanent residence. The entry should show definitely the place in the United States of intended future permanent residence, if within the United States, or, if to go outside the United States, to what country.

Column 15. *Whether having a ticket to such final destination.*—The answer should be either Yes (ticket) or No (no ticket).

Column 16. *By whom was passage paid.*—The entry should show definitely by whom passage was paid, as self, parent, husband, father, brother, sister, friend, steamship company, etc.

Column 17. *Whether in possession of $50, and if less than $50, how much.*—The answer should be given in each case, and the family funds of which the alien is a member should be considered. Money brought by the head of a family should not be divided up, but the several members of the family.

Column 18. *Whether ever before in the United States, and if so, when and where.*—The entries should show whether or not "Yes" or "No" in the United States before, and if so, the year or period of years and place, as, 1894, 1896, Philadelphia.

Column 19. *Whether going to join relatives or friends, and if so, what relatives or friends.*—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, [illegible] Cunningham master, of the S.S. George Washington, from Bremen, Southampton & Cherbourg, do solemnly, sincerely, and truly affirm that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 20 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

[illegible] Officer.

Sworn to before me this twentieth day of October, 19 22 Master

at New York

W Keegne
Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as for example: Cashier, weaver, stenographer, bookkeeper, engine cleaner, engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as laborer, polisher, molder, turner, or other indefinite designation.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the lists and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens at ports.

Column 8 (*Able to read and write*).—This column is to be labeled to call attention clearly to the question: "Read what language?" (Any one language sufficient, upon which to apply test.) In answering this question the emigrant or alien should be asked to read aloud a few words. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See List of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence and country of birth, and manifests should be cared for accordingly, as entries in these columns frequently are incorrectly made. For instance, "France" appearing under the head of country of residence may mean French, Italian, Spanish, Basque, or Alsatian race or people, and "France" appearing under the head of race or people does not mean "France" as country. An Irish, German, or Hebrew alien may have no race or people corresponding to the country of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to that portion of Italy north of the basin of the River Po, i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—A foreign or even extended residence, even a year or all one's life, is not permanent residence. The latter is rarely well defined, being merged with the idea of remaining one year or more, but the fact pertinent to residence is the intent at the time last entered the country. These terms in column 11 should show where aliens had their actual and bona fide last permanent residence. It is important for statistical purposes that the terms not be indefinite, but clearly show country of last permanent residence independent of length of time, purpose, occupancy of birth, race, people, or type.

Country of last permanent residence refers to countries which are politically and territorially distinct from the United States and are not necessarily to be confused with "British Dominions" or "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year should constitute permanent residence. The entry should show definitely the place selected as basis of intended future permanent residence, if within the United States country, if outside the United States.

Column 14 (*Whether having ticket through to final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom was passage paid*).—The entry should show distinctly by whom passage was paid, as self, husband, father, brother, another relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50 and if less how much*).—The answer should give in each case individual distinctly, thus "yes" or "no" and the amount, if less than $50. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in United States, and if so, when and where*).—The entry should show whether or not (Yes or No) the United States before, and if so, the year, or period of years, and place, as 1891–1897, Philadelphia.

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

(11)

91

I, P.F. Sondern, *Surgeon of the* S.S. George Washington, Sailing therewith, *do solemnly, sincerely, and truly* affirm *that I have had* 25 *years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of* the University of the State of New York, *and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets,* 25 *in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.*

Sworn to before me this Twentieth *day of* October, *19* 22

at New York

[signature]

Signature and title of immigration or other officer authorized to administer oath.

NOTE.—If a surgeon sails with the vessel, this affidavit, if correctly executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any alien described herein noted before final inspection.

If a surgeon sails with the vessel, the affidavit or certificate shall be executed at the port of departure before an officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

NOTE - Full text of question 24 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, or who disbelieves in or is opposed to organized government, or who advocates the assassination of public officials, or who advocates or teaches the unlawful destruction of property, or is a member of or affiliated with any organization or society that believes in or teaches disbelief in or opposition to organized government, or which teaches the unlawful destruction of property, or which advocates or teaches the duty, necessity, or propriety of the unlawful assaulting or killing of any officer or officers, either of specific individuals or officers generally, of the Government of the United States or of any other organized government because of his or their official character.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, H.A. Cunningham Master *, of the* S.S. George Washington *, from* Bremen, Southampton & Cherbourg *, do solemnly, sincerely, and truly* affirm *that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets,* 25 *in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.*

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

(Column 2 *Head tax status*) Steamship lines should make no entries in this column. The space is for use of Immigration officials only.

Column 4 (*Age*) The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*) The entry should be either M (male) or F (female).

Column 6 (*Married or single*) The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*) The entry should describe as accurately as possible the occupation, trade, or profession of each alien over 15 years of age, whether actually employed at the time or not. Such entries as "laborer," "servant," "clerk," "student," "housewife," "housework," "none," and the like are indefinite and unsatisfactory. Entries should indicate the character of work usually performed, as "engineer (civil)," "engineer (stationary)," "engineer (mining)," "engineer (consulting)," "laborer (farm)," "laborer (general)," "servant (domestic)," "servant (personal attendant)," "clerk (dry goods)," "clerk (grocery)," "stenographer," "bookkeeper," "farmer," "farm laborer," "physician," "surgeon," "trained nurse," "midwife," "professional baseball player," "professional baseball umpire," "lawyer," "musician," "actor," "actress," "author," "editor," "journalist," "clergyman," "missionary," "sculptor," "painter (artist)," "engraver," "lithographer," "photographer," "electrician," "machinist," "mason," "bricklayer," "plasterer," "plumber," "carpenter," "cabinetmaker," "tailor," "tailoress," "dressmaker," "milliner," "butcher," "baker," "miner," "iron worker," "steel worker," "iron molder," "wood turner," etc., and not simply "laborer," "servant," "clerk," "housewife," "housework," "none," or "student."

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown as in possession.

A person who operates a farm, either for himself or for others.

A person employed on a farm by the month or year who performs such labor as is required.

Common sense should be used in describing the occupation, and no entry should be made, if possible, which will subject the alien to needless questioning upon landing.

Column 8 (*Can read and write*) This column is to be filled in to indicate whether the alien can read or can not read. If he can read any language, he should be entered as able to read. If he can write any language, he should be entered as able to write. If he can neither read nor write, he should be entered as unable to read and unable to write.

Column 9 (*Nationality*) Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*) See list of races printed on back of this sheet. The entry should show the race, people, or nationality of each alien.

Special care should be paid to the distinction between race and the country of which the person is a citizen or subject. Thus, natives of the United Kingdom of Great Britain and Ireland should not be returned generally as "British," but as "English," "Scotch," "Welsh," or "Irish," according to the race or people to which they belong. Natives of the Dominion of Canada should be returned as "Canadian (French)" or "Canadian (other than French)," according to the race or people to which they belong. Natives of Australia, New Zealand, and other British colonies should be returned as "Australian," "New Zealander," etc., according to the race or people to which they belong. Natives of Switzerland should be returned as "Swiss," but not as "German," "French," or "Italian," according to the race or people to which they belong. Natives of Mexico should be returned as "Mexican," but not as "Spanish," "Indian," or "negro," according to the race or people to which they belong. In like manner, natives of Cuba should be returned as "Cuban," but not as "Spanish," "negro," or "African (black)," according to the race or people to which they belong. In this connection the following should be especially observed.

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other island of the West Indies, South or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are natives of the provinces of the Kingdom of Italy north of the Rivers Po, Panaro, and Magra, comprising the Provinces of Piedmont, Liguria, Lombardy, Venetia, Emilia, and Tuscany, and the Provinces of Massa and Carrara, Lucca, Pisa, Leghorn, Grosseto, Florence, Siena, Arezzo, Perugia, Rieti, Ancona, Pesaro, Urbino, Macerata, and Camerino, and the Republic of San Marino, should be returned as "Italian (North)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are natives of that portion of Italy south of the basins of the Rivers Panaro, Po, and Magra, comprising the Provinces of Aquila, Campobasso, Caserta, Benevento, Naples, Rome, Frosinone, Littoria, Velletri, Aquila, Teramo, Pescara, Chieti, Campagnola, Avellino, Salerno, Potenza, Foggia, Bari, Lecce, Brindisi, Taranto, Cosenza, Catanzaro, Reggio di Calabria, Trapani, Palermo, Girgenti, Caltanissetta, Catania, Siracusa, Messina, Trapani, Cagliari, Sassari, Nuoro, and Littoria, should be returned as "Italian (South)."

Column 11 (*Last permanent residence*) All aliens are required to state the country of their last permanent residence. By this is meant the country in which they have lived and which they have left to come to the United States. Persons who have been temporarily visiting in a country other than their own should not report that country as the country of their permanent residence. Thus, persons who have lived in Germany for years, and who have been temporarily visiting in France, should report Germany as the country of their last permanent residence. Persons who have lived in Canada for years, and who have been temporarily visiting in the United States, should report Canada as the country of their last permanent residence. Persons who have lived in the United States for years, and who have gone abroad temporarily, should report the United States as the country of their last permanent residence.

Column 12 (*Now going to*) (*Destination*) (*Intended future permanent residence*) The entry should show the name and address of such relative. If no such relative is intended to be visited, the entry should show definitely the place where it is intended to locate permanent residence, if within the United States, country, if outside the United States.

Column 13 (*Whether in possession of railroad ticket to final destination*) The answer should be either Yes (ticket) or No (money).

Column 14 (*By whom was passage paid*) The entry should show definitely by whom passage was paid, as self, husband, father, mother, brother, sister, friend, Red Cross, United Hebrew Charities, etc.

Column 15 (*How much money has person in his possession*) Persons should be required to state the exact amount of money in their possession. Money brought to the head of a family should not be described as that of the family, but should be listed individually.

Column 16 (*Whether ever before in the United States, and if so, when and where*) The entry should show with the letter Y (Yes) or N (no) if the alien has been in the United States before, and if so, the year or period of years and place, as, 1891, 3 years; Philadelphia.

Column 17 (*Whether going to join relatives or friends, and if so, what relatives or friends*) The answer should show whether going to join still or a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 31.—These questions are self explanatory and the answers like all others on the sheet, are subject to inspection by inspection officers in the examination of aliens. If, however, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

Cherbourg

I, H.A. Cunningham Master, of the S.S. George Washington, from Bremen, Southampton & , do solemnly, sincerely, and truly affirm that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Master

Sworn to before me this Twentieth day of October, 1922

at New York

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status*) - Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4, *Age*. The answer in this column should be expressed in years or months, the latter applied only to those under 1 year of age.

Column 5, *Sex*. The entry should be either M male or F female.

Column 6 (*Married or single*. The answer should be M married, S single, Wd widowed), or D divorced.

Column 7 (*Calling or occupation*. The entry should describe as accurately as possible the occupation, trade, profession or other class to which each alien belongs, as for example: Coal miner, stationary engineer, locomotive engineer, machinist, blacksmith, tailor, tailoress, steel worker, iron worker, wood turner, etc., and not simply laborer, servant, worker, factory, or the general term "gentleman."

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who owns or rents it.

Stockmen, gardeners, and others should be classified on the same basis and corrections should be made, if necessary, by steamship surgeons, examining the personal examination of each alien.

Column 8 (*Nearest relative or friend in country whence alien came*). Immigrants should understand this question: "Read what has been [i. e., in answering this question, write what is printed, even when printed]." In answering this question the relative or friend should be able to read, but not necessarily write. If aliens are able to read and claim exemption from the reading requirement, cards and forms for exemption should be given.

Column 9, *Nationality*. Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10, *Race or people*. See list of races printed on back of this sheet. The entry should show the race or people, as given in said list.

Special attention is invited to the instruction between race and the country of which citizen or subject. Confusion of last permanent residence and country of birth and inattention should be carefully avoided. Exceptions and reasons taken in this regard. The instruction "Italian" appearing under the head of race does not mean that French, Spanish, Roumanian people and, similarly, French appearing under the head of race do not include natives of Belgium. The term "Italian" in this country. An Irish, German or Hebrew alien by birth should properly come under the heading of England, Scotland, or any other country. In this connection the following discussions should be especially observed.

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i.e., compartments of Piedmont, Liguria, Venetia, and Lombardy, and their descendants, whether residing in Italy, Switzerland, Austria, France, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are natives of that portion of Italy south of the basin of the River Po (i.e., compartments of Tuscany, The Marches, Umbria, Rome (the City), Abruzzi and Molise, Campania, Apulia, Basilicata (Lucania), Calabria, Sicily, and Sardinia), and their descendants, whether residing in Italy, Switzerland, Austria, France, or any other country, should be classed as "Italian (south)."

Column 11, *Last permanent residence*. Aliens should be questioned as to their last permanent residence, and not as to their place of birth. Answers indicating intention to proceed to a permanent residence should be carefully scrutinized. Persons in possession of passports or other papers showing their permanent residence should present such papers. Nothing in the regulations should be construed to require the carrying of passports by persons entitled to enter without them. Persons having no permanent residence or claiming more than one permanent residence should be closely questioned as to the purpose of their visit to each country claimed as a permanent residence.

Country of last permanent residence. Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12, *Name and complete address of person or persons in country whence alien came*. The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13, *Final destination*. The answer to the question should show the intended future permanent residence. An intended visit, even for a short time, to a country is not sufficient. The entry should show definitely the place city, town, if intended future permanent residence, if within the United States; country, if outside the United States.

Column 14, *Whether having ticket to and final destination*. The answer should be either Yes ticket or No no ticket.

Column 16, *Whether in possession of $50 and if less than $50*. The answer should give in each individual case, if any, the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18, *Whether ever before in the United States and if so, when and where*. The entries should show whether or not Yes or No in the United States before, and if so, the year or period of years and place, as 1901 1907 Philadelphia.

Column 19, *Whether going to join a relative or friend, and if so, what relative or friend*. The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 34. These questions are self explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 27, if alien has been deported within one year of the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, P.F. Sondern, Surgeon of the S.S. George Washington sailing therewith, do solemnly, sincerely, and truly affirm that I have had 25 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the University of the State of New York, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 30 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, H.A. Cunningham Master, of the S.S. George Washington, from Bremen, Southampton & Cherbourg, do solemnly, sincerely, and truly affirm that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

(~~Affirm~~)

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.* Each passenger in these lines should make no entries in this column. The space is for use of Government officials.

Column 3. *Age.* The age in this column should be expressed in years or months, the latter appropriately to those under 1 year of age.

Column 4. *Sex.* The entry should be either M (male) or F (female).

Column 5. *Married or single.* The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7. *Calling or occupation.* The entries should describe as definitely as possible the occupation, trade, or profession of each alien, as for example, farmer, merchant, engineer, carpenter, mason, painter, physician, surgeon, lawyer, author, actor, actress, preacher, editor, journalist, teacher, tailor, servant, boarding-house keeper, housekeeper, nurse, midwife, barber, etc., and not simply laborer, except where no other description is possible.

Additions should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one employed by a farmer to perform such work as he may direct.

Stevedores, engineers, firemen, sailors, and all others employed on vessels, must be described as such and not as laborers. Persons of no occupation should be so stated. Where a child or other person has a specific occupation, that should be entered, as in the case of an adult.

Column 8. *Nationality.* Read what immigrant [illegible] is a citizen or subject of what country. The answer should be the name of the country in which the alien was born, as England, Scotland, Germany, France, Sweden, Russia, Poland, Italy, Turkey, Greece, Portugal, Spain, Holland, Belgium, Switzerland, Austria, Hungary, Mexico, China, Japan, India, etc. Do not use the terms Russian, Austrian, Hungarian, German, or English unless the alien was born in one of these countries and is entitled to be classified as a native thereof. Do not use the terms Canadian, Irish, Scotch, Welsh, or English unless the alien was born in Canada, Ireland, Scotland, Wales, or England and is entitled to be classified as a native thereof. Do not use the terms British, Great Britain, or United Kingdom.

Column 9. *Race or people.* Use list of races printed on back of the sheet. The entry should show the race or people to which each alien belongs.

Special attention should be given to the distinction between race and the country of which a person is a citizen or subject. For example, a native of Scotland may be of the Celtic, Anglo-Saxon, Teutonic, Scandinavian, Hebrew, or other race. Likewise, a native of Germany may be of the Hebrew, Celtic, Slavonic, Scandinavian, or other race. Particular attention is directed to the fact that the native country of many Hebrews is Russia, Austria-Hungary, Germany, or Roumania, but their race is Hebrew. Do not enter as the race or people of an alien a general term descriptive of the locality from which he came to this country, such as European, Asiatic, African, Oriental, Western, Eastern, Southern, Northern, Latin, Scandinavian, Teutonic, Slavonic, Balkan, Mediterranean, Polynesian, Australian, Alpine, Arctic, Iberian, Celtic, Anglo-Saxon, Hamitic, Semitic, Mongolian, Malay, Indian, Negro, Colored, Black, White, Brown, Yellow, or Red. Specific races or peoples should be entered, as Spanish, Portuguese, Italian (North or South), French, German, Swedish, Norwegian, Russian, Finnish, Lithuanian, Polish, Bohemian, Slovak, Moravian, Ruthenian, Servian, Croatian, Dalmatian, Bosnian, Herzegovinian, Montenegrin, Greek, Albanian, Roumanian, Bulgarian, Armenian, Georgian, Turkish, Arabian, Syrian, Palestinian, Persian, Afghan, Hindu, Bengali, Mahratta, Kanarese, Tamil, Telugu, Malayalam, Burman, Siamese, Malay, Chinese, Japanese, Korean, Filipino, Hawaiian, Indian (native), Eskimo, Negro, Mulatto, Quadroon, Octoroon, Pacific Islander, Australian, New Zealander, Maori, Hebrew, Gypsy, Basque, Brahui, Kurd, Lapp, Finn, Turanian, Hungarian, Magyar, Wallachian, Moldavian, Transylvanian, Dalmatian, Albanian, Bosnian, Herzegovinian, Montenegrin, Croatian, Slavonian, Ruthenian, Galician, Dutch, Flemish, Belgian, Walloon, Swiss, Portuguese, Spanish, Catalonian, Balearic Islander, Italian (North or South), Sardinian, Corsican, Andorran, Roumanian, Celtic, Celt, Basque, Manx, Welsh, Scotch, Irish, English, Cornish, Icelandic, Norwegian, Swedish, Danish, Lapp, Finnish, Esthonian, Livonian, Courlander, Lithuanian, Prussian, Russian, White Russian, Polish, Czech, Moravian, Slovak, Bohemian, Ruthenian, Carpatho-Russian, Croatian, Slavonian, Dalmatian, Bosnian, Herzegovinian, Montenegrin, Servian, Bulgarian, Macedonian, Albanian, Greek, Roumanian, Moldavian, Transylvanian, Magyar, Hungarian, Austrian, German, Alsatian, Luxemburger, Swiss, Liechtenstein, French, Breton, Basque, Spanish, Catalonian, Balearic Islander, Portuguese, Italian (North or South), Sardinian, Corsican, Andorran, Arabian, Syrian, Palestinian, Armenian, Georgian, Turkish, Persian, Afghan, Hindu, Bengali, Mahratta, Kanarese, Tamil, Telugu, Malayalam, Burman, Siamese, Malay, Chinese, Japanese, Korean, Filipino, Hawaiian, Indian (native), Eskimo, Pacific Islander, Australian, New Zealander, Maori, Gypsy

I, H.A. Cunningham Master, of the S.S. Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*). Steamship lines should make no entries in this column. The space is for use of Government officers only.

Column 4 (*Age*). The answer to this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*). The entry should be either M. (male) or F. (female).

Column 6 (*Married or single*). The answer should be M. (married), S. (single), Wd. (widow), or Div. (divorced).

Column 7 (*Calling or occupation*). The entry should be as accurately as possible the designation (trade or profession) of each person named. Do not use general terms, such as laborer, clerk, manufacturer, agent, etc., but specify the particular kind of labor performed by laborers and workmen, such as farm laborer, woodworker, etc., and the specific character of the profession or occupation of persons having any, such as physician, lawyer, etc.

A distinction should be made between farmers and agricultural laborers, regardless of the amount of money owned, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the farmer or for others.

Steamship companies will be liable for the head tax of any alien who, at the time of his departure from a foreign port, is destined to the United States, unless he is in possession of an unexpired immigration visa, or unless he is in possession of a nonimmigrant visa and is destined to the country specified therein. Exceptions should be made, if necessary, in the case of aliens who are in transit through the United States to foreign countries.

Column 8 (*Nationality*). The answer to this question should be the country to which the alien owes allegiance. Read what is said in the following paragraph concerning the proper method of designating the nationality of persons born in Austria-Hungary, Germany, Russia, Turkey, and certain other countries. Do not use the terms "Austrian," "German," "Russian," "Turkish," or "Hungarian" unless the alien is entitled to such nationality under the laws governing the acquisition of nationality by birth or naturalization. Do not use the terms "Great Britain," "British," or "England" unless the alien is entitled to such nationality. Do not use the terms "Asiatic," "Africa," or "Australia" unless the alien is entitled to such nationality.

Column 9 (*Race or people*). See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs.

Special inquiry officers should be guided by the instructions issued from time to time governing the admission of persons belonging to the various races or peoples.

Column 10 (*Last permanent residence*). The answer should be the country of which the alien is a citizen or subject.

Column 11 (*Final destination*). The answer should be the name of the city, town, or village in the United States to which the alien is destined. If he is destined to a place in the interior, it will be necessary that he should have a ticket to that place, and the agent should so state in answering this question. Do not write "Ticket paid" or "Ticket not paid." Such information is not desired. Do not write "Unknown" or "Not known." Do not write "Will be supplied later." Do not write "Destination unknown." INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.*—Immigrants should make no entries in this column. The space is for use of Government officials only.

Column 3. *Age.*—Answers in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4. *Sex.*—The answer should be either M. male, or F. female.

Column 5. *Married or single.*—The answer should be M. married, S. single, Wd. widowed, or D. divorced.

Column 7. *Calling or occupation.*—The entry should describe as accurately as possible the occupation under which each alien has been employed during the past year or since childhood. Such terms as "laborer," "servant," "student," "clerk," "cook," "housekeeper," "seamstress," "milliner," "dressmaker," "tailoress," "operative," "weaver," "mechanic," "engineer," "farmer," "stockman," "herder," "shepherd," "dealer," "trader," "manufacturer," "banker," "physician," "surgeon," "lawyer," "clergyman," "author," "editor," "musician," "actor," "artist," "scientific specialist," or "no occupation" should be entered where they correctly describe the occupation of the alien.

A "laborer" should be made to show a definite trade, or calling, regardless of the amount of money earned, and also as

A "farmer" one who operates a farm, either for himself or for others.

A "farm laborer" one who works on a farm for others for a stipulated wage.

Such descriptions as "capitalist," "gentleman," "manufacturer," and "agriculturist" should be made if no others, better describing the occupation, can be given. [illegible] aliens.

In ascertaining this question the immigrant may be required to read a few words in the language or dialect he may name. If he is completely illiterate, or claims exemption from the requirement under the proviso of the law, the fact should be given.

Column 9. *Nationality.*—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.*—See list of races printed on back of the sheet. The entry should show the race or people to which each alien belongs.

Special attention is invited to the fact that the designation of country, the people of which a citizen or subject, is entirely different from the designation of race or people. I, Wm. Cunningham Master *, of the* S.S. Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.* Steamship lines should leave this column blank. The space is for use by the immigration officers.

Column 3. The entry should be "Master," "Mate," etc., as the case may be.

Column 4. *Married or single.* The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7. *Calling or occupation.* The entry should describe as accurately as possible the occupation, trade, or profession of each alien. If none, the word "none" should be used. Such terms as "laborer," "servant," or "clerk" without qualification are indefinite and should not be used unless they are modified so as to indicate clearly the character of work performed.

A distinction should be made between farmers and farm laborers, so as to show the number of the former who are coming to buy or work on farms.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one employed by another person on the land to perform general farm work.

Separate entry should be made of stockmen, herdsmen, shepherds, and cowboys, as such.

If no occupation, the word "none" should be entered.

Persons having no specific occupation, but living on their income, should be returned as "gentleman" or "lady," as the case may be.

Persons having no occupation, but who are able to read, should be returned as "laborer," "servant," or other occupation at which they usually work.

Persons who can not read should be returned as "laborer," "servant," or other occupation at which they usually work, if any; if not usually employed, the occupation at which they last worked should be returned.

Children should be returned as "child" or "children," as the case may be.

Column 8. *Nationality.* Quotation 9 should be used to ascertain the country of which alien is a citizen or subject.

Column 10. *Race or people.* See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs.

Special attention should be paid to the distinction between race and the country of which citizen or subject. Care must be taken not to confuse race and country or place of birth, and incorrect entries must not be made. For instance, natives of England, Scotland, and Wales are all British subjects, but belong to different races. Natives of Ireland may be subjects of Great Britain, but belong to the Irish race. Natives of Germany may be Germans, Poles, Hebrews, or members of other races. Natives of Austria may be Germans, Hungarians, Bohemians, Croatians, Poles, Hebrews, or members of other races. Natives of Turkey may be Turks, Armenians, Greeks, Hebrews, or members of other races. Natives of Russia may be Russians, Finns, Hebrews, Lithuanians, Poles, Germans, or members of other races. Natives of France may be French, Germans, Hebrews, Basques, Flemish, or members of other races. Natives of Spain may be Spanish, Basques, Catalonians, Gallegos, Hebrews, or members of other races. Natives of Portugal may be Portuguese, Hebrews, or members of other races. Natives of Holland may be Dutch, Frisians, Hebrews, or members of other races. Natives of Belgium may be Belgians, Flemish, Hebrews, or members of other races. Natives of Switzerland may be Germans, French, Italians, Hebrews, or members of other races. Natives of Scandinavia may be Swedes, Norwegians, Finns, Lapps, Hebrews, or members of other races. Natives of Greece may be Greeks, Albanians, Bulgarians, Hebrews, or members of other races. Natives of Italy may be Italians, Hebrews, or members of other races. Natives of Japan may be Japanese, Koreans, or members of other races. Natives of China may be Chinese or members of other races. Natives of India may be Hindus, Parsees, Hebrews, or members of other races. Natives of Mexico may be Mexicans, Indians, Spanish, or members of other races. Natives of Cuba may be Cubans, Spanish, Negroes, or members of other races. Natives of Haiti may be Haitians, Negroes, or members of other races. Natives of Santo Domingo may be Dominicans, Negroes, or members of other races. Natives of Jamaica may be Jamaicans, Negroes, or members of other races. Natives of Canada may be Canadians, French, Indians, Hebrews, or members of other races. Natives of Newfoundland may be Newfoundlanders, Negroes, or members of other races. Natives of Turkey in Asia may be Turks, Armenians, Syrians, Hebrews, Arabs, or members of other races. Natives of Arabia may be Arabs or members of other races. Natives of Syria may be Syrians, Arabs, Hebrews, or members of other races. Natives of Africa may be Negroes, Hebrews, or members of other races. Natives of Australia may be Australians, Hebrews, or members of other races. Natives of New Zealand may be New Zealanders, Hebrews, or members of other races. Natives of Philippine Islands may be Filipinos, Negroes, Spanish, or members of other races.

Column 11. *Ability to read.* Every alien over 16 years of age, physically capable, must read the printed matter on the Immigrant Inspection Card. Answer "Yes" or "No."

Column 12. *Ability to write.* Every alien over 16 years of age, physically capable, must write his name on the Immigrant Inspection Card. Answer "Yes" or "No."

Column 13. *Final destination.* Every effort to discover and show the intended future permanent residence of each alien should be made. Do not enter "Ellis Island," "New York," or "Philadelphia" unless it is clearly shown that the alien intends to remain permanently in that city. If intended future permanent residence is not in the United States, write the name of the country.

Column 14. *Whether going to join relatives or friends, and if so, what relatives or friends.* The answer should be either Yes or No. Do not enter "Ticket to ——" or "Has ticket."

Column 15. *By whom was passage paid.* The entry should show, for each, by whom passage was paid, as "Self," "Father," "Mother," "Husband," "Wife," "Brother," "Sister," "Friend," "Steamship company," etc.

Column 17. *Whether in possession of $50 and if not, how much.* The answer must be "Yes" or "No" in each case. If "Yes," the exact amount should be shown. Money brought by the head of a family should not be considered as the property of the children.

Column 18. *Whether ever before in the United States and if so, when and where.* The entry should show whether or not each alien has been in the United States before, and if so, the year or period of years and place, as "1903, New York," "Philadelphia."

Column 19. *Whether going to join husband, wife, or friends, and if so, what relatives or friends.* The answer should show whether going to join relatives or friends, and if so, what relatives or friends, with name and complete address.

Columns 20 to 33. These questions are self-explanatory, and the answers, like all others on the sheet, are subject to revision by inspection officers at the discretion of the latter. However, an exception to question 26, if there has been deportation, exists in no case where the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies, other than Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, when returning from Cuba or other islands of the West Indies, South or Central America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are natives of the basin of the River Po in northern Italy, i. e., compartimenti of Piedmont, Liguria, Venezia, Emilia, and their descendants who have emigrated to the United States, Venezia Giulia, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are natives of that portion of Italy south of the basin of the River Po, i. e., compartimenti of Liguria, Emilia, the Marches, Umbria, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants who have emigrated to the United States, should be classed as "Italian (south)."

Question 11. *Last permanent residence.* A question which is intended to show what shall constitute permanent residence. The test employed is whether the alien intends to remain one year or more in the place mentioned. Evidence tending to show permanent residence in the United States is the ownership of property, the presence of family, and the like. Evidence tending to show temporary residence is the presence of trunks, the purchase of a return ticket, and the like. Persons coming for such special purposes that their permanent residence abroad is apparent, such as ministers of religion, professors, students, temporary employees of corporations, etc., should be returned as residents of the countries which they have left.

Courtesy of the government requires that officers and enlisted men of the United States Army and Navy be returned as residents of the place where stationed.

Question 12. *Name and complete address of nearest relative or friend in country whence alien came.* The entry should show name and address of such relative. If no such relative living, state the fact.

Question 13. *Final destination.* The answer to this question should show the intended future permanent residence. Do not enter "Ellis Island," "New York," or "Philadelphia" unless it is clearly shown that the alien intends to remain permanently in that city. If intended future permanent residence is not in the United States, write the name of the country.

Question 14. *Whether going to join relatives or friends.* The answer should be either Yes or No. Do not enter "Ticket to ——" or "Has ticket."

Question 15. *By whom was passage paid.* The entry should show, for each, by whom passage was paid, as "Self," "Father," "Mother," "Husband," "Wife," "Brother," "Sister," "Friend," "Steamship company," etc.

Question 17. *Whether in possession of $50 and if not, how much.* The answer must be "Yes" or "No" in each case. If "Yes," the exact amount should be shown. Money brought by the head of a family should not be considered as the property of the children.

Question 18. *Whether ever before in the United States and if so, when and where.* The entry should show whether or not each alien has been in the United States before, and if so, the year or period of years and place, as "1903, New York," "Philadelphia."

Question 19. *Whether going to join husband, wife, or friends, and if so, what relatives or friends.* The answer should show whether going to join relatives or friends, and if so, what relatives or friends, with name and complete address.

Questions 20 to 33. These questions are self-explanatory, and the answers, like all others on the sheet, are subject to revision by inspection officers at the discretion of the latter. However, an exception to question 26, if there has been deportation, exists in no case where the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

I, H... Cunningham, Master, of the S.S. George Washington, from Bremen, Southampton & Cherbourg, do solemnly, sincerely, and truly affirm that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 2 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officers only.

Column 4 (*Age*).—The entry in this column should be expressed in years or months, the latter applying only to those under 1 year old.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation (trade, or profession) of each alien arriving, and if no occupation, stating whether a child or woman. Persons formerly engaged in "gentlemen of leisure," "capitalist," "property owner," "landowner," "retired merchant," "manufacturer," etc., should not simply be reported as such, but their former occupation should be stated.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the owner, or for others.

Steamship companies should make this distinction in the manifests and corrections should be made, if necessary, by inspectors at the time of the primary examination of alien arrivals.

Column 8 (*Nationality*).—Persons born in Great Britain should be reported as to whether they are English, Scotch, Welsh, Irish, etc., according to the best information obtainable. Persons born in the Turkish Empire should be reported as Armenian, Syrian, Turkish, Greek, Hebrew, etc., according to the best information obtainable. Persons born in Austria-Hungary should be reported as Austrian, Hungarian, Bohemian, Polish, Croatian, Slovak, Dalmatian, Ruthenian, etc., according to the best information obtainable. Persons born in the German Empire should be reported as German. Persons born in the Russian Empire should be reported as Russian, Finn, Lithuanian, etc., according to the best information obtainable.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See instructions printed on back of this sheet. The entry should show the race or people as stated by each alien.

Special inquiry should be had as to the races or peoples to which persons of each birthplace belong, the races of Indian descent and mixed white and native Indian blood should be specially noted, and the races or peoples of persons coming from countries not specifically mentioned in the printed lists should be reported under the heads of the nearest race or people specifically mentioned therein, as, for example, Hindus, Afghans, Beluchistanis, and Persians should be reported as Asiatic Turks; Australians, Tasmanians, New Zealanders, Fijians, Tongans, Samoans, or Hawaiians should be reported as Polynesians; Berbers, Moors, Tuaregs, Kabyles, Arabs, Egyptians, or Abyssinians should be reported as Africans, Negroes, or Hebrews, according to their appearance, whether they be Jews or Gentiles, Mohammedans, Christians, or believers in any other religion.

In connection with the following directions should be observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro who has come from Cuba or the islands of the West Indies, Central or South America, Europe, or elsewhere. Any alien with a characteristic admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to that portion of Italy south of the borders of the Regio Prima, compartments of Piedmont, Liguria, Lombardia, Venetia, and Emilia, and those born in other countries of European Turkey, Asiatic Turkey, Greece, and other countries should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the borders of the Regio Prima, compartments of Piedmont, Liguria, Lombardia, Venetia, and Emilia, and those born in Africa, Malta, Sicily, and Sardinia, should be classed as "Italian (south)." Most of these people speak a Latin dialect of the Italian language.

Column 11 (*Last residence*).—All persons admitted to the United States should be asked to state the country of their last permanent residence. Persons coming to the United States from Canada frequently state that they have been residents of Canada for many years, when in fact they have been there only a few months, having gone to Canada for the purpose of entering the United States. Persons coming from Mexico frequently claim to have been residents of Mexico, when in fact they have been residents of some other country. Persons coming from Cuba frequently claim to have been residents of Cuba, when in fact they have been residents of some other country. Persons coming from Panama frequently claim to have been residents of Panama, when in fact they have been residents of some other country. INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. Head tax (if any). Steamship lines should make no entries in this column. The space is for vessel's use only. The amount in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4. Sex. Persons should be either M (male) or F (female).

Column 6. Married or single. The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7. Calling or occupation. The entry should describe as accurately as possible the occupation, trade, or profession of each alien, as "laborer," "servant," "clerk," "cook," "tailor," "tailoress," "dressmaker," "milliner," "seamstress," "carpenter," "shoemaker," "blacksmith," "engineer," "farmer," "physician," "surgeon," "clergyman," "author," "musician," "actor," "actress," "editor," "reporter," "banker," "barber," "butcher," "baker," "chemist," "draughtsman," "designer," "electrician," "glassblower," "hatter," "jeweler," "lithographer," "mason," "painter," "paperhanger," "plasterer," "plumber," "potter," "saddler," "sailmaker," "stonecutter," "weaver," "wheelwright," "woodworker," "miner," "agriculturist," "stockraiser," and not simply "gentleman," "lady," "student," "child," "boy," "girl," "baby," "invalid," "pensioner," "servant," "laborer," or "none."

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the farm owner or operator.

Steamship agents should be careful that the description of occupations is as nearly correct as possible, by inquiring of each alien regarding the previous occupation and calling.

Column 8. Nearest relative or friend. The answer should show the name and address of the person "Read what [illegible] to accompany [illegible] In answering this question the relative or friend in the country [illegible] If there is no relative or friend the alien should be asked to state the name and address of the person [illegible] to which he is going.

Column 9. Nationality. Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. Race or people. See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs, as listed.

Special attention is called to the distinction between race and the country of which a person may be a citizen or subject. For instance, Persians are frequently citizens of Turkey, Russians frequently claim Finland as their country, Germans frequently claim Poland, Austria, or Switzerland as their country, and Scotch frequently claim England as their country. In all such cases the race or people to which such persons belong should be carefully determined by inspectors and records made accordingly. Persons appearing to be of mixed races should be described according to the race with which they most closely identify themselves, as Irish, Scotch, English, Welsh, German, etc. All Irish, Germans, or Hebrews are not necessarily of the Celtic, Teutonic, or Semitic race, respectively. All persons coming from Scotland should be described as Scotch, those from Ireland as Irish, those from England as English, and those from Germany as German, regardless of the race to which they belong, or the race which predominates in the country whence they come. Persons coming from Turkey should be described as Turks, Armenians, Syrians, Hebrews, Greeks, Bulgarians, Montenegrins, Roumanians, Albanians, Arabs, Persians, Africans, or Hindus, according to the facts in each case. Persons coming from Austria-Hungary should be described as Austrians, Hungarians, Germans, Czechs, Slovaks, Croatians, Dalmatians, Bohemians, Moravians, Slovenians, Ruthenians (Russniaks), Poles, Servians, Bosnians, Carpatho-Russians, Montenegrins, Roumanians, Albanians, Turks, Armenians, Syrians, Hebrews, Greeks, Bulgarians, Lithuanians, Esthonians, Letts, Livonians, Kurds, Gypsies, Mingrelians, Persians, Koords, Afghans, Arabs, Hindus, or Japanese, according to the facts in each case. CUBAN

The term "Cuban" refers to the Cuban people—not Negroes.

WEST INDIAN

"West Indian" refers to the people of the West Indies—other than either Cubans or Negroes.

SPANISH AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK)

"African (black)" refers to the African Negro—whether coming directly from Africa or from the islands of the West Indies, North or South America, Europe, or Asia. Any alien with a traceable admixture of blood of the African Negro should be classified under this race.

ITALIAN (NORTH)

The people who are native to the north of the River Po in northern Italy—i.e., compartments of Piedmont, Lombardy, Venetia, and Emilia and those descendants who are residents of the Southern-based Austrian Provinces of Italy—should be classed as "Italian (north)." Most of these people speak a Gallo-Italic dialect of the Italian language.

ITALIAN (SOUTH)

The people who are native to that portion of Italy south of the basins of the River Po—i.e., compartments of Tuscany, Umbria, the Marches, Latium, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia—should be classed as "Italian (south)."

Column 11. Last permanent residence. Aliens who have lived in one place for one year should consider that permanent residence. The last country in which they have lived for one year should be entered. If they have resided in several countries during one year, the country in which they have lived the longest should be entered. If they have resided an equal length of time in two countries, the last one should be entered. The address need not be given. If the alien has resided in the United States, the last place of residence in the United States should be entered, whether it was for a period of one year or more. If the alien has resided in the United States for more than one year, the entry should show the city and State of last permanent residence. If the alien has resided in the United States for less than one year, the entry should show the last place of permanent residence before coming to the United States, whether it was for a period of one year or more.

Certain classes of permanent residents of Canada who are bona fide residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12. Name and complete address of person in country whence alien came. The entry should give name and address of such relative. If no such relative is living, give name and address of friend.

Column 13. Final destination. The answer to this question should show the city and State of permanent residence. No entry should be made unless the alien is destined to a permanent residence, if within the United States. If destined to the place of former permanent residence, if within the United States, the place to which he is destined should be shown. If destined to a permanent residence in the United States, the entry should show destination, the place to which destined, and the State.

Column 14. Whether having been in the United States before. The answer should be either Yes or No.

Column 15. Whether coming to join a relative or friend and if so, what relative or friend. The entry should show the name and address of the relative or friend to whom the alien is going.

Column 16. If having been in the United States before, whether having had passport. The entry should show whether or not the alien had a passport when last admitted to the United States.

Column 17. If having been in the United States before, when and where last admitted. The entry should show the year, month, and day when last admitted, and the place, if known. Money brought by the head of a family should not be described as the property of members of the family.

Column 18. Whether ever before in the United States and if so, when and where. The entries should show whether or not the alien has been in the United States before, and if so, the year or period of years and place, as 1901–1910, Philadelphia.

Column 19. Whether going to join relative or friend, and if so, what relative or friend. The answer should show whether going to join relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 28. These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspectors in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

I, ... Master ..... of the R. M. INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arriving, as for example: Civil engineer, shipmaster, locomotive engineer, miner, engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as laborer, polisher, molder, turner, or other indefinite designation.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors at respective places during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is then ruled and contains the following question: "Read what language (or, if exemption is claimed upon what ground)?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject; country of last permanent residence, and country of birth, and mention should be cast aside entirely by steamship companies in this regard. For instance, "France" appearing under the heading country does not mean "French" by race or people, and, similarly, "French" appearing under the heading race or people does not mean "France" by country. An Irish, German, or Hebrew alien's race might properly come under the heading of England, Scotland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or South America, Europe, or Africa. An alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria, Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual residence for one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence there in. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of race or of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence does not exclude aliens who are permanent residents of the United States and are returning from a visit abroad, all of whom should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town preferred) future permanent residence, if within the United States; country, if outside the United States.

Column 14 (*Whether having ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid (self, husband, father, friend, or other relative (name), steamship company, etc.).

Column 17 (*Whether in possession of $50, and if not, by whom was it furnished*).—The answer should give in each case individual or family, the exact amount, and not simply "Yes" or "No." Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not a Yes or No in the United States before, and if so, the year (or period of years) and place, as "1903, Philadelphia."

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 34.—These questions are self explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, Howard Moffatt, Surgeon of the S.S. Carrillo, England, do solemnly, sincerely, and truly swear that I have had Seven years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Degree of M.D. and Licence under Board of Medical Examiners of New York & California, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, One in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests and corrections should be made, if necessary, by inspectors and reviewing officers during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column should be divided and contains the following question: "Read what language (or, if exemption is claimed, upon what ground)." In answering this question the examiner or clerk will ascertain whether the alien is able to read, and should be asked to read, a few lines of some printed matter in the language or dialect he may designate. If the alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and mistakes should be carefully corrected by inspectors and reviewing officers in this regard. For instance, "France" appearing under the head of country corrected means "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly enough consider the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardia, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, France, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or art intended residence of one year shall constitute permanent residence. The last entry in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereafter. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence (except aliens who are permanent residents of the United States and are returning from a visit abroad) should be considered United States.

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid as self, husband, father, friend, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less how much*).—The answer should give in each case individual or friends' the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of the government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival as, for example, coal engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the most part.

Steamship companies should make checks of the manifests and corrections should be made, if necessary, by inspectors and registry clerks during the physical examination of aliens.

Column 8 (*Able to read and write*).—This category is divided into heads, and contains the following questions: "Read what language (or dialect)?" and "Write what language (or dialect)?" In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading test because of age, the fact and the reason should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country last permanent residence and country of birth, and mistakes should be carefully corrected by inspectors and registry clerks in the record. For instance, "France" appearing under the head of country does not mean "French" by race or people, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—A total of an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country, city, or town of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning to a visit abroad should be entered "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States, country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (*Whether in possession of $50, and if less how much*).—The answer should give in each case individual or family the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether or not the alien was in the United States before, and if so, the year or period of years and place, as "1st 1906, Philadelphia."

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 34.—These questions are self explanatory and the answers, like all others on the sheet, are subject to revision by inspectors in the examination of aliens. However, in answering question 26, if alien has been deported certain one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as, for example, civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designation.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should investigate occupations on the manifests, and corrections should be made, if necessary, by inspectors and casualty clerks, during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column records and contains the following question: "Read what language (or, if exemption is claimed, upon what ground)?" In answering this question the language or dialect the alien reads (or can read) should be stated. If alien is unable to read and claims exemption from the reading test, the ground upon which such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people designated in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and mistakes should be carefully corrected by inspectors and casualty clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "Ireland" appearing under the head of race or people does not mean "Irish" by country. An Irish, German, or Hebrew alien, by the mere fact of his having been born in Ireland, Germany, or Russia, and having a passport issued by one of those countries, or a certificate of identification, or a certificate of registry, or a passport issued by the country in which he resides, or a certificate of identification issued by the consular officer of the country in which he resides
